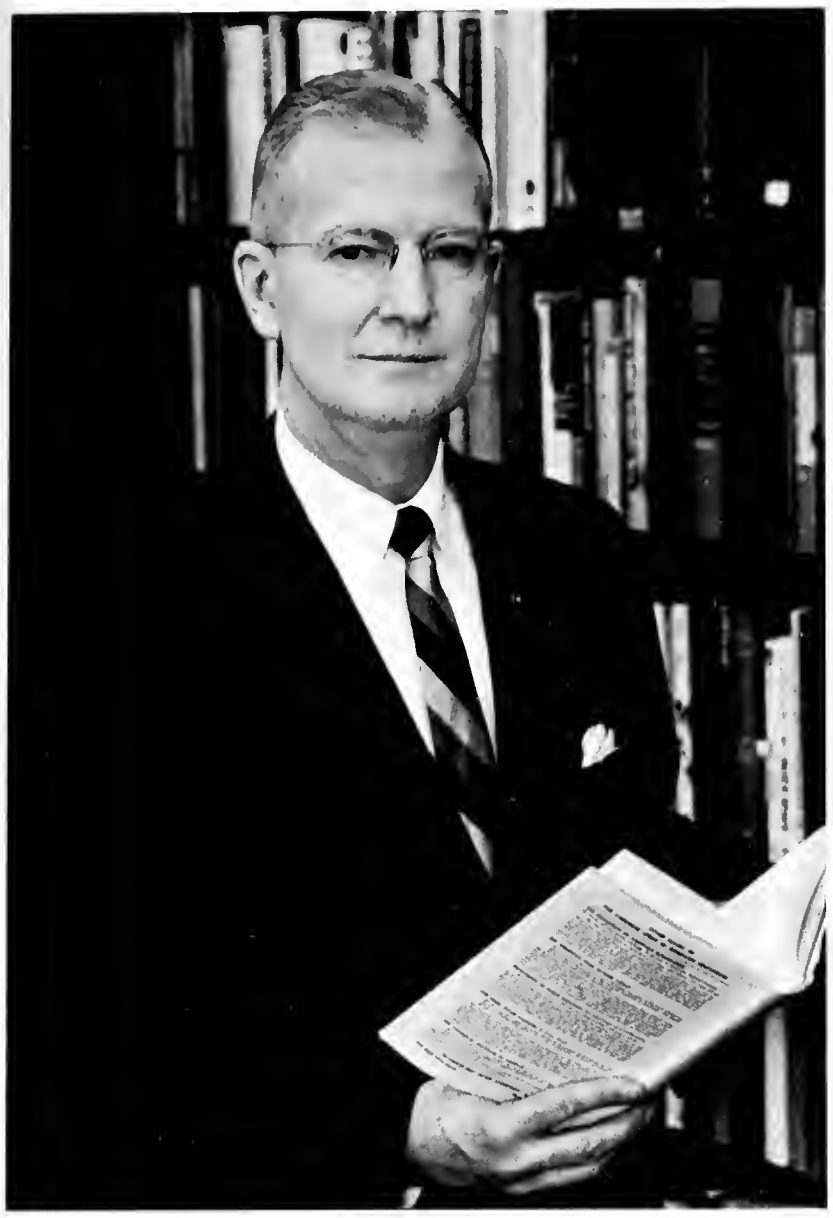
The University...

... Administration, Faculty



President Norman P. Auburn

President Auburn

President and Mrs. Norman P. Auburn, completing their twelfth year of leadership on the campus, traveled around the world via Outer Mongolia in the summer of 1963.

Students and faculty will be able to obtain unique information on the Mongolian People's Republic from the Auburns, as they were in the first group of "foreign" visitors permitted to enter that country.

Having made four previous trips behind the Iron Curtain, Dr. and Mrs. Auburn were unusually well-qualified to evaluate the educational, political, economic, and social conditions of Outer Mongolia, with its current conflict in Communist ideologies.

The President and his wife bring an added distinction to the University as they share their travel experiences in many speaking engagements not only in Akron, but also in other cities and on other campuses.

Presidents traditionally throw out the opening ball, but Dr. Auburn does 'em one better.

Row 1: E. J. Thomas, Mrs. Walter A. Hoyt, Harry P. Schrank, Chairman; J. Ward Keener. *Row 2:* Ian R. MacGregor, Ike Gold, Joseph Thomas, Bernard Rosen, Charles J. Jahant, Fred I. Albrecht, Dr. Norman P. Auburn.

Board of Directors

Chairman of the University Board of Directors is Mr. Harry P. Schrank. He is an ex-officio member of all University committees and President of the Seiberling Rubber Company.

Mr. E. J. Thomas, Vice-Chairman of the Board of Directors, is Chairman of the Board of Goodyear Tire and Rubber Company and a member of the University's Finance and Development Committee.

Mr. J. Ward Keener, Vice-Chairman of the Board of Directors and Chairman of the Buildings and Grounds Committee, is President of the B. F. Goodrich Company.

Mr. Fred I. Albrecht is Chairman of the University's Finance Committee and President of the Fred W. Albrecht Grocery Company.

Mr. Ike Gold is the International Secretary-Treasurer of the United Rubber, Cork, Linoleum, and Plastic Workers of America and a member of the University's Educational Policy and Development Committees.

Mrs. Walter A. Hoyt is Chairman of the Educational Policy Committee and a member of the Buildings and Grounds Committee.

Mr. Charles J. Jahant, Vice-President of the General Tire and Rubber Company, is a member of the University's Buildings and Grounds Committee and Development Committee.

Mr. Bernard I. Rosen, Attorney-at-Law, is a member of the Buildings and Grounds Committee and Educational Policy Committee.

Mr. Joseph Thomas, Director and Consultant for Firestone Tire and Rubber Company, is Chairman of the University's Development Committee and a member of the Finance Committee.

Vice-President

D. J. Guzzetta

Ian R. MacGregor

Financial Vice-President

Dr. Ian MacGregor, Financial Vice President, is an organic chemist who has gone into the field of University administration. His research has been in the area of synthetic organic medical products and he has some fifteen articles in this field published in scientific journals.

His hobbies are high-fidelity systems, reading plays, and attending theater in all its forms.

Dr. MacGregor is interested in the activities in promotion of the fraternity system locally and nationally. He feels strongly that fraternities and sororities have a great contribution to make toward higher education provided the men and women who make up the active chapters will put forth the effort required to upgrade their activities to the level demanded of them in their constitution, by-laws, and ritual.

H. R. Reidenbaugh

Assistant to the President

Vice President and Dean of Administration is Dominic J. Guzzetta. He is also Coordinator of Research, Professor of Education, and Director of Akron University's Committee on the Educational Forecast. Dean Guzzetta is very much interested in furthering higher education and is a consultant and evaluator for the North Central Association of Colleges and Secondary Schools. Another of his primary interests is music, for he is a former professional musician. Although kept busy by his work and professional duties, he is a devoted family man and spends as much time as possible with his wife and two daughters. Dean Guzzetta is a recently retired Lieutenant Colonel in the U.S. Army Reserve and National Guard. He has had 21 years of military service and has a strong interest in the R.O.T.C. program. He is also Coordinator for the R.O.T.C. programs on this campus.

Mr. H. R. Reidenbaugh came to the University of Akron this year to serve as Assistant to the President.

This new office of the Assistant to the President is charged with the responsibility of (1) presenting the needs of The University of Akron to philanthropic organizations and individuals, to industrial and commercial corporations, and to other prospective donors for the current and capital costs of operating the institution; (2) promoting the interest of the University before governmental agencies; (3) assisting in the coordination and development of on-campus research.

Mr. Reidenbaugh is a member of National Education Association, Pennsylvania State Education Association, and Harrisburg Trade Association Executives.

University Relations

G. Hagerman, Registrar; S. Terrass, Asst. Registrar.

Row 1: C. Blair, Director of University News Bureau; G. Ball, Director of University Relations; J. Denison, Asst. Director of University Relations. *Row 2:* G. Raymer, Asst. Director of University News Bureau; K. Bushnell, Director of Alumni Relations. *Missing:* J. Sauvageot, Asst. to the Director of University Relations.

Registrar

Editors' note: This year the University instituted a new method of registration which involved registering during final exam week. As a result of the magnitude of criticism the Registrar received from the student body he submitted the poem at right to the *Tel-Buch*.

All classes must be scheduled to meet at nine o'clock
And must be planned in buildings so students need not walk.
The registration process must be painless, with no lines,
No closed classes, no forms to fill, and certainly no fines.
Students' grades must be made known one hour after class
So there will be no doubt as to failing or to pass.
Transcripts must be accurate and done right on the spot.
To think it takes a little time is a lot of tommy rot.
We wish that we could do all these and maybe even more
To make the life of students even better than before.
But come what may, there is no way to satisfy them all.
The only thing that one can do is to complain in Buchtel Hall.

G. Hagerman

Handling publicity for the University on anything from home town releases for out of town students to neighborhood forums is one of the responsibilities of University Relations.

Jules Sauvageot, a new member of the staff this year, prepares *Akron Alumnus, From the Hilltop, Faculty Bulletin,* and special publications.

Chuck Blair and George Raymer handle all news releases from the University News Bureau, while John Denison serves as Official Campus Host and coordinates programs with the Hilltoppers, friends of the University.

Ken Bushnell directs Alumni Relations. This year he supervised the first "A. U. Calling" in which students and alumni called area alums for pledges.

George Ball coordinates all activities of University Relations and serves as one of four members on the President's Administrative Committee. He is Chairman of the Publications Board and Adviser to the *Tel Buch.*

Row 1: R. Paul, Superintendent of Buildings and Grounds; R. Peck, Asst. to the Financial Vice-President, Controller as of April 1, 1963; C. Hall, Controller until April 1, 1963. *Row 2:* C. Rogers, Auditor, J. McMullen, Asst. to the Financial Vice-President, I. MacGregor, Financial Vice-President.

Finance

To improve financial analyses without additional staff members the Financial Office converted the University accounting procedure to the use of electronic data processing machines.

In addition to this, the Office of the Financial Vice President is charged with the responsibility for the construction and remodeling of physical facilities on the campus. The completion of the new College of Education building, the installation of the new language laboratory in Kolbe Hall, installation of FM Radio Station WAUP, and the moving and re-equipping of the Duplicating Department are all projects that were accomplished this year under the direction of the Office of the Financial Vice President.

Office of

Dean Richard Hansford

To give a clearer picture of the work done by Student Personnel, the University changed the name of this department to Student Services this year. Thus, former Director of Student Personnel, Richard Hansford, was promoted this year to Dean of Student Services.

This department continues to offer a centralized program of services to the student. Their main function is academic, personal, and vocational counseling. They also refer students who need help beyond what they can offer to special departments such as Psychological Services, Speech Therapy, or Health Services.

This year they took charge of the new five bed infirmary in the health center for the residence hall students, and they set up a foreign student program.

Members of Student Services also serve as advisers for various campus organizations. Mr. Ralph Larson is Director of the Student Center while his brother, Mr. Robert Larson, adviser to the Junior and Senior classes, is in charge of senior placement. Dr. James Fox directs the residence halls and housing. As liaison officer for graduate fellowships and awards, he interviews all prospective graduate students. Mrs. Vegso handles part-time placement of students both on and off campus. She also is adviser to Women's League. Mrs. Paul is ex-officio adviser of Pierian and adviser of Panhellenic Council while Mr. Johnson is adviser to Inter-Fraternity Council. Mr. Berry advises Student Council and the foreign students.

Miss Sidney Crouch and Mr. John Stafford are the

Row 1: H. Haynes. *Row 2:* R. Dixon, C. Braley.

Admissions Office

As usual the Admissions Office has been busy visiting high schools throughout Ohio and various other states. This year the three admissions officers visited 600 high schools contacting top scholars who are interested in the type of education offered at The University of Akron. The local area has also kept the Admissions Office busy presenting programs in the various high schools as well as conducting Collegiate Day and College Experience Day for the Akron area students.

The Admissions Office this year added Miss Rebecca Dixon, Assistant Admissions Officer, a graduate of Randolph-Macon, and Mr. Charles P. Braley, Assistant Admissions Officer, a graduate of The State University of Iowa.

Mr. Howard D. Haynes, Admissions Officer, made the first venture this year into international territory, visiting the collegiate and technical high schools in Toronto, Ontario. He was asked by the superintendent of secondary schools to return and address a meeting of the guidance heads and guidance counselors of the Metropolitan Toronto school system.

Student Services

new advisers in Student Services this year. Miss Crouch came to The University of Akron from Ohio State University where she recently completed her Master's in Guidance and Counseling. As an undergraduate at University of Kentucky, Miss Crouch was President of Delta Delta Delta, her sorority; a member of Mortar Board; and recipient of the Sullivan Medallion, awarded annually to an outstanding senior woman. Currently she is a member of the National Association of Women Deans and Counselors.

Mr. Stafford came to The University of Akron after serving as Assistant Dean of Men at Ohio Wesleyan. He belongs to National Education Association, Indiana State Teachers Association, and the National Association of Student Personnel Administrators. He is married and has two children.

Dean Hansford serves on various University of Akron committees in which he attempts to present the students' point of view. Some of these are the Executive Committee, University Council, School Awards and Loans Committee. He is chairman of the Extracurricular Activities Committee. In his professional field he belongs to the American Personnel and Guidance Association, National Association of Student Personnel, and the American Psychology Organization. Outside of the University he is interested in the United Fund, belongs to its Citizens Budget Committee.

Also he spends much time with his son and daughter. He is active in outdoor activities such as swimming and ice skating.

Row 1: P. Paul. *Row 2:* K. Vegso, S. Crouch.

Row 1: J. Fox, R. Hansford, R. Larson. *Row 2:* J. Stafford, R. Berry, R. Larson, D. Johnson.

Row 1: Miss Bangham, L. L. Smith. *Row 2:* R. Calkins, J. Telesca.

I.C.E.

During the past year, the offices of the Institute for Civic Education have become increasingly familiar to more and more students. The Internship for Community Leadership group, sponsored by ICE, meets for lunch and a program each Wednesday in the ICE Conference Room. The International Students Club, with assistance from ICE staff, was revitalized and meets weekly in the Conference Room. Students visited the "ICE House" to apply for the Community or College Ambassador program, to work on the Model United Nations Assembly program, to attend an election night party, to work on WAUP-FM discussion programs, or to attend a Senior Seminar session.

This student activity fits into the overall purpose and work of the Institute for Civic Education. Most of the programs offered to the public at large are designed to develop a well-informed citizenry and a responsible and intelligent civic leadership. Through Neighborhood Forums, study-discussion groups, Community Issues and World Affairs luncheon programs, Thursday Breakfast Round-tables, civic leadership seminars for city officials and other community leaders, Town and Gown and World At Our Door programs, special Liberal Education Programs, and a variety of other activities, the Institute for Civic Education strives to improve the quality of leadership and of community life in Akron.

Row 1: M. Morton, Director of the Institute of Rubber Research; I. Piirma, H. Stephens, H. Harwood. *Row 2:* A. Gent.

I.R.R.

The Institute of Rubber Research has continued to expand its research program which provides training for graduate students in chemistry. The Institute now includes thirty full-time Ph.D. candidates working under the supervision of a staff of six. Of these thirty, twenty-five are receiving fellowship support from various grants and other funds.

Library

In addition to the library staff members, who have faculty status, Bierce Library hires about 70 student assistants. Bierce Library has approximately 150,000 volumes on its shelves and subscribes to about 1250 periodicals. In the last year some 62,000 pieces of library material were lent.

The head librarian, Miss Dorothy Hamlen, is active in her professional field. She is on the committees of the Summit County Library Association; Ohio College Association, Library Division; Tri State Association of College and Reference Libraries. Miss Hamlen's main interests are her home, garden, travel, and church activities. She is faculty adviser for Zeta Tau Alpha and Inter Varsity Christian Fellowship.

Row 1: L. Myers, D. Hamlen, Head Librarian; P. Franks, M. Harrington.
Row 2: R. Clinefelter, V. Gardner, H. Thornberg, H. Arnett, S. Jenkins.
Row 3: A. Martin, J. Armstrong, B. Clark.

Athletic Director

Coach "Red" Cochrane

Mr. Kenneth Cochrane, perhaps better known as "Red" or "Mr. Zip," has been just as busy as ever this year with the dozens of activities and events. First and foremost there is the Acme-Zip Game, which he and the managers of the Acme Foods Stores chain initiated in 1954. It has become a tremendous success ever since. He is the Manager of the Ohio Conference Basketball Tournament of the NCAA. He was instrumental in bringing the NCAA Mid-East Regional to campus for the first time last year. Mr. Cochrane manages the Akron U Sectional of the Ohio High School State Basketball tournament. He also makes many trips to various alumni units and sports banquets all over the nation, at which he is guest speaker.

art, music, philosophy

The Art department has received new equipment for advanced work on metal sculpturing. Dr. Emily Davis served as a committee member of the University's Fifth Annual Fine Arts Festival. Mr. Dashiell has had a one-man show of sculpture in Canton. Mr. Weiner designed and built a complete set for a show, *A Thurber Carnival,* at the Weathervane Playhouse. He has been giving a weekly broadcast over the campus FM radio, WAUP, on modern art, art appreciation, and current happenings in the field.

In the Music department this year, Mr. John MacDonald became the conductor of the Akron Symphony Chorus. The University Singers participated in concerts at the Akron Armory, in addition to their regular appearances. Mr. Burt Kageff was added to the faculty, as an instructor in voice. Continuing their emphasis on musical performance, a series of thirty concerts and recitals by band, orchestra, chorus, faculty and student soloists was presented during the year, often to capacity houses.

Dr. LaFleur, the head of the Philosophy department, is presently engaged in the writing of two books. The department has added another member, Dr. Tad Clements.

Row 1: E. Davis, Head of the Department of Art. *Row 2:* M. Dashiell, T. Clements, L. Lafleur, Head of the Department of Philosophy. (Absent Music Department).

COLLEGE OF LIBERAL ARTS

english, speech

Row 1: W. Stevens, H. Thackaberry, R. Sandefur, Head of the Department of Speech; C. Duffy, Head of the Department of English; C. Taliaferro. *Row 2:* G. Levin, J. Phillipson, E. Paul, R. Thackaberry, J. Auston, D. Varian, W. Nicolet, J. Wolkenfeld, F. Phipps.

New in the Department of English this year are Dr. Richard M. Fletcher, University of Pennsylvania; Mr. William P. Nicolet, Brown University; and Mr. Jack Wolkenfeld, Wayne State University. Mr. John Lotz, formerly an undergraduate of The University of Akron, serves in both the Department of English and the Department of Speech. More and more attention has been paid this year to the graduate program of the Department and plans are being made to extend the range of courses.

The Speech and Radio departments have been active in student life this year. Last December, Akron University's radio station WAUP-FM went on the air. In March, 1963, the Federal Communications Commission formally granted a broadcasting license to the station.

Student attendance and participation increased in intramural and intercollegiate forensics. Well attended, also, was Forensic Union, debate sessions held once a week to discuss current topics of interest. Dr. John T. Auston, new to the Speech department this year, directed forensics.

Acting Dean George Knepper

Research for a centennial history of The University of Akron has occupied the time of Acting Dean Knepper this year.

Also he has nearly completed a book manuscript and has contributed historical reviews and an article.

As a new Dean he misses the pleasure of classroom teaching and the student contact that grows from it.

Dean Knepper has many interests, including reading, athletics, and travel. Educational plans and programs are of foremost interest, as is an enduring fascination for the study and teaching of history.

acting dean knepper

Highlighting the Modern Language department this year is the new Language Laboratory. This new lab is introducing the use of electronic equipment, such as the first-class audio-active and audio-active-comparative machines and components, to aid in the teaching of modern language skill courses. Another innovation is the setting up of a recording studio for the making of tapes to be used in classes. Accompanying the addition of this new lab was the introduction of literature courses and conversation and composition courses in German, French, Russian, and Spanish.

Akron Public School language teachers, 90 in number, were exposed to the new methods being utilized in a visitation to the new electronic facilities and a demonstration of laboratory operation.

languages

Row 1: D. Internoscia, A. Lepke, Head of the Department of Modern Languages. *Row 2:* T. Mackiw, G. Mortensen. *Row 3:* R. Ittner, H. Smith, J. Pulleyn.

mathematics, physics

The Department of Mathematics has added two new members to its faculty this year. They are Dr. Bednarek and Dr. Beyer. This year is the first year of a Master's Degree program and is also the first time graduate assistants have been used. Dr. Samuel Selby, the head of the department, and Mr. Sweet have completed a book which they have jointly written, *Sets, Relations and Functions*. The Department of Mathematics is known for its interest in research in the field of Mathematics. Dr. Selby was the editor of the mathematical tables of the *Handbook of Chemistry and Physics* for 1963.

Professor Ronald Schneider is new in the Physics department this year. The new curriculum which was introduced two years ago, and which entailed the revision of the old courses and the introduction of completely new ones, in light of recent advances in the field, is showing good results. Professor Benton is currently doing research in the field of "Masers." Staff members have made several visits as visiting scientists sponsored by the National Science Foundation to area high schools. Heading the Department of Physics is Dr. Ernest Thackery.

Row 1: S. Selby, Head of the Department of Mathematics; M. Mauch, O. Fouts. *Row 2:* A. Bednarek, W. Beyer, L. Sweet, P. Zipse.

Row 1: I. Bear, Head of the Department of Home Economics. *Row 2:* D. Laubacher, J. Mally.

home economics

Today, even the male is showing a definite interest in the area of the success of the family group, in addition to realizing the need for success in business. This point is evidenced on Akron U's campus by the participation of some of the men in home economics courses such as child development and family relations.

But generally speaking the home economics courses offering training for the career of homemaking are being taken by campus women.

The purpose of the Home Economics department is contained in the value of the training. A rich education is afforded in the area of family living and of professional careers. Vocational instruction extends into the varied fields of dietetics, home service work with utility and equipment companies, radio and television work, interior decorating, designing textiles and wearing apparel. Also there is a vast education in the areas of research in such fields as nutrition, child development, dry-cleaning equipment and consumer economics, teaching and merchandising.

Row 1: J. Bachmann, Head of the Department of Chemistry; M. Steinman, I. Horning, R. Keller, Head of the Department of Biology. *Row 2:* P. Acquarone, V. Floutz, G. Corsaro. *Row 3:* W. Feldman. R. Nokes. D. Jackson.

biology, chemistry

This year the Biology department has been working with secondary school biology teachers in five local high schools to help them introduce the new American Institute of Biological Sciences Curriculum Study. The program features an up to date, physiological approach to biology, and is scheduled to include more schools next year.

New also this year are several staff additions. Dr. Richard Nokes, Doctor of Veterinary Medicine, teaches Anatomy and Histology. Dr. Dale Jackson from Durham University, England, and Miss Margo Steinman, a cytologist, have joined the department also.

The entire undergraduate curriculum of the chemistry department has been revised largely in accord with recommendations of the American Chemical Society.

The major accomplishment of this department has been the successful introduction of this new undergraduate curriculum. It tends to emphasize basic principles at an earlier stage in the chemical education of the undergraduate. More emphasis is placed on modern scientific achievements.

Row 1: B. Fox. R. Sherman. *Row 2:* E. Grünberg, Head of the Department of Economics; P. Weidner, Acting Head of the Department of Political Science; G. Knepper, Head of the Department of History; D. King.

history, economics, political science

The History department added to its staff Dr. Don Gerlach, Assistant Professor of History, and Mr. Jerome Mushkat, Mr. Lester Bilsky, and Mr. Thomas Powell, Instructors. New upper level courses and Graduate level courses were developed. In keeping abreast of the times, more attention is being devoted to areas of the world formerly ignored in history instruction.

This year the Department of Economics has placed an added emphasis on the importance of Mathematics in the field of Economics. Dr. Emil Grünberg, Head of the Department, attended an international meeting of economists in Vienna last Fall. The Department of Political Science received Dr. Paul Weidner as its Acting Head this Spring. He is replacing Dr. Roy Sherman, who has recently resigned the headship but continues as Chairman of the Division of Social Sciences. Currently Dr. Sherman is doing research on voting patterns and behavior in the Akron area. The Department has added several new courses this year.

Row 1: S. Newman, Acting Head of the Department of Sociology; J. Saltman, H. Maher, Head of the Department of Psychology. *Row 2:* D. Henderson, N. Washburne, R. Harris, P. Twining, E. Wagner, J. Popplestone.

Dr. Samuel C. Newman became Acting Head of the Sociology department when the former head, Dr. Charles C. Rogler, retired and became Professor Emeritus. Dr. Rogler continues teaching, in Evening College. A new staff member this year is Mr. Donald M. Henderson.

This year in the Psychology department several members of the faculty have been engaged in research. Dr. Wagner has been doing work on a psychological test which he and several others have developed. Dr. Popplestone has been busy with the subject of "Exoskeletal Defenses," which concerns itself with a type of social behavior.

psychology, sociology

Row 1: D. Keller, Head of the Department of Civil Engineering; Acting Dean W. Petry, Head of the Department of Mechanical Engineering; K. Sibila, Head of the Department of Electrical Engineering.

Row 2: G. Manos, H. Ghazi, R. Henry, P. Huss, M. Bezbatchenko.
Row 3: D. Timmerman, R. Grumbach, J. Edminister, A. Richards, E. Hamlen.

COLLEGE OF ENGINEERING

In February of 1963, William M. Petry became Acting Dean of the College of Engineering upon the resignation of Dean R. D. Landon. In 1957, when the University acquired its nuclear reactor, Acting Dean Petry became Reactor Supervisor. In this capacity, he had full technical responsibility to the Atomic Energy Commission for the safe operation of the reactor.

Major engineering interests are in the application of Fluid Mechanics and Thermodynamics and also Nuclear Engineering. His research interests have been in the fields of fluid flow in valves, heat transfer in buildings and engineering problems in open chest surgery. His hobbies are his home and four children. He is a member of the American Society of Mechanical Engineers (A.S.M.E.) and the American Society for Engineering Education (A.S.E.E.), both professional societies, and Sigma Tau and Sigma Xi, honor societies.

Acting Dean William Petry

dean mc nerney

Dean Chester T. McNerney has been Dean of the College of Education for nearly four years. Prior to coming to the University of Akron he was at Pennsylvania State University. Dean McNerney has undertaken a number of educational studies, around twenty. He has recently done a graphical analysis of a county school system. He enjoys reading and hiking as activities when not busy as an educator. The Dean has a deep interest in the field of international education, as illustrated by his participation in the Agency for International Development. This is an agency of the U.S. Department of State and currently has two programs on campus. Dean McNerney has been instrumental in developing a program entitled "An Educational Experience" for Akron teachers, in which some thirty Akron area school teachers went to London, England, in Summer, 1963, to observe the British public schools system.

Dean Chester McNerney

COLLEGE OF EDUCATION

Row 1: H. Becker, H. Painter, M. Verhoeven. *Row 2:* W. Beisel, L. Hunt; Acting Head of the Department of Elementary Education; H. Distad.

elementary education

The Department of Elementary Education has as Acting Head this year, Dr. Lyman Hunt, who comes here from Pennsylvania State University. Dr. Hunt is to replace Dr. Hjalmer Distad, who will be retiring after nearly thirty years of service. Dr. Distad has devoted these many years to the development and progress of the Department. This year there is added emphasis being placed on the fields of Mathematics and Science in the elementary curriculum. In the new Education Building, completed this past year, the Department has facilities for the study of the manner in which children learn to read.

The faculty has been busy developing conferences and workshops in modern educational methods for area teachers, which are held here at the University. Various faculty members have been active in statewide educational conferences.

physical education

The Department of Physical Education will embark on an advanced program of study this coming Fall, which will eventually lead to the offering of a Master's Degree in Health and Physical Education. The Department has added Mr. James Ewers, who is a graduate of the College of Wooster, former football and basketball coach, and who will complete his Doctorate in Health and Physical Education this Fall. Mr. Ewers will assist in football coaching and will work with Mr. Cochrane, Department Head, in developing the advanced program for the department. This will supplement the eleven varsity sports program. Emphasis will continue to be on participation and specialization.

Row 1: P. Taylor, W. Ruman. *Row 2:* K. Cochrane, Head of the Department of Physical Education; A. Maluke, T. Evans, A. Laterza. *Row 3:* H. Wells, J. Cook, G. Larson.

pupil personnel secondary education

The Department of Administration and Pupil Personnel in the College of Education is a new department formed at the beginning of this academic year. One new staff member, Dr. Kenneth C. Hoedt, came from the University of Wisconsin to join the department.

Members of the department are Dr. William I. Painter, Dr. James E. Doverspike, and Dr. Mabel M. Riedinger, head.

Dr. Doverspike is administrator of the Reading and Pupil Personnel Center. Seven rooms in the Center have been furnished, organized, and scheduled. He looks forward to increased use of educational television in counselor education. Three one-way vision screens permit observation of counseling techniques without disturbing an interview.

Through the efforts of Dr. Doverspike and Dr. Riedinger the Hilltop Guidance Council has had a strong program year which reached its height in an all-day conference in the Summit Lounge on Saturday, March 2, with Dr. Walter Lifton, a nationally known authority in counseling, as their speaker.

Dr. John Watt, Acting Head of the Department of Secondary Education, is currently meeting with the heads of those departments which are involved in the training of secondary school teachers for the purpose of planning changes in the courses involved. Dr. Johnson has been busy in the development of background in Programmed Learning, a new concept in education. Graduate students in the Department are working on problems in this field. Dr. James Fox has been added to the faculty this year, and he teaches Education in American Society in the evening.

dean reidenbach

Dr. Richard C. Reidenbach is the newly appointed Dean of the College of Business Administration. Dean Reidenbach has been at Rutgers University for the past two years. Several years prior to that he was a Visiting Professor of Business Administration at Korea University in Seoul, Korea. He is the author of a book, *Case Problems in Korean Industry,* and he has written numerous monographs and survey reports. Dean Reidenbach was a participant in the Management Development Program while in Korea, in 1959. He is a member of Omicron Delta Kappa and Beta Gamma Sigma honoraries and a member of the American Marketing Association. Dean Reidenbach was a Captain in the Army during World War II. He is married and has two children. He received his Ph.D. from St. Louis University in 1958.

GENERAL COLLEGE

Dean Thomas Sumner

dean sumner

This year Dr. Thomas Sumner became Dean of the General College, replacing Dr. D. J. Guzzetta. Since 1960 Dean Sumner had been Dean of the Buchtel College of Liberal Arts.

Dean Sumner has always had an active interest in students and in student organizations and currently is the faculty adviser of Lambda Chi Alpha, Omicron Delta Kappa, and Alpha Chi Sigma.

When not in Buchtel Hall, Dean Sumner can usually be found on camping trips in Canada, on which he has taken quite a number of students. He is an avid and successful fisherman, as the prize muskie which graces his office wall will attest.

Dean Stanley A. Samad

Dean Ernest H. Cherrington Jr.

dean samad

Dean of the University's College of Law is Dean Stanley A. Samad. Dean Samad is currently president of League of Ohio Law Schools, having served as president during 1958-1959. He has published a paper on standards of legal education and admissions to the bar in Ohio, from 1792-1957, as well as a paper on comparison of legal education in the United States with that of England, Scotland, France, and Germany.

Dean Samad's hobbies include investments and amateur radio. He is also active in bar association activities at the state, local and national level. He is adviser to the Judge Charles R. Grant Chapter of Phi Alpha Delta Law Fraternity.

dean cherrington

Dean Ernest H. Cherrington was named Director of Graduate Studies in 1955 and appointed Dean of the Graduate Division upon its establishment in 1960. Dean Cherrington is learned in the fields of Mathematics, Physics, and Astronomy. In this latter field he has made numerous discoveries. He teaches a course in Astronomy, and he has authored over 70 different monographs, technical papers, and popular articles, primarily in that field. He is a member of Omicron Delta Kappa and Phi Beta Kappa honoraries. He is married and has two sons.

The Graduate Division offers programs of advanced study in twelve fields, leading to the Ph.D. in Chemistry and to the Master's Degree in thirteen fields.

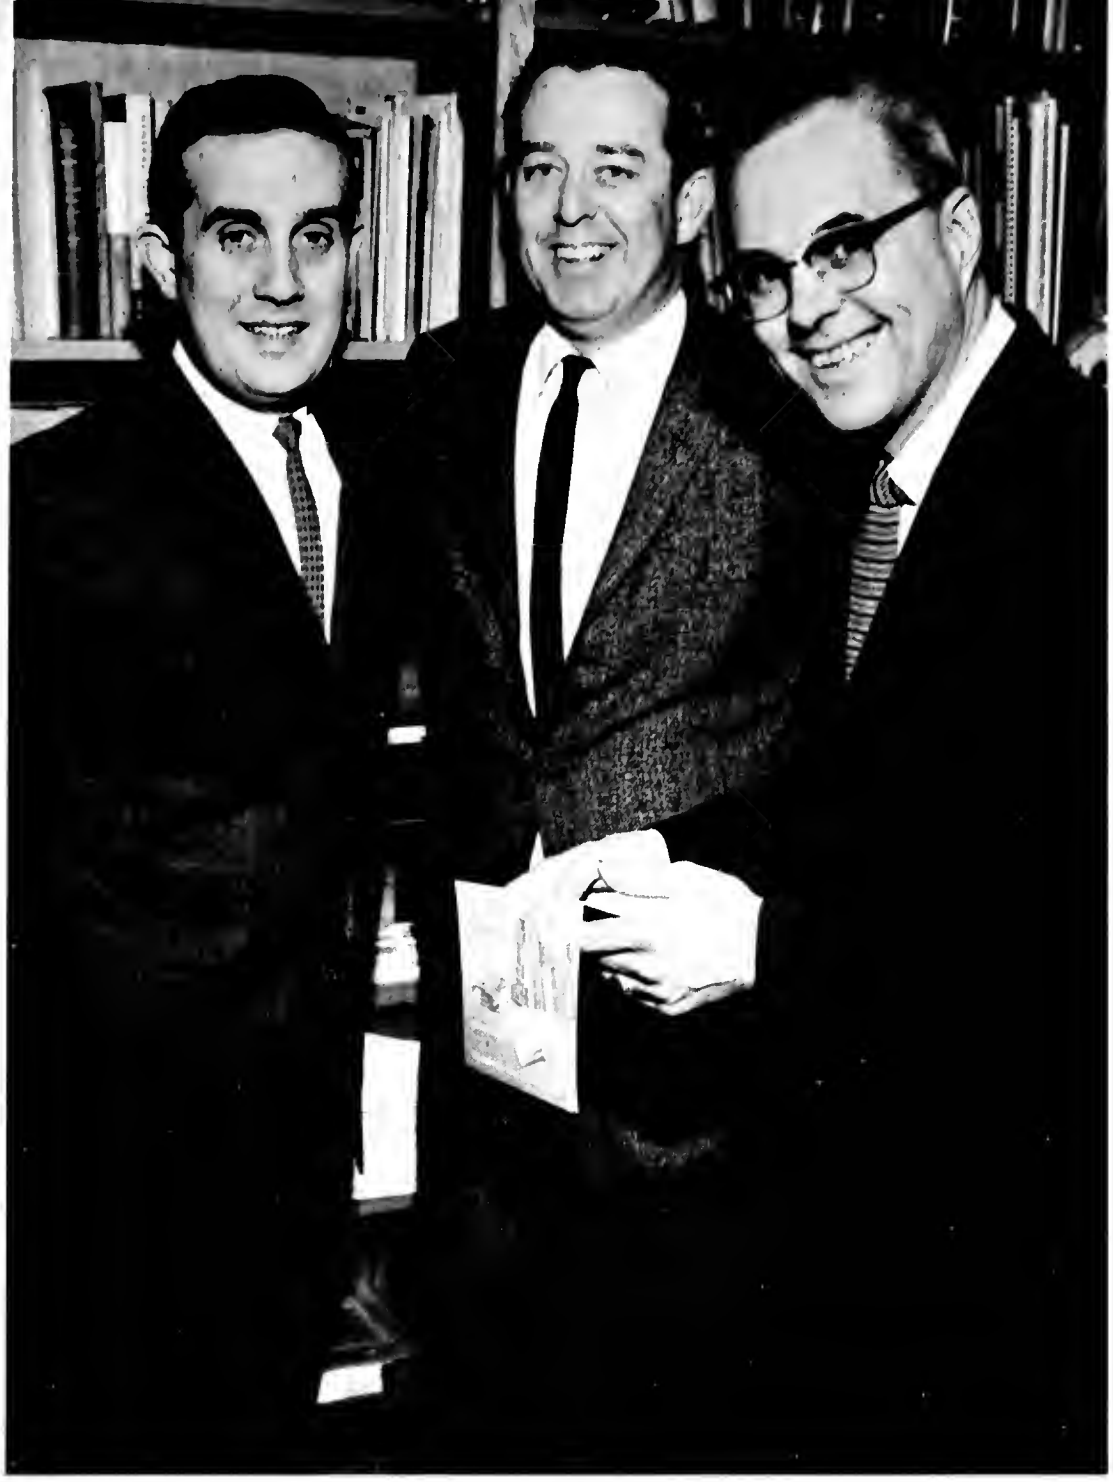
Row 1: Dean Stanley A. Samad, G. Haimbaugh. *Row 2:* A. Murphey, M. Moore, R. Marshall.

GRADUATE DIVISION

The College of Law this year reached its highest enrollment since its beginning, with an enrollment of 135. This year also saw the inception of the Case Club—a student operated moot court program based on the Inns of Court of England.

The department has also added a new course this year in Trade Regulations.

The college had an addition to its faculty this year, in Mr. Arthur G. Murphey Jr., who was formerly at the University of Georgia and Emory Law Schools. Mr. Murphey was a Fullbright scholar and has earned degrees from the University of North Carolina, Mississippi, and Yale. He received a Phi Beta Kappa Key.



J. Latona, R. Matthews, Dean William A. Rogers.

William A. Rogers is the Dean of the Evening and Adult Education Division and Director of Summer Sessions. He is the President of the Northeast Chapter of the American Society of Training Directors and is listed in Who's Who in America. Dean Rogers has the interesting hobby of collecting early American cabinet tools and early American paintings. He was in the U.S. Marine Corps.

Mr. Richard Matthews is the Asst. Dean of the Evening Division. He is the Secretary of the Adult Section of the Ohio Association for Adult Education. Mr. Matthews enjoys reading as a hobby.

Mr. Joseph C. Latona is the Asst. to the Dean of the Evening Division. He recently received his Master's Degree in Business Administration. He is presently at work on his Ph.D., in addition to his duties in the Evening Division. Mr. Latona is an ardent golfer.

Army ROTC

The University...

...ROTC

In the Fall of 1962 the Department of Military Science received a new PMS, Lt Colonel Benton R. Duckworth II, who is a graduate of the United States Military Academy at West Point.

Pershing Rifles is an organization which Basic Course ROTC cadets may join, and whose goal is the fostering of confidence, military leadership, and military bearing. This is accomplished primarily through the use of drill.

Scabbard and Blade is a military honorary society for Advanced Course ROTC cadets. Its purpose is primarily to raise the standard of military education in American colleges and universities, to encourage and foster the essential qualities of good and efficient officers, and to promote friendship among cadet officers. Membership in Scabbard and Blade is a goal toward which most cadets strive.

Air Force ROTC

Lt. Colonel Timothy W. Donohue

Lieutenant Colonel Timothy W. Donohue has been the Professor of Air Science in the Department of Air Science since 1961. Prior to this he was an Assistant Air Attache in Havana, Cuba, a Branch Chief at the Pentagon, and Commander of the 962nd Air Early Warning and Security at Otis Air Force Base in Massachusetts. The Colonel, in addition to his duties, enjoys golfing.

The Sabre Squadron is a basic course AFROTC honorary organization which endeavors to develop leadership qualities, military bearing, outstanding character, and those qualities which will help build an outstanding cadet. Sabre Squadron stimulates professional training in preparation for commissioned service with the U.S. Air Force.

The Arnold Air Society is an honorary society for Advanced Course AFROTC cadets whose goals are the promotion of qualities of American citizenship in an air age, the advance of support for airpower, and the creation of good will among the future U.S.A. Reserve Officers.

massillon

In spite of their busy schedules nurses still find time to participate in campus activities. Newman Club and Christian Fellowship have meetings for the nurses where they discuss morals, ethics, and medicine. The nurses have a student council representative, Sherron Sanders, who is a student at Akron General. The nurses play basketball games and sponsor record hops. They had a Valentine Dance and had a float entered in May Day festivities. Akron General and Akron City participated in Casbah.

st. thomas

College of Education

The New Education Building was opened for classes in September, 1962, but was not dedicated until March 31, 1963.

There are many special rooms in the new building. Room No. 1 is a Handicrafts room with lots of space for storage and a special drying room. The pupil personnel service center is housed in Rooms 102-107. Room 101 has two-way vision viewing mirrors, and Room 130 is a television broadcasting room. Room 235 is equipped with sliding map panels and science demonstrating tables.

Students in the College of Education develop valuable stores of information related to the arts and sciences. Then they acquire the professional skill of imparting this knowledge.

The College of Education has four departments: Administration and Pupil Personnel, Elementary Education, Physical Education, and Secondary Education.

A student majoring in physical education practices the art of tumbling.

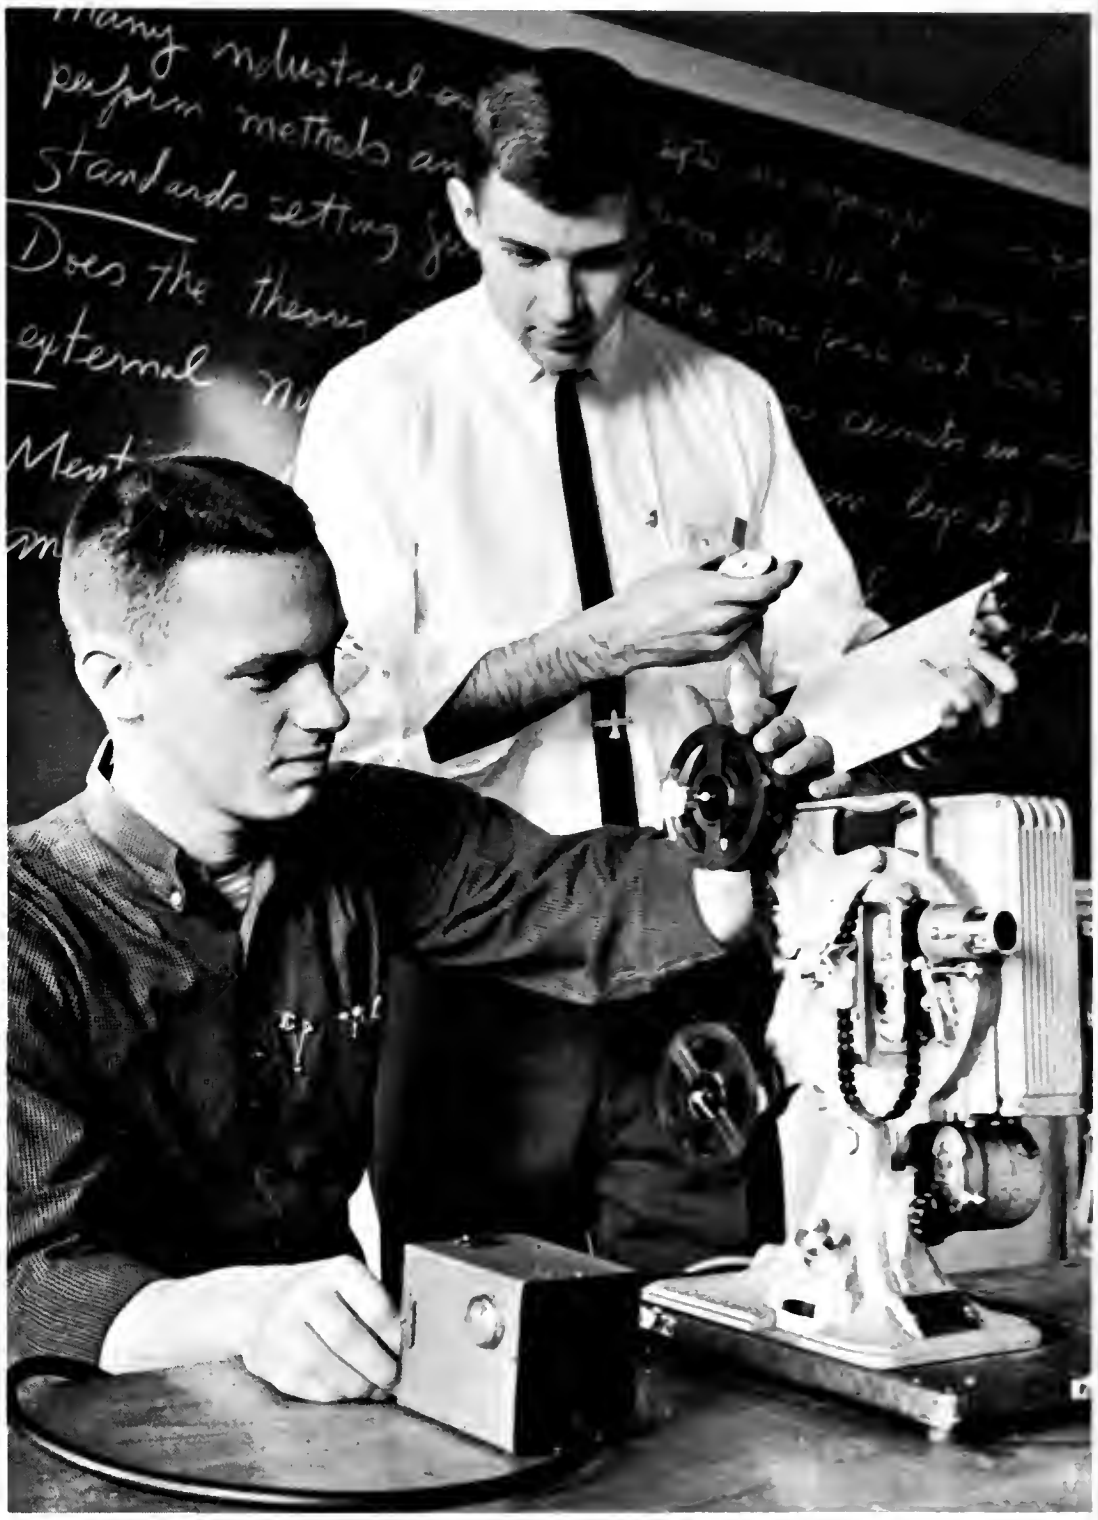
Elementary education majors display their puppets. products of Handicrafts class.

A business major designs an industrial plant layout.

Denny Murphy practices proper sales pitch.

College of Business Administration

The goal of the College of Business Administration is to send forth trained business people who have attained a high degree of intellectual and professional competence. Since 1919 there have been courses offered in the Department of Commerce. It was in 1953 that these were combined with other related fields and made into a separate college. The Master's program has been quite successful and satisfactory this year, as enrollment in the M.B.A. program is steadily increasing with each semester. A management development program was sponsored by the College of Business Administration in cooperation with Indiana University and held during the spring semester. The seminar consisted of eleven full days of conferences and discussions on Thursdays of each week from March 7 to May 16, 1963.



Lenny Hoag and Bob Whiddon do a time and motion study.

A future businessman learns how to operate a computer.

College of Liberal Arts

Future speech therapists practice as they study.

Liberal Arts is the oldest college on the campus. In 1913 the City took over the college with the understanding that the college of liberal arts would be forever known as the Buchtel College of Liberal Arts. This was requested so that the name of John R. Buchtel, the founder of the college, would be perpetuated.

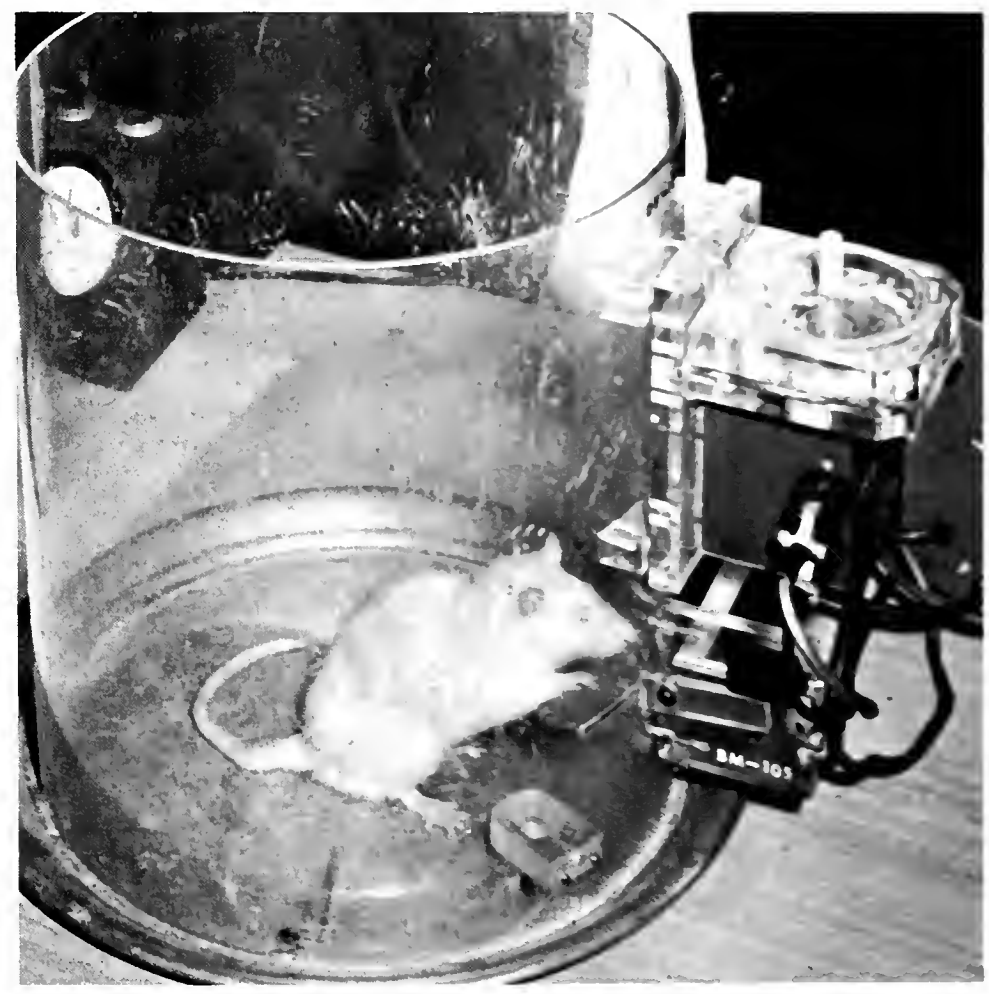
There are eighteen departments of instruction and one hundred seven full-time faculty members in the college. The college has three divisions: Natural Science, Social Science, and Humanities.

Many more students have been entering liberal arts in the past few years, and graduate work has also increased.

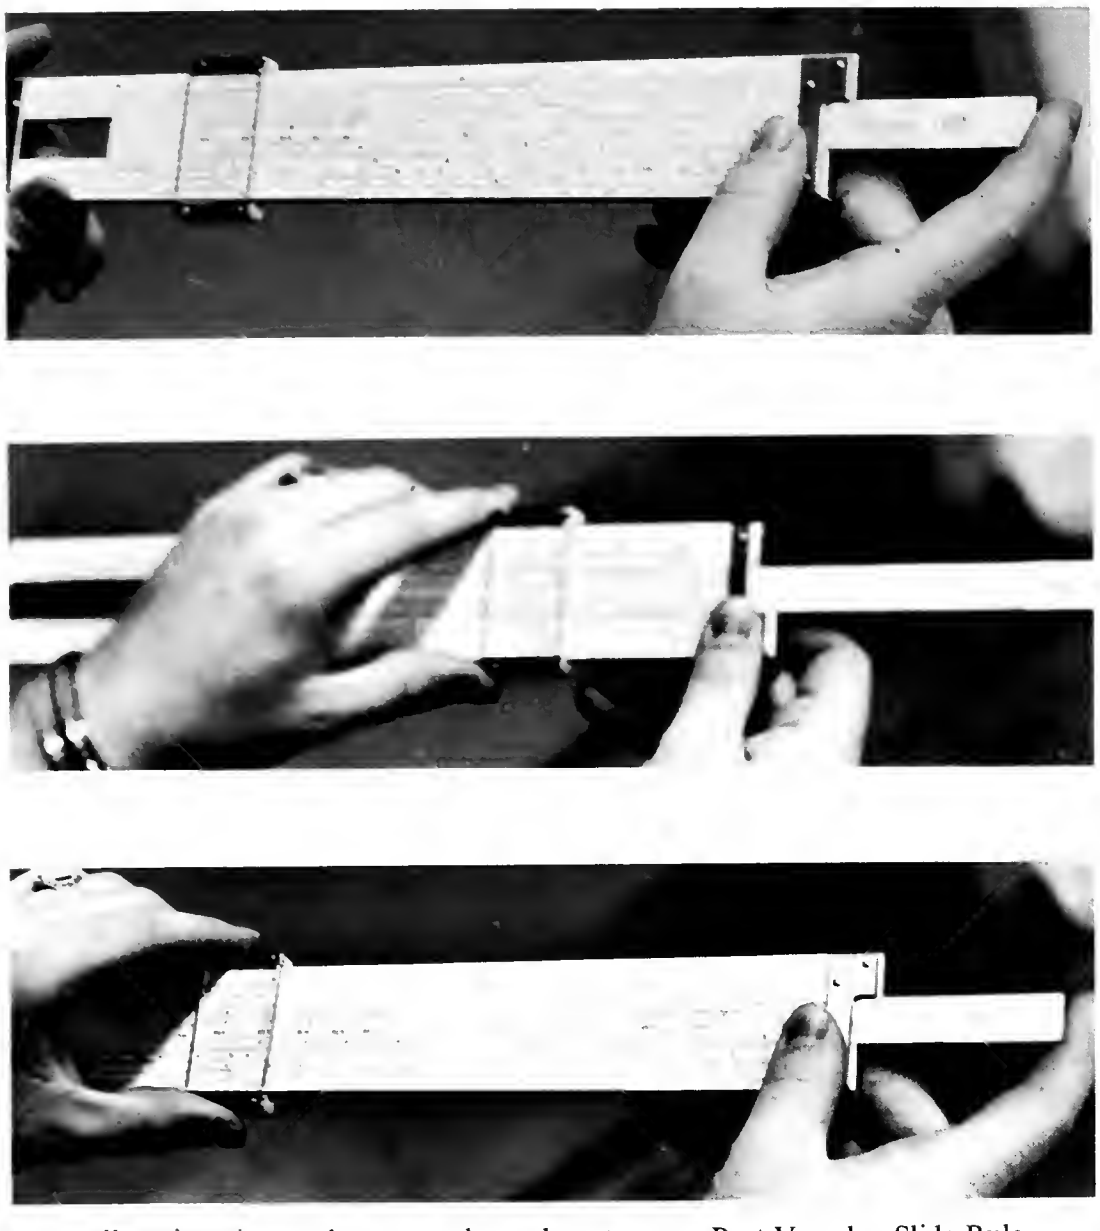
The college is growing; next year there will be a new department of geography and geology.

The new language laboratory enables students to practice conversational technique.

A student measures the hemline of her classmate's new skirt.



A study in classical conditioning: Rat pushes bar. Will he get food or a shock?



All engineering students must know how to use a Post Versalog Slide Rule.

College of Engineering

The College of Engineering is celebrating its fiftieth anniversary. This college has three separate departments: Electrical, Mechanical, and Civil.

At the present time electrical engineering is one of the fastest growing fields in the country. Percentage-wise more boys are going into electrical engineering than into the other branches.

During the past year Professor George Manos of Civil Engineering worked with the A.I.D., a federal program designed to aid foreign people from South America, the Near East, and the Middle East in a study of able management of water utility systems. While handling this instruction, Professor Manos traveled to Bogota, Colombia, with the other participants.

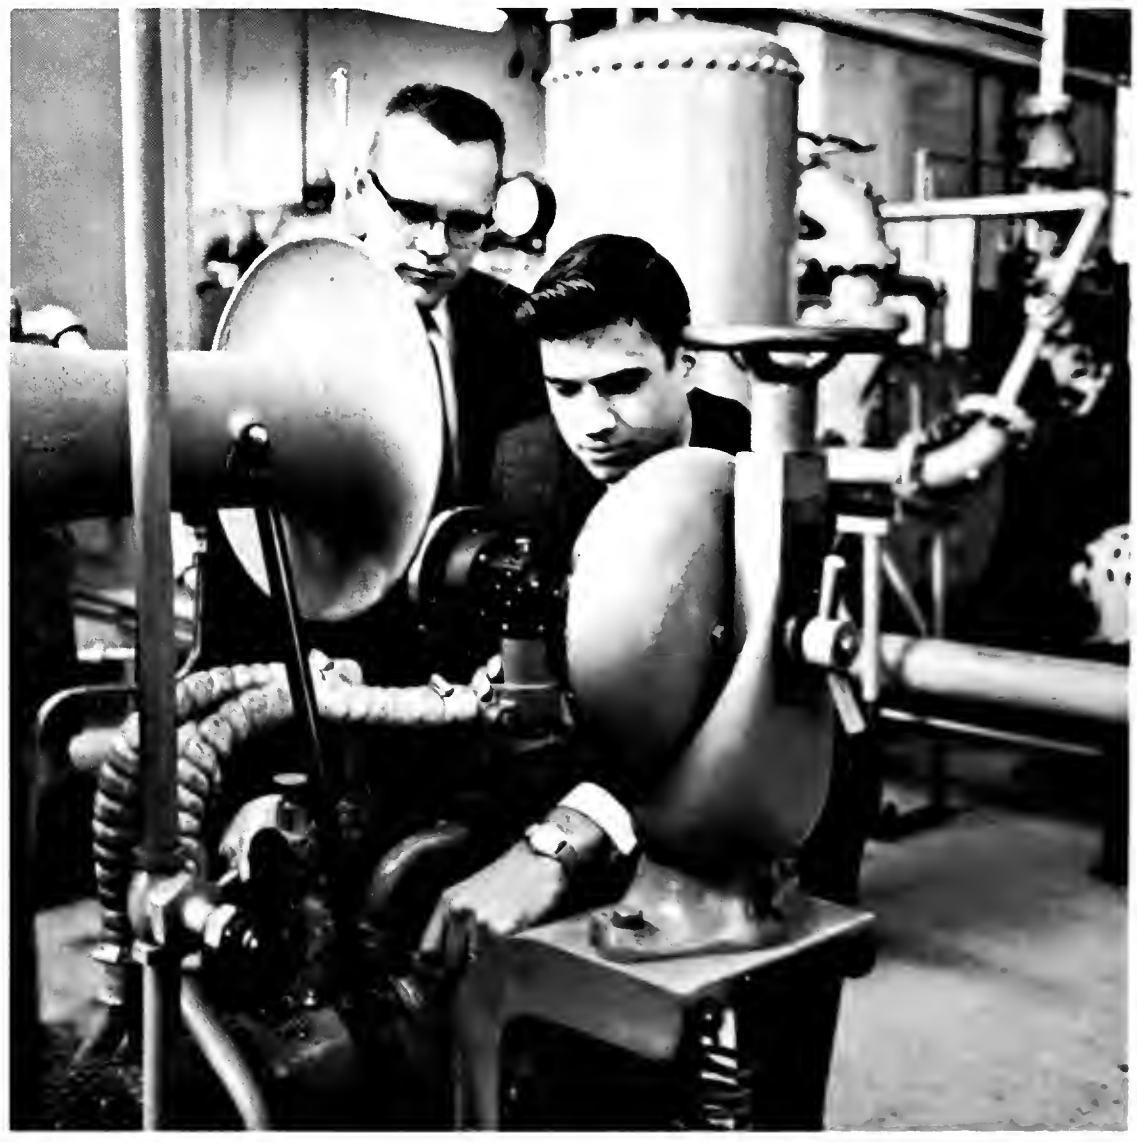
The Department of Mechanical Engineering has a new gas turbine. This is a specifically instructional experimental piece of equipment which was built in England. It is valued at eight thousand dollars. Several students are doing undergraduate theses involving this new equipment.

Civil Engineering students practice their surveying techniques.

Civil Engineers also spend a good deal of time in the sanitary lab.

Electrical engineers learn how to replace a blown fuse . . . or something . . .

Mechanical Engineers work with their new gas turbine.



Modern Dance is a popular offering for women in the required physical education program of General College.

General College

The General College is the administrative unit of the University in which all freshmen and sophomore students are enrolled, about 2400 persons in day school.

Administratively, the General College consists of the Department of General Studies and the Department of Associate Programs. The large group of students enrolled in the pre-clinical nursing program is also an important feature of the General College.

The courses taught by the Department of General Studies are a vital part of the education of all Akron University students. These are all those courses carrying the code number 1, as in 1:1 Written English, 1:13 Reasoning and Understanding in Science, or 1:17 Western Cultural Traditions. For most students, these General Studies courses amount to 38 semester credits, often more than are taken in the major field. Since they extend throughout the student's program, from the freshman to the senior year, no student is ever long out of contact with the Department of General Studies.

Dr. Vyverberg lectures for Western Cultural Traditions.

Art classes include much more than just painting and drawing.

Community College and Evening College

Since its beginning in 1937, the Community College has offered non-credit courses. Currently Community College provides a broad counseling service in addition to classes. For the past two years this adult education division has offered more than 100 courses each semester.

In the University's Evening College, courses are offered for academic credit. It is interesting to note that 98 per cent of the graduate program is scheduled in the evening. Enrollment stood at 3,354 in the Fall of 1962: in the Spring term of 1963 it was 3,164.

The College of Law holds its courses in the evening.

Dame Judith Anderson

The Year... ...Culturally

Town and Gown features...

dame judith anderson

Dame Judith Anderson, knighted by Queen Elizabeth II and considered one of the greatest actresses of the American theatre, opened the eighth annual Akron University Town and Gown series on November 4, 1962. She performed two award-winning dramas, "Medea '62" and "Lady Macbeth." Miss Anderson's television performance of "Lady Macbeth" won for her the 1961 emmy award for the best performance by an actress. It has been said of Miss Anderson's performance of the condensation of Robinson Jeffers' drama, "Medea '62," that "the role of a revengeful Medea has been so vivified that no other players would scarcely be brash enough to attempt it."

The second Town and Gown series, on November 11, 1962, brought The Music Man to cast a merry musical spell over everyone within earshot. The Music Man, better known as Meredith Willson or the Pied Piper of Broadway, was accompanied on this "Musiclecture" by his lovely wife Rini. Meredith drew such vivid animations and brilliant wit from his musical experiences that the audience demanded two encores. Meredith's music career commenced when he was a piccolo player for John Phillip Sousa. His climb to success began when he became the first flutist for the New York Philharmonic. Later he joined NBC as general director of the Western Division, with headquarters in San Francisco. During the ensuing ten years Meredith was a busy man, directing as many as 17 musical radio programs a week.

meredith and rini willson

Rini sings "Goodnight My Someone" as Meredith accompanies her with "Seventy Six Trombones."

Vincent Price with President Auburn

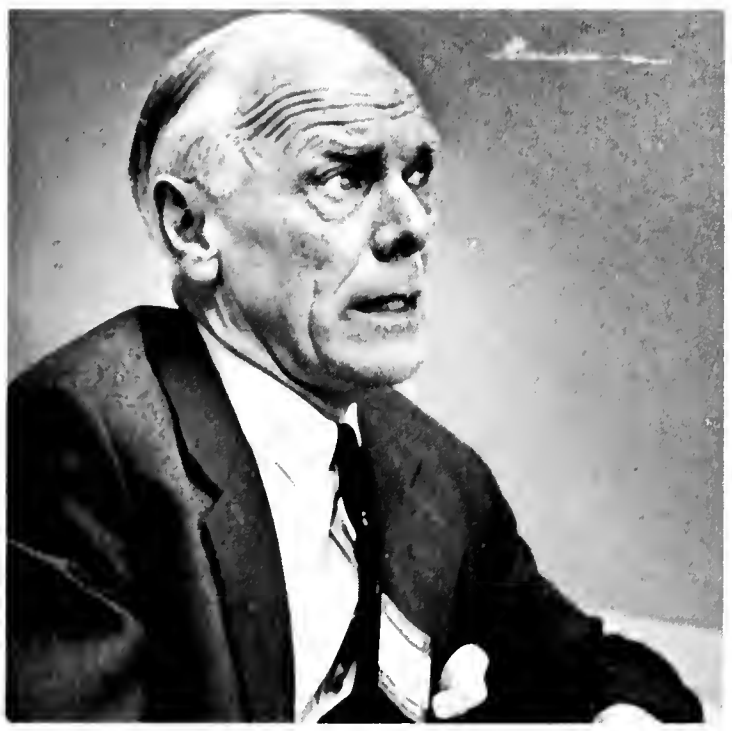
vincent price

Vincent Price made a return engagement to Town and Gown in March. His topic was "Artists on Art and Society: Comments From the World's Great Painters."

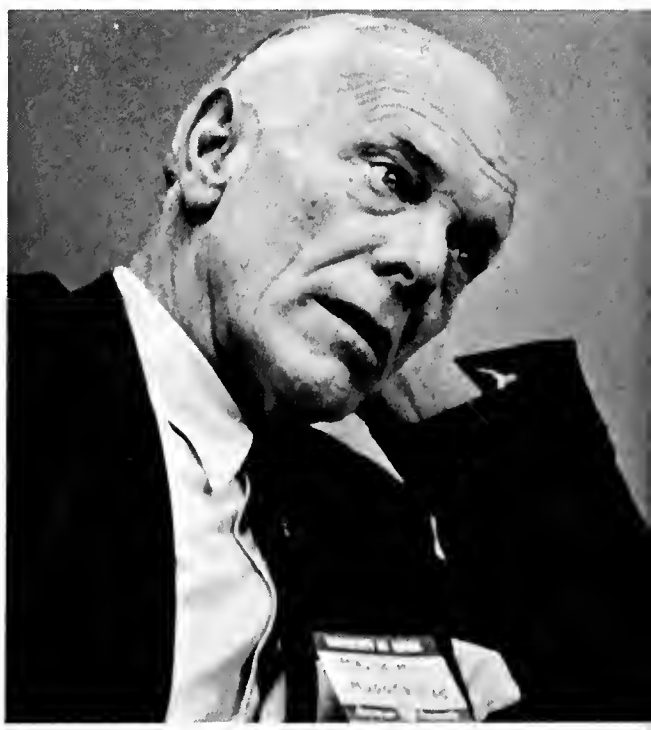
This man, whose first Rembrandt, bought on time at the age of twelve, sparked a lifelong passion for fine art, says that through his work he is trying "to educate, inspire, and satisfy the hunger for good art in this country."

In addition to being a collector and critic of art, Mr. Price is a distinguished actor and a member of the Fine Arts Committee for the White House.

Ah . . .



Well . . .



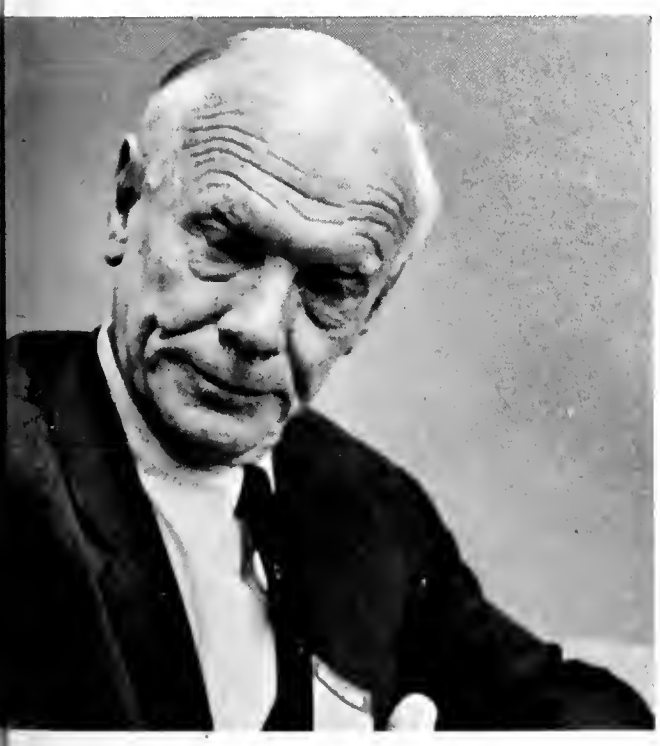
ralph bunche

United Nations Under Secretary for Special Political Affairs, Ralph Bunche, spoke on "United Nations in the Congo: Fallacy and Truth" at the February Town and Gown program.

According to Dr. Bunche, Katanga secession is only a myth. President Moise Tshombe is holding out only for a confederate union, less centralized than that proposed by the Congolese central government.

Statesman Ralph Bunche

Hmmm!



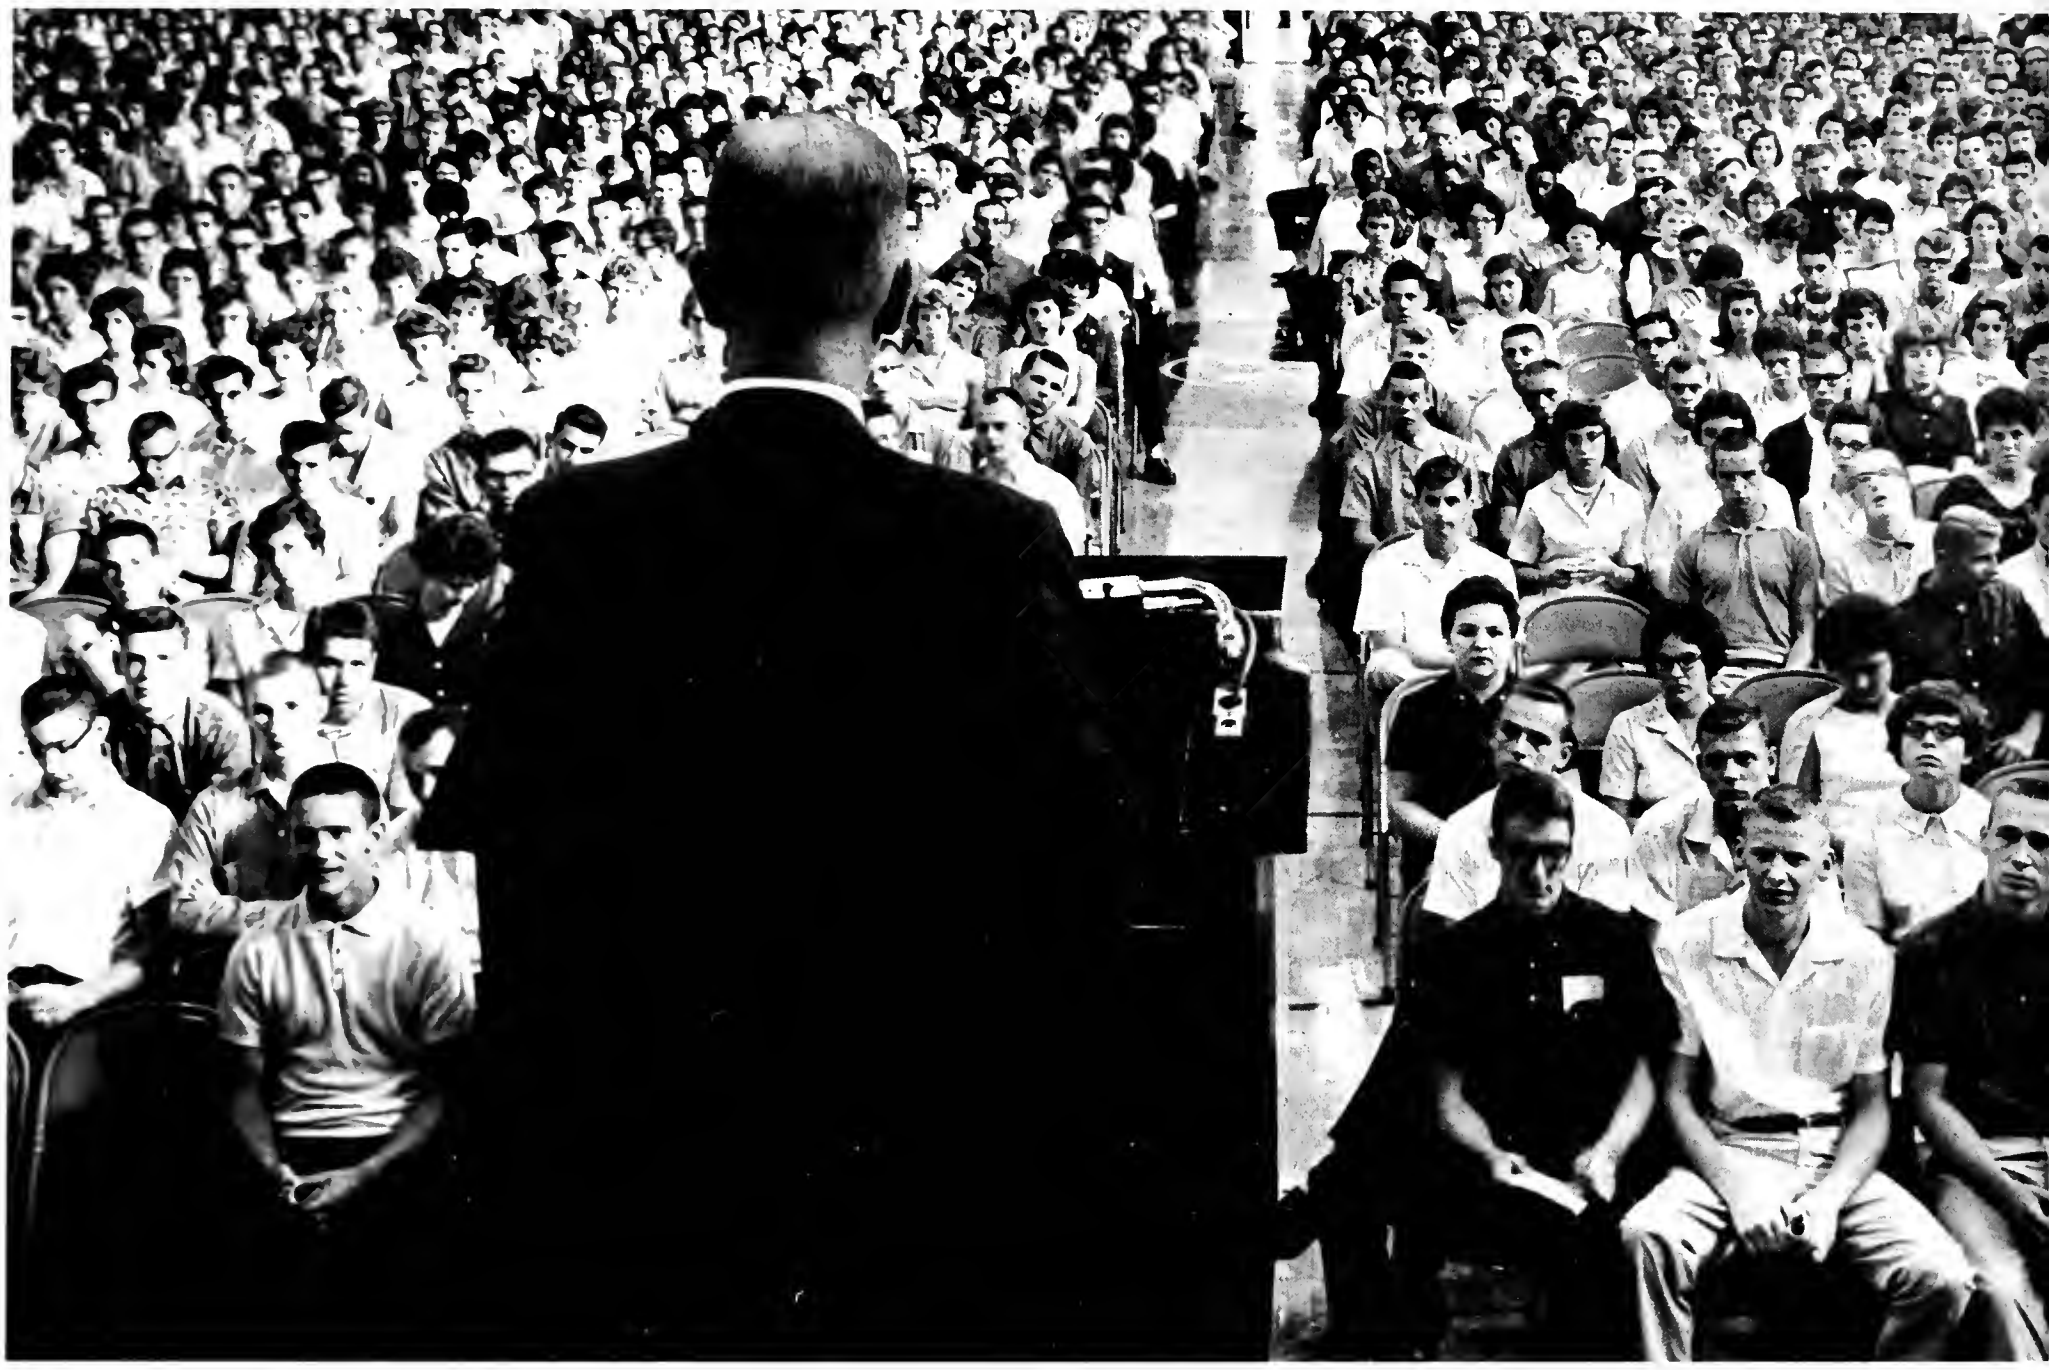
malcolm muggeridge

An advocate of non-conformity, Malcolm Muggeridge discussed "Our Chances for World Peace" in the December Town and Gown program.

Regarding world peace, he believes that coherence will prevail in the end, not so much for moral or political as for technological reasons.

A world traveler, Mr. Muggeridge has also taught at universities in India and Egypt and written for various newspapers and magazines. His article, "Does England Really Need a Queen?" caused an uproar on both sides of the Atlantic.

Convocations



President Auburn addresses students at annual Fall President's Convocation.

Four all-campus convocations enlivened the calendar this year. At the President's Convocation in September, Dr. Norman Auburn stated that Ohio must invest in space research to keep pace with our "Age of Change," title of his talk. President Auburn issued a challenge to AU students to "strive for excellence in all you undertake." This convocation also marked the tenth anniversary of the Akron Adult Education Council.

Founders' Day Convocation, December 12, paid homage to the dedication and foresight of those who established the University and its predecessor, Buchtel College. Acting Dean Dr. George Knepper of the Liberal Arts College discussed "The Founders—Sidelights on the Buchtels and Dr. Kolbe." Dr. Everett N. Case, President of the Alfred P. Sloan Foundation, delivered the Convocation address, followed by conferral of honorary degrees and a trip to Glendale Cemetery to place wreaths on the graves of the University's Founders.

In April, at the Spring Convocation, noted television producer and conversationalist Arnold Michaelis spoke on "Portraits of Greatness." His subject was an assessment of the qualities of greatness common to leaders of thought from the world stages of statesmanship to the humanities and the arts. He played recordings of his conversations with Eleanor Roosevelt, Adlai Stevenson, Nehru, and Maurice Chevalier—interviews hailed as remarkable revelations of character and personality.

Honors Day Convocation recognized students with high scholastic achievement—those on the Dean's List and members of honoraries. Two outstanding June graduates, Sandra Banyar and James Whitemyer, gave short talks emphasizing the importance of scholarship in a college career.

Graveside ceremony honoring University of Akron founders follows the annual Founders' Day Convocation.

June graduate James Whitemyer speaks on the "pitfalls" hindering scholastic achievement in college at the Honors Day Convocation.

University Singers—*Row 1:* B. Jones, J. Mohler, B. Lammlein, E. Snow, L. Prehoda, V. Ilioff, J. Davis, N. Stocker, P. Robert, J. Roberts, C. Puckett, B. Puckett. *Row 2:* Conductor John MacDonald, M. Hutchins, P. Cobb, B. Frutchey, E. Vollert, A. Lile, G. Fletcher, M. Hockenberry, C. Knight, N. King, B. Sassaman, P. Shook, P. See, R. George, S. Herrick. *Row 3:* K. Wolfe, J. Zeno, D. Chapman, S. Kiltau, G. Glover, C. Adey, D. Bonnell, N. Rachosky, B. Sanko, P. McGlothlin, R. Cooley, T. Zuschin, J. Flanagan, J. Shoenfelt, D. Williams, F. Heyburn, H. Arble.

Singers, Ensemble

"Carmina Burana" and Bach's "Christmas Oratorio" were the two major presentations of the University Singers this year. "Carmina Burana" was done with the Akron Symphony Chorus and Orchestra under the direction of Louis Lane.

Other events featuring the University Singers included the Fine Arts Festival, Baccalaureate, and a Christmas Program at Stan Hywet.

The Choral Ensemble, a smaller group from the University Singers, sang for many special University and civic events throughout the year.

Choral Ensemble—*Row 1:* B. Puckett, G. Fletcher, C. Puckett, B. Frutchey, B. Jones. *Row 2:* H. Arble, C. Adey, J. Adey, D. Chapman, D. Williams.

Orchestra

Playing for the dedication of the new Education Building was only one of the many University Orchestra activities this year. They also participated in the Student-Faculty Campus Night, Commencement, and Baccalaureate; presented several formal concerts at the Firestone Conservatory and a series of summer concerts, and provided small ensembles to play for receptions.

The Orchestra, under the direction of Dr. Henry P. Smith, consists of both students and citizens of the community.

Dr. Smith leads the Orchestra in a stirring orchestral rendition.

Band

With the first football game in late September the University Band's busy schedule began. Under the direction of Mr. Darrell F. Witters, the band played at all home games of U. of A. football and basketball teams.

In January the band participated in the Intercollegiate Band Festival with Edwin Franko Goldman as guest conductor.

They also performed for the Presidential Convocations, May Day parade, and May Day ceremonies. The annual concert was held in April at the Firestone Conservatory. Selections ranged from Joseph Haydn's Farewell Symphony No. 300 to songs by Leonard Bernstein from West Side Story.

A summer series of outdoor concerts presented under the arch of Kolbe Hall concluded the Band's activities this year.

The Band poses before its annual concert held in April at the Firestone Conservatory.

On Stage . . .

the heiress

The Heiress, a story of a shy, plain girl who falls in love with a young fortune hunter who is attracted only by her expected wealth, came to life in Kolbe Theatre October 18-20, and 25-27, under the direction of Donald S. Varian. The action of the play was intensified by the extremely protective father, Dr. Austin Sloper, played by Dave Larrimer. Sloper's daughter, Catherine, was portrayed by Mary Felver. Catherine's young beau, Morris Townsend, was played by Dick Edwards. Joanne Blair, as Mrs. Penniman, and Carolann Grimaldi, the Sloper's maid, along with Barbara McSweeney, Deanna Downing, Dan Salden, and Frances Ryan made up the rest of the cast.

as you like it

Shakespeare's play, *As You Like It,* was presented in Kolbe Theatre the weekends of December 6-8 and 13-15. This Shakespearean comedy is set in the Forest of Arden where shepherds lead an easy life and everything is "as you like it." The play evolves around the love of Orlando (Jerry Folden) and Rosalind (Carole Debaer), both exiled by Orlando's brother, the wicked Oliver (Gordon Welty). Here disguised as the boy Ganymede, Rosalind tests Orlando by asking him to make love to her as if she were Rosalind. This elaborate masquerade adds both humor and enjoyment to the play. The penitent Oliver goes to Ganymede and falls in love with Rosalind's cousin, Celia (Carolann Grimaldi), who has accompanied her into the forest. The play ends happily with the marriage of Rosalind and Orlando, and Celia and Oliver.

University Theatre

Experimental Theatre

Four one acts were presented at the Experimental Theatre during the week of January 9-12. "The Casket Maker," a Hitchcock type comedy, was directed by William Dremak and written by Richard Stockton, a 1953 Akron University graduate. The thriller engaged only two performers, Cornelius Young II as Kenny and Perry Wilson as Angela.

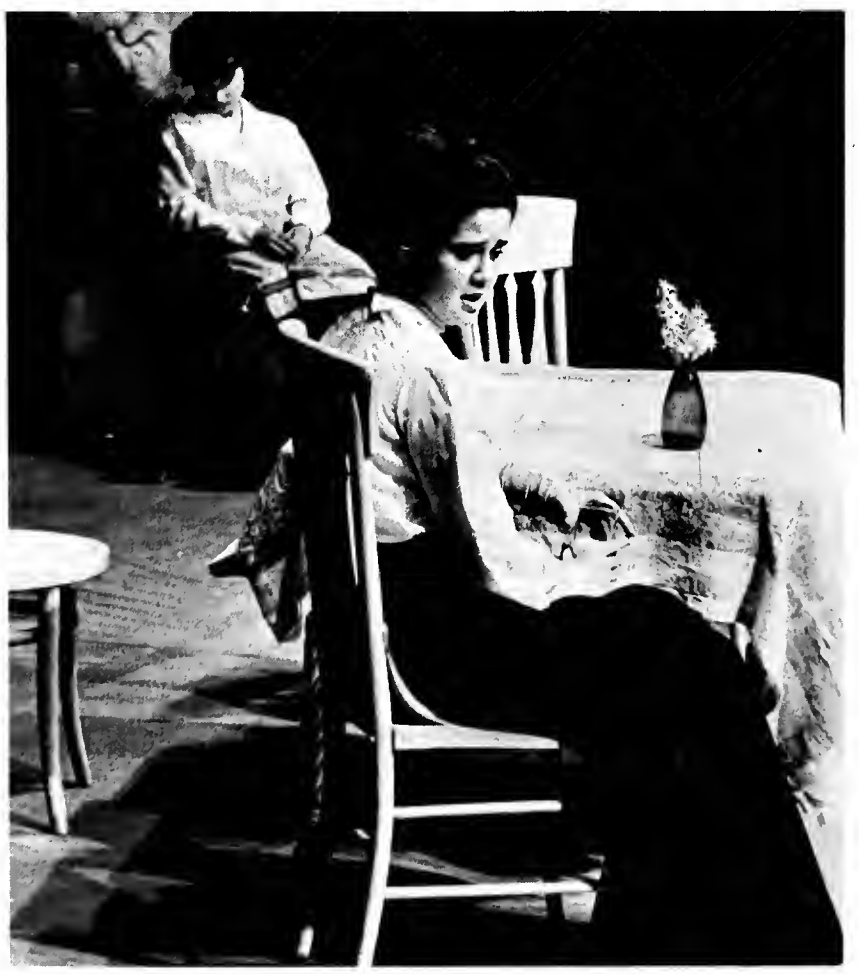
The second play, "Impromptu" by Ted Mosel, was directed by Jon Sample. In this thought-provoking play four actors, Celeste Billhartz, George Dick, Tanya Schock, and Dave Pagnard, are thrust upon a bare stage to improvise a play. The "improvisation" actually becomes a vivid portrait of their own twisted personalities.

"How He Lied to Her Husband" is a farce written by George Bernard Shaw. The play was directed by Bob Hicks. Jerry Folden, the lover, attempts to explain letters written by Aurora, Judy Boynton, to her husband, Bruce Brodsky. The laughter results from this futile attempt.

"Miss Julie" by August Strindberg portrays a clash between faltering aristocracy and the rising middle class. This dramatic and moving play was directed by Jane Root. Carolann Grimaldi portrayed Miss Julie, Bob Smith played Jean, and Nada Cumbridge played Kristin.

George Dick, as Ernest, converses with Celeste Billhartz, the cynical Winifred, in "Impromptu."

Carolann Grimaldi, as Miss Julie, complains of her loneliness.



Miss Julie in a pleading moment . . .

As the casket maker, Kenny tells Angela about his "trade."

In "How He Lied to Her Husband," Aurora's lover relates poetry he has written for her.

Kenny, with a devilish look, shows Angela one of his many pranks.

Ellen Varian displays a wide variety of moods in her portrayal of Joan of Arc.

the lark

The Lark, fourth University Theatre production this year, brought to Akron U's stage a vivid portrayal of the trial of Joan of Arc. The play starred Ellen Varian as Joan, the country girl who was inspired by unearthly voices to lead the armies of France against the invading English, to crown a king and, then, be burned for her faith and her deeds. As Joan tells her listeners what she hears and what she does, her story comes forcefully alive.

Other cast members included Dan Salden, Ray Falcione, Kathy Kelly, Larry Dooley, John Spalding, Bob Hicks, Tom Lyttle, George Dick, Carolann Grimaldi, Deanna Downing, Bill Dremak, Sharon Donahue, David Long, Bob Heinish, Ed Shahmouradian, Steve Stanford, John Verde, Susan Sweet, and Ronald Corbin.

Written by Jean Anouilh and adapted by Lillian Hellman, the play was directed by Donald S. Varian.

George Dick as Sir Robert DeBeaudricourt accuses Joan of having hallucinations.

the beaux' stratagem

University Theatre closed its 1962-1963 season with *The Beaux' Stratagem,* an eighteenth century comedy of manners written by George Farquhar. The plot concerns Archer, portrayed by Jerry Folden, and Aimwell, Hal Lerch. These two down-on-their-luck gentlemen, disguised as master and servant, travel the countryside in pursuit of young ladies and their fortunes. Kathi Middendorf and Carole DeBaer also played leading roles as Mrs. Sullen and Dorinda. Directed by Dr. James Dunlap, the play was marked by spontaneity and rollicking good humor.

Aimwell (Hal Lerch) pretends to faint in order to attract the attentions of the ladies—here Dorinda (Carole DeBaer) and Lady Bountiful (Jane Root)—as Archer (Jerry Folden) watches.

Refreshments and conversation with the cast in the Green Room provide additional interest and enjoyment after each University Theatre production.

Met soloist Heidi Krall and Conductor Louis Lane provide an excellent climax to the Fine Arts Festival.

Fine Arts Festival

Art, music, and drama highlighted the Fifth Annual Fine Arts Festival held May 10-12. The Festival began Friday evening with a faculty concert at the Firestone Conservatory. Dr. Farley K. Hutchins, organist and head of the University's Music Department; Arthur Reginald, pianist, and Mrs. Grace Reginald, mezzo-soprano, were featured artists.

Saturday, the University Theatre presented two performances of George Farquhar's comedy of manners, *The Beaux' Stratagem,* directed by Dr. James Dunlap.

The Spring Show of the Art Department, held Sunday afternoon in the Student Center, gave art critics an opportunity to view the faculty and student art exhibits. Also, noted architect Christopher Tunnard gave a lecture entitled, "Improving Community Appearances." Mr. Tunnard, Director of the Graduate Program in City Planning of the Yale School of Art and Architecture, illustrated some of the means of beautifying the community.

Climaxing the Festival was a concert Sunday evening in Memorial Hall. Featured soloist Miss Heidi Krall, Metropolitan Opera soprano, thrilled a capacity crowd with her excellent renditions of Puccini's "Vissi d'arte" and Boito's "L'altra notte in fondo al mare." Appearing with Miss Krall were the Akron Symphony Orchestra, conducted by Louis Lane, and the University Singers, directed by John MacDonald.

Freshman receptions—Sorority rush begins early.

Orientation

This summer was a busy one for both new freshmen and upperclassmen, who served as counselors. Three different Sunday afternoon receptions helped the counselors meet and acquaint the new freshmen with life on the Hilltop.

With the help of scrapbooks, yearbooks and refreshments, the freshmen received their first look at college life. These receptions were held at the homes of Mr. and Mrs. Alfred Herberich, Mr. and Mrs. John Denison and Mr. and Mrs. Russell DeYoung, all members of the University Alumni Association.

Orientation Week for the freshmen began on Sunday, Sept. 9, with the dedication of the Gertrude F. Orr Women's Residence Hall and Men's Dormitory II. President Norman P. Auburn and Dr. Dominic Guzzetta, Vice-President and Dean of Administration, began the Sunday program by addressing the freshmen and their parents in a convocation in Memorial Hall. Keys to the new buildings were given to the University by the architect and an oil painting of Mrs. Gertrude F. Orr was unveiled. Mr. and Mrs. Owen Orr contributed $175,000 toward the construction of the new residence hall.

Following the convocation the new freshmen had an opportunity to tour the new residence halls and campus buildings. Serving as guides were members of the University Women's Committee, University Deans and Department Heads, Faculty members, members of the Alumni Council, freshmen counselors and the resident advisers.

Mr. and Mrs. Owen Orr unveil the portrait of his mother, for whom Gertrude F. Orr Hall is named.

Freshman Counselor Camp—"Let's keep our eyes on our own paper!"

The Year...

...Socially

"This beats studying."

Week

"Starting off on the right foot?"

While the freshmen were happily preparing for their first year of Hilltop life, the counselors were also preparing for their new job. Spending a week-end at Camp Y-Noah, they were briefed on their responsibilities by faculty members.

On Monday, Sept. 10, over 1,000 new freshmen converged on the campus, eager to begin their college careers. They were welcomed by President Norman P. Auburn, who opened Orientation Week with a talk on "College Duties and Responsibilities." Lectures by various faculty members over closed circuit television, followed by discussions led by the counselors, filled the busy Orientation Week schedule.

The four day program was concluded with a summary by Dr. Dominic Guzzetta, Vice-President and Dean of Administration of the University. Following this, Mr. Nick Yancura, President of the Student Council, inducted the new freshmen into the Student Body.

Student-Faculty Campus Night

Student-Faculty Campus night became a new event this year at U. of A. It combined the traditional Freshman Welcome Dance and the Student Faculty Reception Friday, September 28, as the beginning of Acme Zip Weekend. The evening began in Memorial Hall with Women's League sponsoring a get-acquainted reception for new and old students and faculty. The entertainment was provided by a string group. By 9 p.m. jazz pianist Gene Fiocca was on hand to provide the latest in the world of jazz. He was followed by the first pep rally of the year. With the cheerleaders leading yells the 1962 Zip football squad and new marching band were introduced. But the program was only half over. Dick Moloyan and his band provided entertainment and dance music until midnight. Helping the band out was a popular campus group "The Wanderers."

Student-Faculty Campus Night featured an enlarged "A" Book containing displays of events throughout the year.

Preceding the dance, President and Mrs. Auburn and student leaders greeted students.

At half-time, five marching bands formed the word Akron.

Acme Zip

Before the largest crowd in its history, 36,563, the Acme-Zip game celebrated its ninth year with a 13-7 victory over Baldwin-Wallace. The wildly enthusiastic crowd saw the Zips win their second Conference game and witnessed a dazzling half-time show.

Under a fireworks display reading "Let's Go Zips" the marching band came onto the field. With the help of a barbershop quartet they serenaded the sweethearts of campus fraternities. Presented were: Nancy Adamson, Lambda Chi Alpha; Carol Bialy, Newman Club; Cheryl Chapman, Phi Sigma Kappa; Pam Cook, Phi Kappa Tau; Janice Fahey, Men's Dorm I; Candy Johnson, Independent Student's Association; Ricki Kastan, Alpha Epsilon Pi; Judy Lutes, Theta Chi; Elaine McReynolds, Alpha Phi Alpha; Dorothy-jean Pearson, Men's Dorm II; Jeanette Putnik, Phi Delta Theta; Nancy Stocker, Tau Kappa Epsilon; Kay Thompson, Pi Kappa Epsilon (Lone Star).

Half-time was completed by a brilliant precision performance by the Coventry Comets. A flashing display of fireworks by the Shriners ended an unforgettable night.

The Acme-Zip crowd was the largest ever.

Two members of the soccer team and their dates watch Akron make another first down.

Fall semester had barely begun when freshman women found themselves in the mad swirl of sorority rush. This year 180 girls visited the 10 different sorority houses in a month filled with parties. Rush began with a Mother-Daughter Reception early in September. Freshmen viewed displays of sorority jewelry and scrapbooks. Panels of sorority women and alumnae explained the often-times mysterious aspects of sorority life. Armed with Panhellenic guide books and a thousand questions, rushees began the tour of sorority homes in a series of house chats. Every Friday there was a trip to the Panhellenic mail room where invitations to the following week's parties were issued. Following the Bermuda Parties came the most interesting parties—the theme parties. Rushees ate with chopsticks, did the highland fling, ate cotton candy or attended Peter Pan's "Never—Never Land." Finally came Formal Desserts, usually held in the homes of local sorority alumnae. By now the rushees had limited their choice of sororities to two. This final party marked the end of communication between rushee and sorority women. For one day there was absolute silence and by Wednesday afternoon, the day of bidding, the air was filled with tension. But at 5 p.m., the time of pledging, the air suddenly became alive with cries, laughter and screams as sorority women embraced their new sisters. After pledging there was supper, followed by a serenade by Theta Chi Fraternity with their traditional red carnation and kiss for each new pledge.

Mrs. John Ladick and daughter Cheryl, discuss rush with Joan Root, Panhellenic President; Miss Sidney Crouch, Panhellenic Adviser; and Pat Rozewicz, Panhellenic Rush Chairman.

"Little do they know it's angel hair! !"

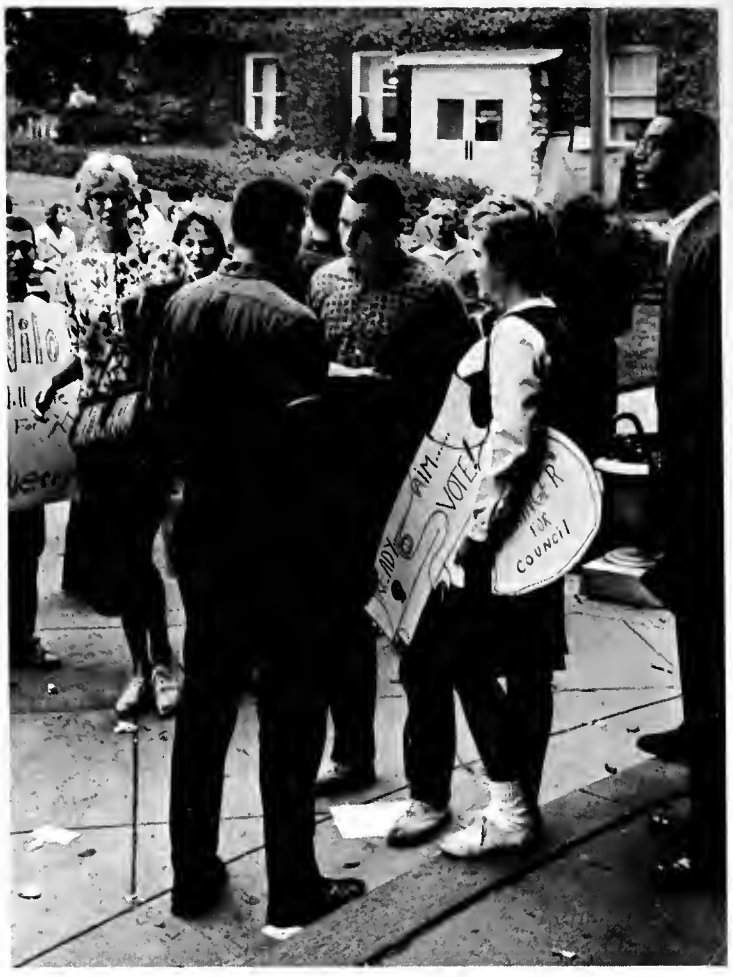
Rush

Is this training for the Peace Corps?

After a month of rush, Cheryl pledges.

Serious politics dominates collegé life.

Class Elections



"Yes, we've chosen her to lead France against England."

Weeks of campaigning were climaxed on October 12 with the election of class officers and freshmen Student Council members. Posters and candidate's pictures appeared throughout the Hilltop buildings. Forty freshmen vied for the ten Student Council seats. Campaigners distributed matchbooks, suckers and folders, explaining their platforms, in hopes of winning votes.

The final tally of votes revealed the ten new members of Student Council: Betty Zager, Dick Querry, Michele Weaver, Ted Mallo, Tim Donohue, Fred Milo, Mike Kesselring, Sue Dieringer, Cheryl Lucchesi and Sherron Sanders. Elected to lead the Senior Class was Roger Read and Junior Class President was Bill Stevens.

"I thought this was the cafeteria line."

Ox Roast

Homecoming weekend began with the annual Ox Roast. A torch light parade started the festive weekend. With the help of Paul Bunyon, his ox and the kangaroo mascot everyone made it successfully to the Chuckery for food and more fun. Entertainment was provided by Alpha Gamma Delta, Delta Zeta, and Theta Phi Alpha sororities. Tension mounted as the Reserve Cheerleaders were announced. Pam Cook, Pat Baumgarten, Mike Kesselring and Helen Bycura were the lucky girls. On hand to help them lead the cheers for the Zips was "Red" Witters and his famous fight cheer. The evening ended with twisting to the music of the "Nitecaps."

Metrecal curbs your diet.

President Auburn assists at the Ox Roast.

"O.K. let them lock the Student Center!"

You know, it's hard for me to reach the brake this way!

Homecoming

The Homecoming game on Saturday afternoon at the Rubber Bowl proved to be the high point of the weekend. Before an enthusiastic, screaming crowd of alumni and students the Zips stomped Wooster 42-0, making it their fifth straight victory.

At half-time, through an arch provided by members of the band, the Homecoming Queen candidates were presented. Tension was high until the announcement of lovely Jeanette Putnik as 1962 Homecoming Queen. She was the candidate of Phi Delta Theta. Elaine Baker, the candidate of Lone Star was the Queen's crowner.

On hand to congratulate the queen and her court and welcome the alumni and their families was Lawrence Baker, President of the Alumni Association. The band also played several numbers to honor the Homecoming Queen and her court.

Despite the rainy afternoon the spirits of the victorious Zips couldn't be dampened as the happy crowd left the Rubber Bowl.

Elaine Baker, crowner and Jeanette Putnik, Homecoming Queen

"Too bad we can't talk like this at school."

Jeanette Putnik and her escort Bob Moore.

The Homecoming Dance, which followed the afternoon game, was a success with the presentation of the Queen, Miss Jeanette Putnik and her court at intermission. Each girl was escorted by the president of the fraternity that nominated her. Following the crowning of the Queen by Elaine Baker, the Queen's sorority sisters serenaded her with their sweetheart song. Then Dr. Norman P. Auburn claimed the first dance with the new queen.

Following the presentation of the Queen and her court, A-Keys were awarded to Pat Gates, Bonnie Broadhurst, and Sandy Banyar. The annual I.F.C. All-Sports Trophy was given to Phi Delta Theta Fraternity for outstanding performance in the Men's Intramural Program.

Also tapped during intermission were five new members of Omicron Delta Kappa. The new members are: Bob Moore, Floyd and Lloyd Sheperd, and Ron Smith. Coach Gordon Larson was also tapped for membership.

Elaine Baker and her escort Bob Bickey.

The Homecoming Queen and her court reign at the dance.

"Starlight and Satin," the annual Military Ball, was held Saturday, November 17, in Memorial Hall. To the music of Johnny Nuzum's orchestra members of R.O.T.C. and their dates danced at the only annual formal dance on the University campus.

During intermission the 23 Army and Air Force sponsers were presented through an arch of sabres. They were headed by Miss Elaine Baker, Army Brigade sponser, and Miss Anna Mae Peterson, Air Force Wing Commander. Music was provided by the combined Army and Air Force bands. Cadet Major William Gilbride of the Air Force was dance chairman.

Miss Pardee recalls her trip to the Orient.

Women's League Dessert

The evening of Tuesday, November 20, found the Hilltop Dining Room crowded with coeds for the annual Women's League Dessert. While dessert and coffee was being served, Miss Caroline Pardee spoke. The women then traveled from "Beirut to Bombay to Bali-Ha'i" with Miss Pardee.

Miss Pardee is secretary to President Norman P. Auburn. She spends her summers traveling, bringing back slides and lovely and unusual objects. Miss Pardee displayed material, jewelry and art objects from this trip to the Orient, while she showed her slides.

Immediately following Miss Pardee, four new members of Alpha Lambda Delta were tapped: Margie Cossin, Susan MacFarland, Wendy Nye, and Linda Pope.

Closing the evening's program was the announcement of the Fall semester midterm's top ten pledges: Sue Dieringer led the list followed by: Kay Beam, Lois Weinrich, Karen Kaufman, Dawn Kurinsky, Sherry Burk, Penny Dirrig, Dianne Widmeyer, Cheryl Bognar, and Susan Heckman. Judy Haas was chairman of this year's dessert.

The procession leaves for the cemetery where wreaths will be placed on the graves of past presidents.

Founders Day

Dr. Everett N. Case, president of the Alfred P. Sloan Foundation, speaks at the convocation.

The University of Akron celebrated Founders Day on Wednesday, December 12, with the major convocation address being given by Dr. Everett N. Case, President of the Alfred P. Sloan Foundation of New York. Dean George Knepper related the history of Buchtel College and how it developed into The University of Akron.

During the convocation The University of Akron awarded three honorary doctorate degrees. Dr. Case received an honorary L.H.D.; Mr. Harry A. Bullis, the speaker at the Faculty and University Associates Luncheon, received a LL.D.; and Mr. C. Scott Fletcher, former President of the Fund for Adult Education, received a Litt.D.

The traditional Founders Day is held in memory of John R. Buchtel, the principal benefactor of Buchtel College, and Parke R. Kolbe, the first president of The University of Akron. Originally Founders Day was celebrated in January, corresponding with Mr. Buchtel's birthday; however, since 1959 the date was changed to December, corresponding more closely to the December 15 date when Buchtel College became the municipal University of Akron.

Dean George Knepper gives the history of Buchtel College and the University of Akron.

The winning Theta Phi Alpha group displays their trophy.

Songfest

Quick! To the Pawn Shop!"

The "Sound of Music" filled Goodyear Auditorium December 2 as the sororities and fraternities competed in the annual Songfest. The "Halls of Ivy" copped the first place trophy for Phi Delta Theta Fraternity. Second place fraternity went to Tau Kappa Epsilon, followed by Lambda Chi Alpha. First place sorority trophy went to Theta Phi Alpha for "Echoes." Phi Mu's took second place sorority followed by Delta Zeta.

Trophies were handed out by co-chairmen of Songfest Ellen Thompson and Len Ceglie. Host for the evening was Dean Dominic J. Guzzetta, Vice-President of the University and Dean of Administration, and Master of Ceremonies was Mr. Dudley Johnson, Adviser of Men. During the intermission 33 University students were presented who had been elected to Who's Who in American Colleges and Universities.

Songfest was sponsored jointly by I.F.C. and Panhellenic councils with all the proceeds being given to the Summit County Council for the Retarded Child.

Phi Delta Theta took first place among the fraternities.

Punch or . . .

. . . Wassail.

Christmas Tea

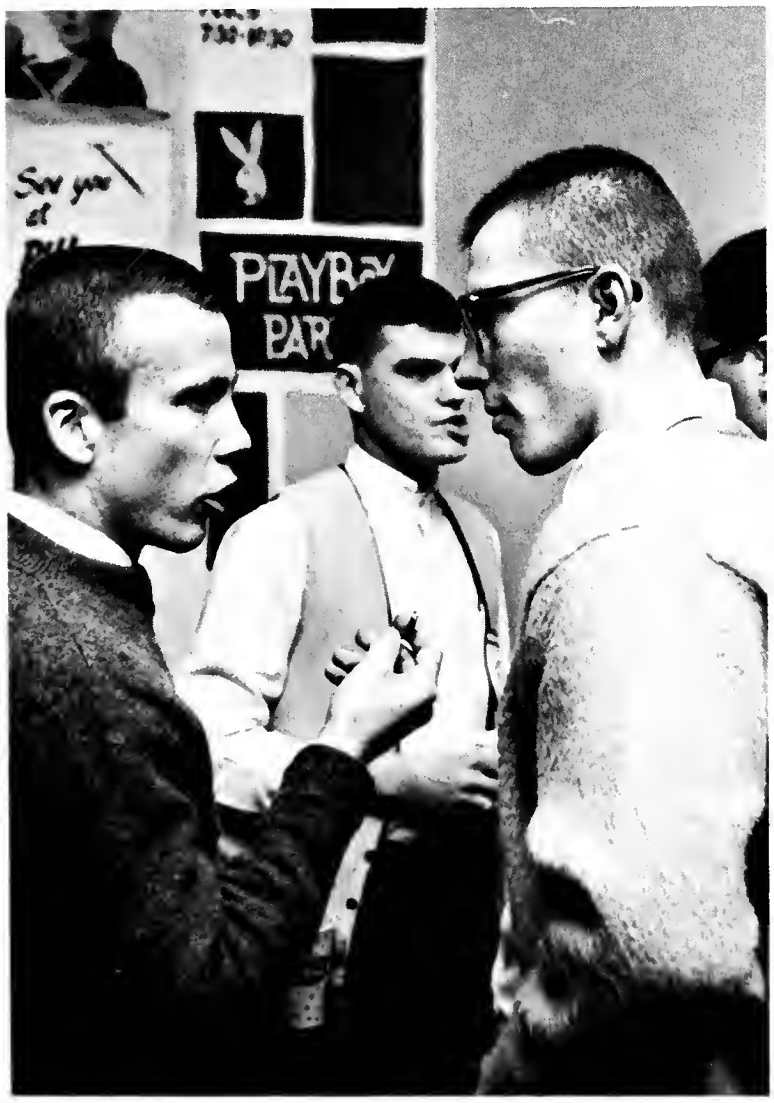
"Aw, come on Doc, how about an A in Science instead?"

The University held its annual Christmas Tea on December 18 in the Summit Lounge of the Student Center. Dean Sumner again was the University's Santa Claus and he passed out candy canes and led the singing. The Tea was sponsored by Women's League, with League members serving as hostesses. Both faculty and students joined in the fun, as Theda Cumbridge, President of Women's League and Linda Laatsch, Vice-President poured at the refreshment table.

"What makes you Federal Agents think we know anything about these stolen art objects you spoke of?"

After a semester of informal Fraternity rush and two weeks of formal rush, 147 men pledged membership in the nine Hilltop fraternities. The first semester was spent visiting fraternity houses for lunch and parties and second semester found the Greek men in formal rush. Two parties were held at each house. The freshmen men were entertained at a Roman Holiday party, a Playboy party, a Luau and a baseball game. Formal Banquets ended rush on Thursday and the day of silence ended at 5 p.m. on Friday, February 8, when the Greek men welcomed 147 into brotherhood.

"So where are the girls?"



Fraternity Rush

"Cashier checks for one million dollars!"

Tel-Buch king, queen, and court.

"Those Jackies get everything."

Judy Lutes, last year's queen, crowns Jackie Shaw, her sorority sister, 1963 *Tel-Buch* queen.

Tel-Buch Contest

Charm, personality and beauty adorned the Hilltop as the *Tel-Buch* staff hunting for the "All-American" girl, held its annual queen contest. On February 12 over 170 girls entered the contest. At the end of the evening 12 girls remained for the final judging held on February 19. Mr. Dudley Johnson, Adviser of Men, emceed the final eliminations. Each candidate was asked her hobbies and what she would do if she could do anything in the world. Judging for the *Tel-Buch* king also took place with the Men's Resident Halls, Independents, and Fraternities each nominating a candidate. These candidates were asked their favorite sport and who they would like to be if they had their choice.

"Your number's up."

"Now, let me say this about that . . ."

Student Council Elections

The first two weeks of March were busy ones as campaign posters suddenly appeared on the Hilltop. Over 70 candidates entered the race for the thirty-nine seats on Council. On election day candidates jammed the entrance to the Student Center, all hoping to meet voters and gain their votes. Microphones urged prospective voters to vote the ABC or EGO party ticket.

Election results were announced at Casbah, the following day. Successful campaigners were Mike Ciolli, President-elect; Bob Lawry, Vice-President-elect; and the new Representatives-at-large, Jack Simonetti, Terry Marsh, Mike Dudock, and Ellen Thompson.

"How can I vote? I don't even go here!"

Students enjoy favorite pastime—protesting.

"I thought you had to be a citizen to run for office."

Akron provides many opportunities for civic improvement.

Casbah winners

Casbah

"But it's cold outside!"

The "Candle Lighters" provide entertainment at Casbah.

"Pardon me Madam, you dropped your handkerchief."

After weeks of sewing costumes, painting scenery, practicing songs and making last minute script changes, weary University students made the "Comics Come Alive" in the annual Casbah, March 9 at Goodyear Theatre. Under the leadership of emcee, Chuck Truza, the evening was very entertaining.

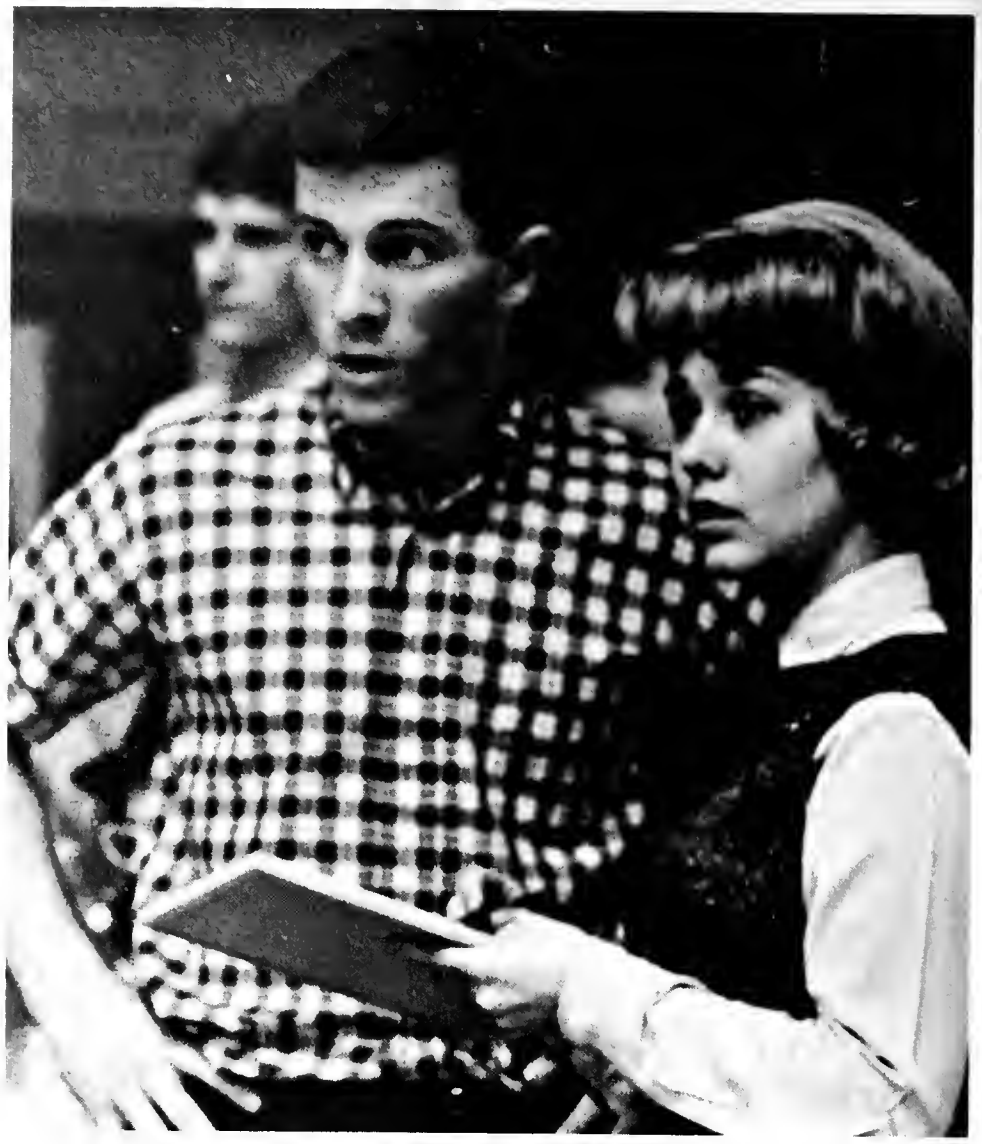
The evening was made even more exciting by the announcement of Student Council election results. Nick Yancura, president of Student Council announced the new members of Student Council for 1963-64 and then presented his gavel to the new president-elect, Mike Ciolli. While the judges made their decisions, the *Tel-Buch* Queen, Miss Jackie Shaw and the *Tel-Buch* King, Bob Laury, and their courts were presented to the student body.

Margie Capatosta and Andy Alpeter, co-chairmen of Casbah read the Casbah results. In fraternity competition Alpha Epsilon Pi placed first with their hit "Peanuts Honors Beethoven?". Second place sorority honors went to Delta Gamma with "Prince Valiant and the Dragon." First place sorority and best skit of the evening trophies were awarded to Alpha Delta Pi for "Pogo Crisis."

The Women's Residence Hall copped the Independent entries trophy for "Superman or This is Your Life."

"Smile! You're on closed circuit television!"

"It's a Greek Life" was this year's theme for Greek Week. Co-chairmen for the week long activities were Margie Sedlak and Mike Rozen. The purpose of the week was to promote Greek spirit on and off campus. Activities began on Monday with a display in the Student Center lobby and an afternoon symposium. The topic "The Greek Future" was discussed by Mrs. Harold G. Edwards, vice-president of Kappa Alpha Theta, and Mr. George F. Patterson, president of Acacia. Tuesday saw the student body enjoying a Kaffee Klatsch and a basketball game between sorority women and fraternity men. Because the men had a slight handicap, the sororities won by a score of 32-19. The annual Chi Sigma Nu Jazz Concert livened up the campus on Wednesday. Thursday night found the Greeks at Wyoga Lake for a cookout and dance. Friday's activities included a spring convocation in Memorial Hall and a blood drive for the Red Cross. That evening a carnival for charity furnished the chance to throw pies and whipped cream at unlucky victims. Throughout the week workshops were held with various faculty leaders. Here the Greeks discussed many of their common problems and ways to solve them. Climaxing Greek Week activities was a dance to the music of Frankie Reynolds in Memorial Hall. Honors were given to the top ten pledges and Greek Man and Woman of the Year.



"I'm sorry, but this is the last autograph we'll have time for."

"No, this is my first rush party."

"Watch those calories, Sue."

Outstanding Greek Man, Roger Read of Phi Delta Theta, with candidates from other fraternities.

Week

Panhellenic President, Lynn Brown, and Interfraternity Council President, Lloyd Shepherd, present certificate to top ten pledge, Melinda Lewis.

Outstanding Greek Woman, Sandra Banyar of Delta Gamma, with candidates from other sororities.

"Stud" Center holds display for Engineers' Day.

Hanging in effigy.

Engineers' Day

Students pay their last respects.

Traditionally, Engineers' Day was quite a day on campus. For only one day, Ayer Hall was empty, classes were suddenly dismissed because engineers were in the building, and many times buildings were chained shut.

Last year, Engineers' Day changed to educational field trips and no pranks. This year, engineers made a feeble attempt to bring back the tradition. The Student Center became the "Stud Center," a dummy was hung in effigy, and a coffin was placed in front of the "Stud Center" to represent the dead past which could not come alive again. For the educational field trip, the engineers chose to tour the "Burger Brewery" to see the latest technical equipment.

"Hilltop Goes Hollywood" was the theme for the 1963 May Day celebration, held May 10 and 11. Jean Wright and Tom Lyttle were co-chairmen. A parade at 10:30 Friday morning started the weekend celebration. After the parade a luncheon was served at Buchtel Field, followed by games. Afternoon ceremonies included the crowning of the queen, Anna Mae Peterson, by the crowner, Ruthie Stitz. Also included were presentation of the court and A-Key awards. A twist dance featuring the "Nightcaps" concluded Friday events.

A reception for the queen and her court was held Saturday at the University Club. The following float winners were announced: AEPi and Phi Mu, third place; Theta Chi and ADPi, second place; and Phi Tau and KKG, first place.

"World Premiere," the annual May Dance, this year featuring Sammy Kaye and his orchestra, concluded the weekend's activities.

Food, fluffies, and fun.

May Day

"Just one more fluffy . . ."

The "Artists' " touch.

Both the wife and daughter of Col. Timothy Donohue were members of the class of 1963.

They're graduating younger every dav.

Dean Gardner always attends to last minute details.

Dean Gardner was the most surprised of all.

Guess who held up the graduation picture?

Graduation

Graduation week was a busy and exciting one for all of the seniors. It began with a reception held at President Auburn's home on Sunday, May 26.

On May 31, the Senior Women's Breakfast was held, also at the President's home. Mrs. Auburn spoke on "Why Outer Mongolia?" A charm in the shape of a diploma was given to each graduate by Women's League. Every senior woman was introduced by a member of her department.

Baccalaureate was held on Sunday, June 2. Reverend Robert M. Young, minister of the First Presbyterian Church, addressed the audience. Following Baccalaureate the Deans of the Colleges held a reception for graduates and their families.

The Commencement Address was given by Dr. Henry Reining Jr., Dean of the School of Public Administration at the University of California, on Monday, June 3. Honorary degrees were bestowed upon Robert S. Wilson, Dr. Reining, J. E. Trainer, and Thomas S. Powers. An honorary degree was also given to Dean Gardner for his outstanding service to the University. This came as a surprise not only to the students, but also to Dean Gardner.

Wish it was winter time with these things!

University majorettes: Jackie Mallo, Nancy Stocker, Mary Lou Jubin, Linda Willey, Cheryl Schmurdibeck, and Bobbie Tipton.

Majorettes

At the 1962 May Day Ceremonies, the six "Zipettes" for this year were announced. All were new to the line except Jackie Mallo, a third year member and Mary Lou Jubin, a second year member. The "Zipettes" received new uniforms in time for the fall season. Instead of being light blue trimmed in white fur, the uniforms were white with a reversible crest. Performing for the first time at the Acme Zip game, the "Zipettes" also performed at the Ox Roast and at all the football games.

The "Zipettes" entertain at Ox Roast.

Cheerleaders

The job of a cheerleader is to direct school spirit, and this year's crew did the job well. The cheerleaders auditioned before Student Council and were announced on May Day. Besides attending all football and basketball games, the cheerleaders performed at Ox Roast, at student rallies and served the annual Touchdown Club banquet. The squad was captained by Cathy Cotterman, a two year member. Margie Capatosta and Jennie LaRocca moved up from the reserves and new members were Sheila Forrest and Glenna Switzer. Reserve cheerleaders were announced at Ox Roast and they were Mike Kesselring, Pam Cook, Helen Bycura, and Pat Baumgarten.

Zips play winning ball

Head Football Coach Gordon Larson talks with end George Grosso.

Not since the year 1930 has an Akron University football team come as close to winning the Ohio Conference championship as did this year's team. The season opened at New Concord where the Zips defeated a strong Muskingum team by a 14-6 score. A week later Akron faced Baldwin-Wallace which had ended the season last year as the number two nationally ranked team. Akron, unimpressed by this fact, and fired up by a record Acme-Zip crowd, survived a deep B-W penetration in the last minutes to win 13-6, behind the running of George Deo and the passing of Joe Mackey. Following these tough two opening games, Akron blasted Ohio Wesleyan 41-0, and Heidelberg 33-6. Akron's homecoming rival Wooster was the next victim. The Zips' playing almost flawlessly overwhelmed the Scots 42-0. One week later at Capital disaster struck. Although Akron won easily 46-12, quarterback Joe Mackey seriously reinjured a bad knee. This injury at the peak of the season cost Akron dearly. At Youngstown, Mackey was forced to leave the game in the second quarter, and Akron, forced to play NCAA rules for the first time, suffered their first loss of the season 17-13.

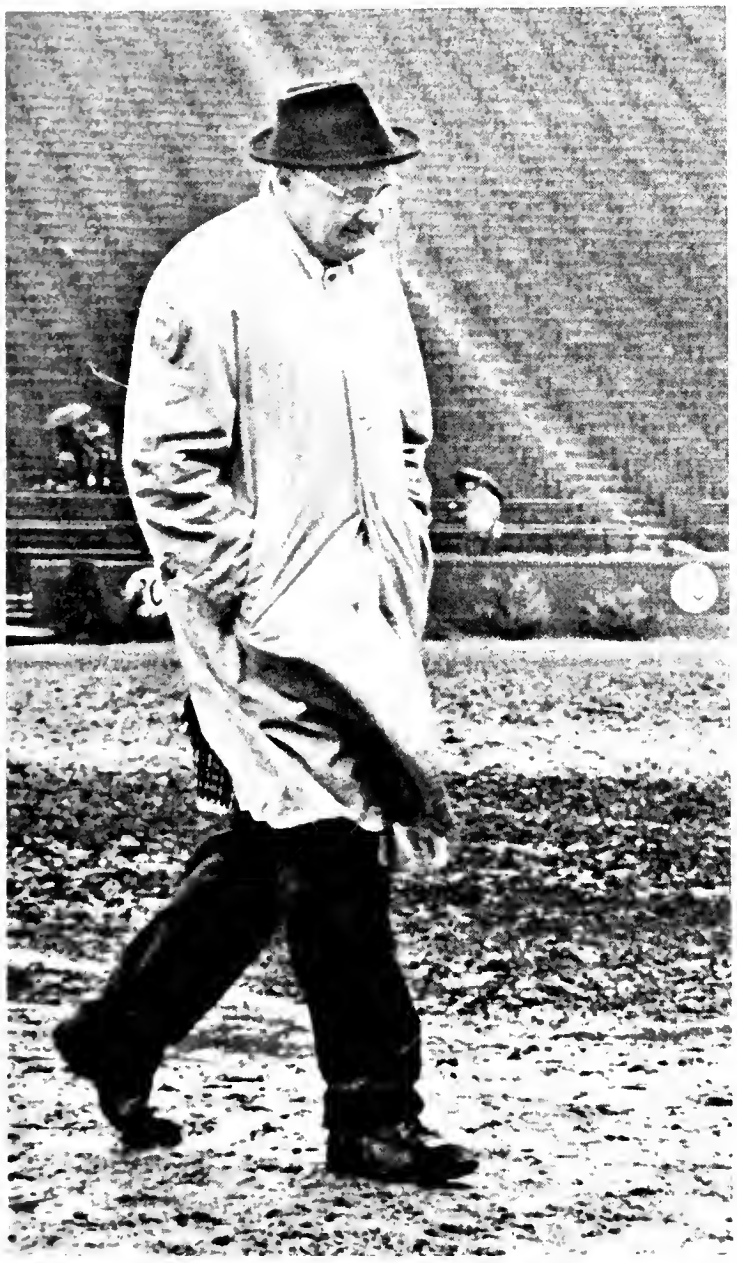
On November 10, in a mud-covered Rubber Bowl, the battle of the unbeaten took place. Undefeated Wittenberg met Akron in what was a true championship game. It was a contest between Akron's powerful running and the deadly passing attack of Wittenberg. Akron's running attack faltered in the mud and the first period was a scoreless tie. In the second quarter Wittenberg received an Akron fumble and on fourth down kicked a field goal to take a 3-0 halftime lead. In the third quarter Tiger quarterback Charlie Green hit end Bob Cherry for two touchdowns. Akron got its only score of the game in this period when freshman halfback Ray Matthews "waded" 65 yards for a touchdown. The fourth quarter was scoreless and Wittenberg was O.C. champion with a 17-6 victory. Bouncing back in their last game Akron bombed Mount Union 53-0. Although the Zips dropped two important games, they played impressively for most of the season. Akron scored 261 points this year while holding opponents to 65. The defensive team was outstanding, permitting only 1557 yards total offense by the opposition.

The Zips were led this year by their captain, Tom Adolph, who set two records. He set an all-time career record by booting 44 extra points out of a new high of 52 attempts. This season he made 23 of 27 tries. George Deo, who gained 660 yards rushing, is only 51 yards short of tying the Zip individual career record of 1755 yards. Four Zips were named to the All-Ohio Conference first team, end Tom Adolph and guard Tony Butowicz on offense, and linebacker John Lahoski and halfback Darrington Seals on defense. Named to the second team were: tackle Herman Huth, quarterback Joe Mackey and fullback George Deo on offense, and tackle Dick Galloway on defense. Eight Zips were given honorable mention: Ray Glinsky, Sam Haramis and Joe Richardson on offense and George Grosso, Bob Johnson, Tom Lowry, Chuck Cobb and Ed Lopeman on defense. A total of 16 received honors. Eight seniors have played their last game for the Zips: Tom Adolph, Earl Brown, Joe Carlucci, Dick Galloway, George Grosso, Herman Huth, Joe Mackey, and Jim Patrick. Seven victories and two losses is a good season in anyone's book. Although there will be some big holes to fill next year, Coach Larson's Zips should again be contenders for the Ohio Conference crown.

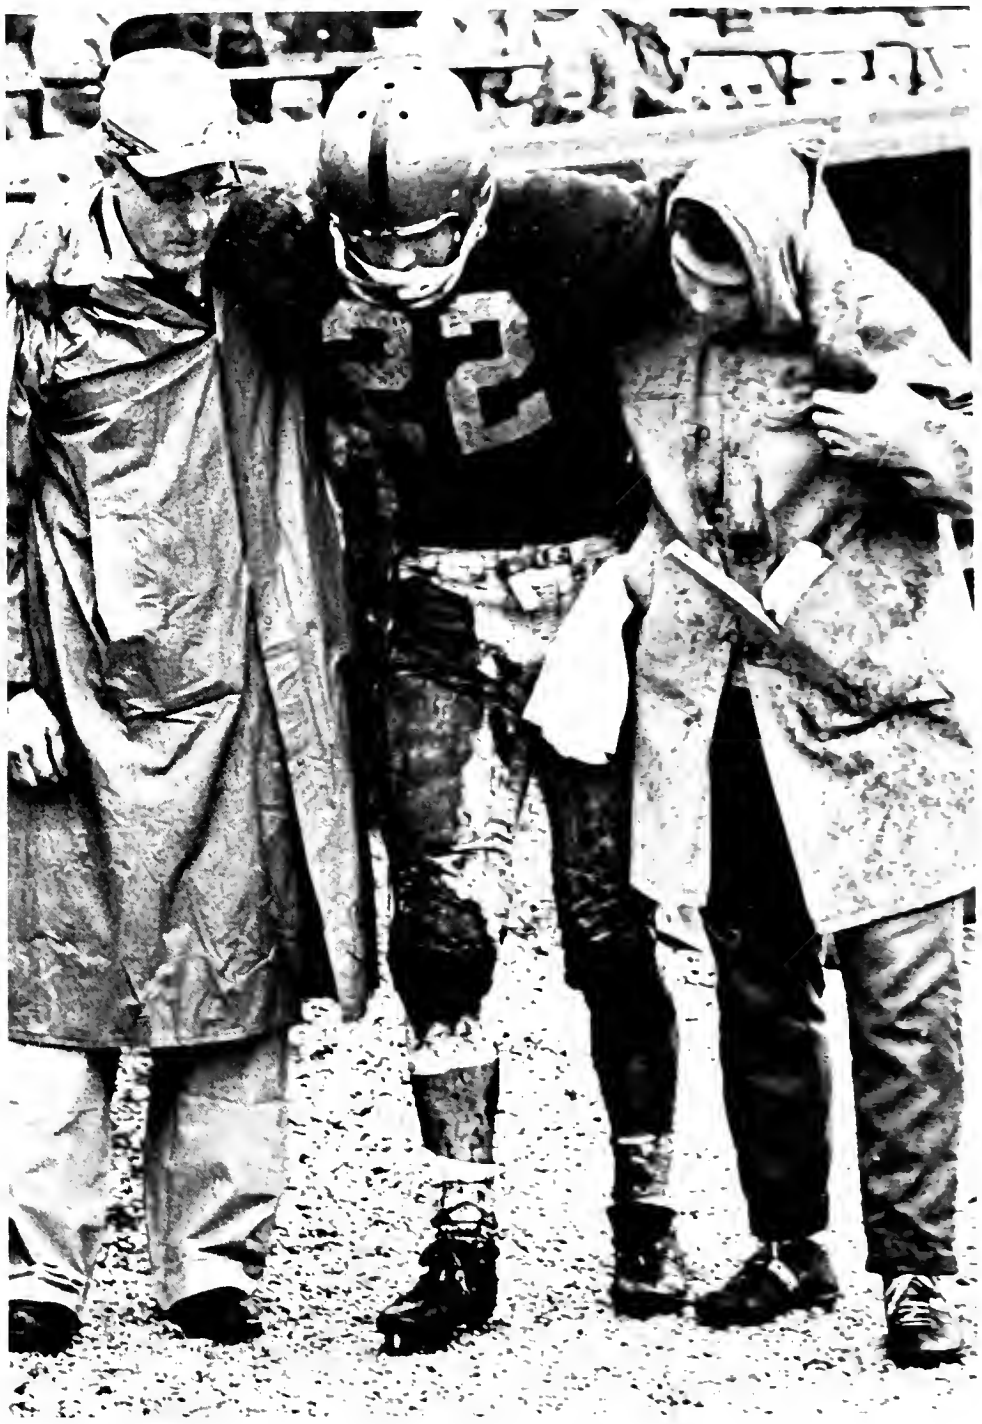
Mackey fires a long pass . . .

. . . completed to Tom Adolph.

Rain didn't dampen the team's spirit.

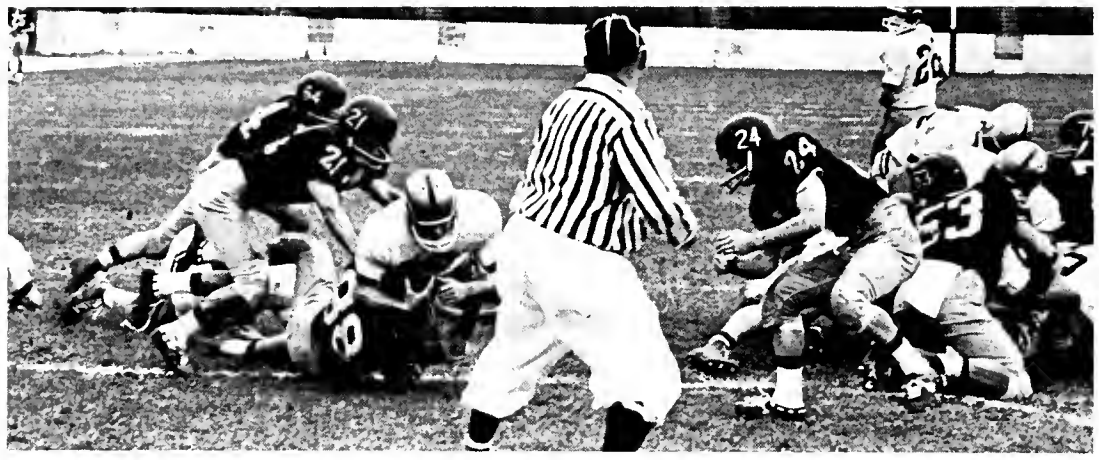


A.U. Athletic Director "Red" Cochrane



Zips lose key man.

Quarterback option picks up yards.

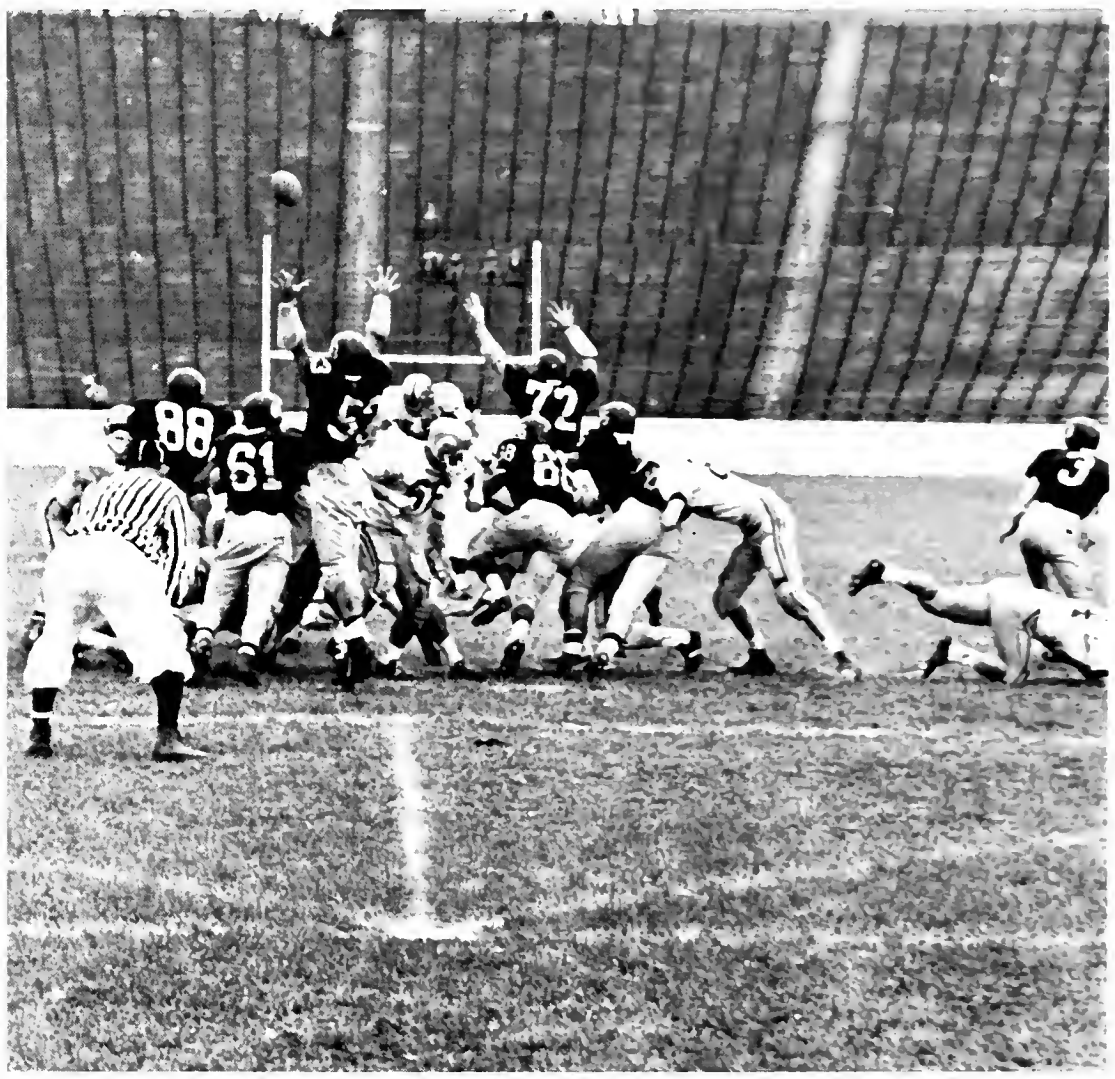


Touchdown!

"Spirit of the Zips!"

Row 1: Dick Galloway, Fourth Year Award; George Deo and Tony Butowicz, Touchdown Club Awards; Herman Huth, "Doc" Smith Award. *Row 2:* George Grosso and Joe Mackey, Fred Sefton Award; Ron Boruszkowski, "Doc" Smith Award; Tom Adolph, Howard "Red" Blair Award.

Tom Adolph adds another to his record.



Akron		*Opponents*
14	Muskingum	6
13	Baldwin-Wallace	7
41	Ohio Wesleyan	0
33	Heidelberg	6
42	Wooster	0
46	Capital	12
13	Youngstown	17
6	Wittenberg	17
53	Mount Union	0

Individuals

The soccer team again had a winning season, both overall and in Ohio Collegiate Soccer Association play. But for the first time in four years, the Zips had to relinquish the championship trophy.

The Zips opened the season with a 4-3 victory over Denison, but the Acme-Zip crowd saw Ohio Wesleyan come from behind to tie the Zips at 3-3. As the season progressed, Akron lost to Pittsburgh and Michigan State, outside Association play. Wins over Ohio State, Fenn, and Kenyon with a single loss to first place Oberlin left Akron with a slight chance for first place. If Wesleyan could beat Oberlin, an Akron defeat of second place Ohio U. would boost the Zips into first place. Akron prepared for Ohio U. with a 9-4 victory over Frostburg, but was unable to stop Ohio U. and fell by the same score. Ohio U. was champ as Ohio Wesleyan dumped Oberlin and Akron dropped to fourth place with a 4-2-1 OCSA record.

Individually the Zips played excellently. Pete Milich again was League high scorer with 28 points. Frank Abel was second with 18 and Fritz Kungl and Rich Crites were among the top 20 scorers. Milich also set three all-time Zip records: the most goals in one game with 7 against Frostburg, the most goals in a college career with 65 to date, and the most points with 95 to date.

Aggressive Frank Abel goes through as Pete Milich looks on.

Fritz Kungl boots a goal.

Rich Crites steals the ball in the Ohio State match.

excel in soccer

Row 1: U. Stillmayer, R. Crites, D. Hartnagel, D. Munitz, H. LeBorgne, H. Rosenthal, K. Goore, E. Lasoff, J. Wendel. *Row 2:* Coach Stu Parry, A. Elovitz, Mgr. D. Leslie, P. Milich, B. Ross, M. Rosen, P. Reichert, E. Feldman, L. Hoag. *Row 3:* L. Temo, Ass't. Coach T. Meehan, D. Walters, G. DiDonato, B. Wilt, C. Suiter, D. Wilt, B. Rockwood, P. Cabe, L. Miklosi.

Frank Abel set a Zip record with a career total of 36 assists. Six seniors have played for the last time for the Zips: Co-Captains Fritz Kungl and Frank Abel, Pete Reichert, Harvey Rosenthal, Mike Rosen and Len Hoag.

Four Zips were named to the All Ohio Team; Kungl, Abel, Milich and Crites. Fritz Kungl and Pete Milich were also named to the All-American Team.

This season Coach Parry had the biggest squad ever. This will help next year, but only time will tell when the Zips will have another Kungl or Abel.

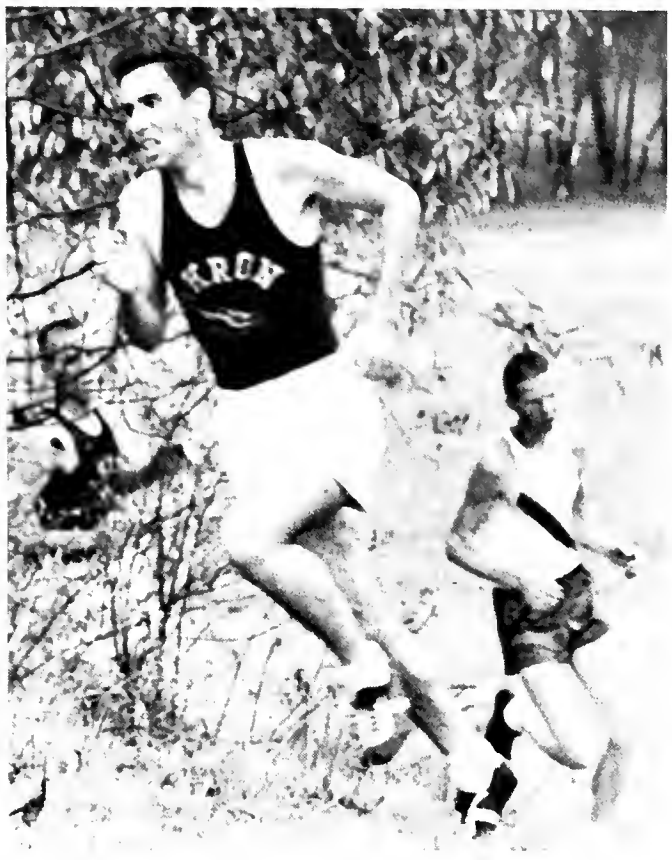
Cross country

Coach Al Hall and Captain Al Campbell admire the Conference Championship Trophy.



Seniors Denny Hoskinson and Bill Heideman struggle uphill toward the finish.

Bill Heideman gets a congratulatory handshake for his hard effort.

Captain Al Campbell sets out after Oberlin's outstanding Bill Keller.

sweeps conference

For today they reign as Ohio Conference Champions! This statement accurately sums up the 1962 cross country season. Coach Al Hall before the season opened had described Akron's potential as "good but not overwhelming." Not only did the team win the O.C. championship; they were also undefeated in conference competition with a 5-0 mark. The only loss suffered was a 31-24 trimming by Slippery Rock.

During the season the Zips made one perfect score, a 15-50 defeat of Grove City. Near perfect scores were a 16-43 win over Hiram and a 16-47 win over defending champion Muskingum. The best regular season effort by the Zips was a 35-36 win over Baldwin-Wallace.

The Zips went into the conference meet with strong credentials. Led by team captain Al Campbell, Akron placed six runners in the first fourteen slots. This team effort was so outstanding that runnerup Ohio Wesleyan totaled 107 points to an amazing 39 for Akron. Top runner for Akron was Allen Campbell who placed fourth in a time of 23:00, 33 seconds behind the first place time. The next five Akron finishers: George Wetherbee, Charles Young, James Durbin, Doug Watts, and Bobby Bell all were under 24:00. Denny Hoskinson placed in the top twenty-five with a 24:41 time.

The squad loses seniors Denny Hoskinson and Bill Heideman but with three freshmen, three sophomores, and three juniors including Al Campbell, Coach Al Hall must be looking forward to the 1963 season.

CHAMPIONSHIP BASKETBALL

Capacity crowd fills Memorial Hall for Akron-Wittenberg game. Seats were at a premium. Spectators jammed doorways and sat in aisles making it necessary for fire marshal to delay the game for five minutes until Kenneth "Red" Cochrane, director of athletics, stepped to the microphone. After getting the crowd to open up escape routes he shouted, "Let's play ball!"

Cagers Place Fifth in Nation

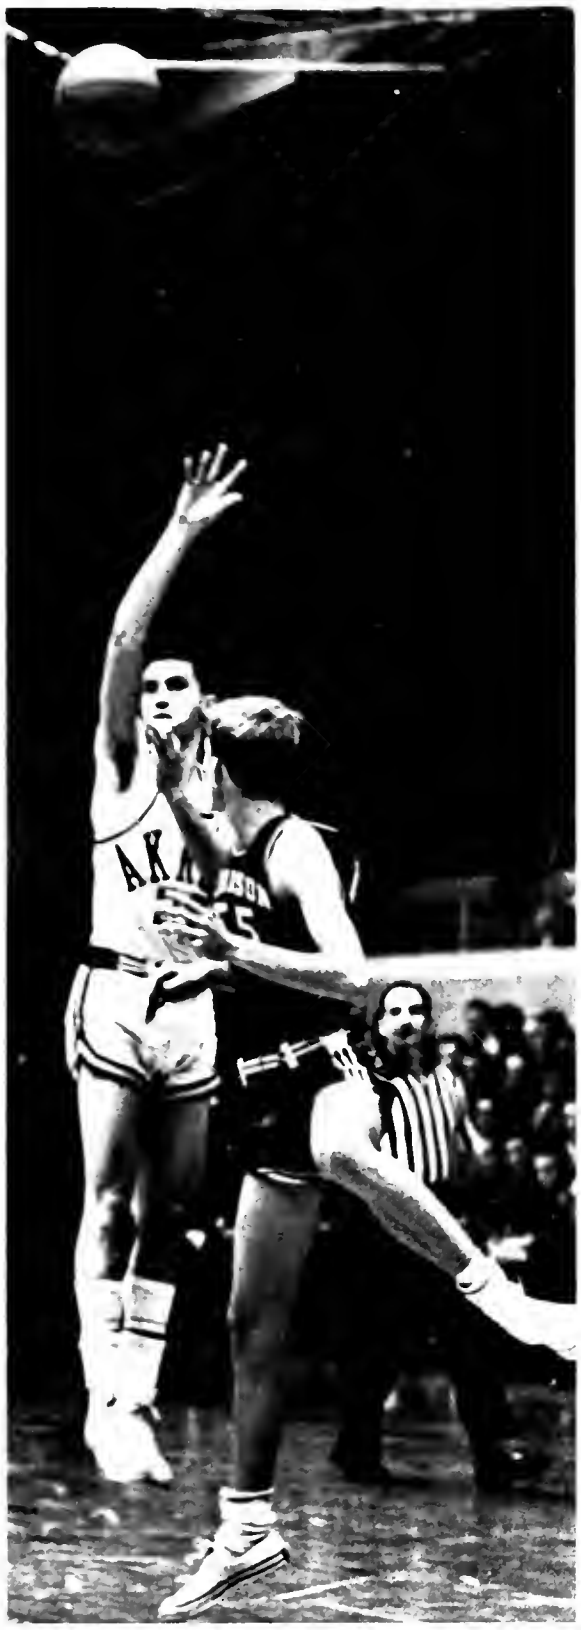
Whoa—wait a minute, no uppercuts permitted!

enthusiasm runs high



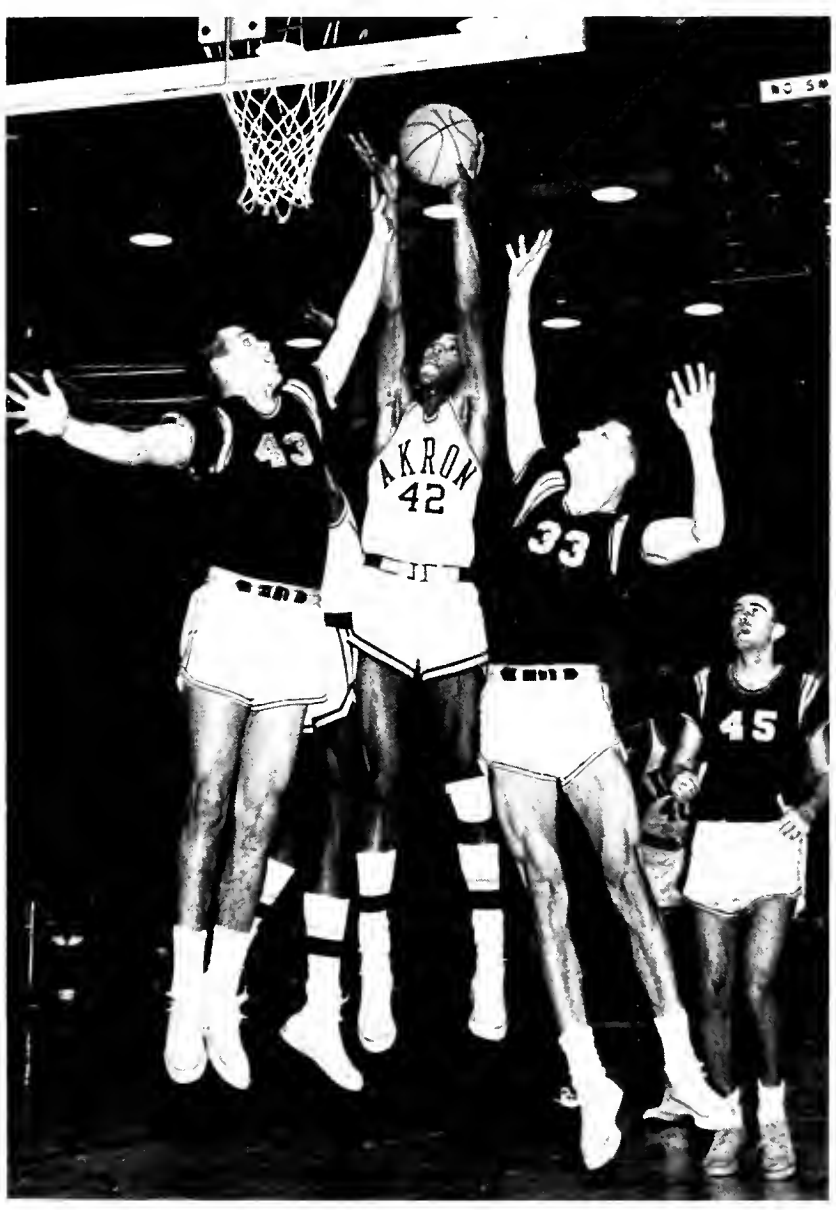
Larry Carver shows his jump-shooting.

Pat Shirhal, sophomore, dressed as the kangaroo, AU mascot, confers with Kathy Cotterman, head cheerleader, about leading a few yells.

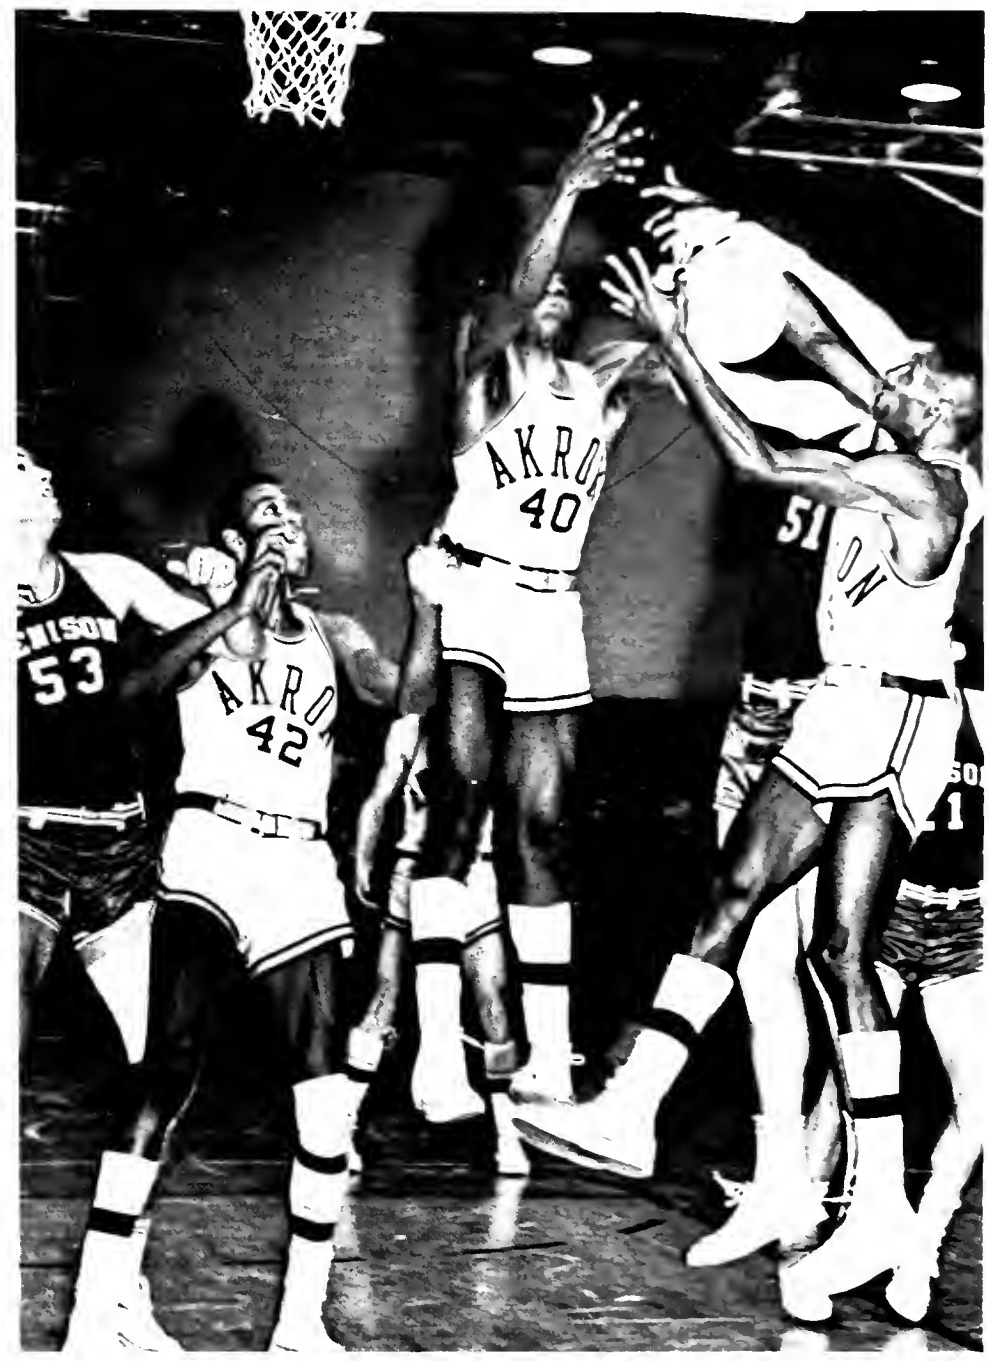
Coach Tony Laterza exhibits his fiery temper.

Thumbs down on Wittenberg!

Turner exhibits the form which enabled him to lead the team in rebounding with a 10.9 average.



Zips display their rebounding strength.



Highest national rating of any former Akron U. teams went to this year's Zips as they placed No. 5 with UPI and No. 6 with AP. Their 22-3 record is also the best in AU history. Two of these defeats were delivered by Wittenberg, the nation's No. 1 college division team in both the UPI and AP polls.

Student, community, and alumni enthusiasm ran high for the Zips this year as evidenced by the Akron-Wittenberg game. It drew the largest crowd that ever jammed into Memorial Hall, 4150 spectators, the most ever in attendance at a Zip home basketball game.

Hope of stopping Wittenberg's winning streak over Akron was lost in the home game. The Tigers clipped the Zips 41-36, despite the fact that Akron had the lead until the closing minutes of play. Later at Capital U. in Columbus, the Tigers maintained their hold on the Ohio Conference tournament crown for a third straight year in a 64-46 victory as the Zips suffered their worst defeat of the season.

For the third consecutive year the Zips were runners-up for the Conference title and Northern Division champions.

Outstanding players include Ed Wilson, senior, with 270 points; Bill Turner, freshman, with 268 points; Wyatt Webb, senior, 265 points.

Coach Tony Laterza's team was always included among the NCAA's weekly listing of the best defensive averages in the country. They had a 57.8 defensive team average.

Riflemen Miss Target

Though Akron U. wound up fourth in the Lake Erie Intercollegiate Rifle Conference, they lost the Conference crown to Youngstown after three consecutive championships. The Zips have won the title a total of nine times since the Conference was formed 12 years ago.

Sgt. Allen Davis, in his first year as coach of the Zip riflemen, expected the season to be rougher than it had been in the past, but not as rough as it turned out to be. All-American Jean Linton had announced last winter that she would not be able to return.

Coach Davis had pinned his hopes for a successful season on the return of four lettermen who were steady shooters: Captain Denis Baughman, senior; Howard Brick and Gary Wagoner, juniors; and Patrick Enright, sophomore. Added depth was to come from four freshmen. However, a blow from which the team could not recover, was a loss of three squad members for personal reasons.

Baughman and Brick both ended up among the top ten shooters in the Conference, a contributing factor to the Zips having a winning year. Both are letter winners who will graduate.

Row 1: John Dickinson, Mike Laipale, Niles Washer, Jim Coleman, Dennis Sawyer, Ted Malcolm. *Row 2:* Gerry Smith, captain; Pete Boggs, Paul Boggs, Ted Mallo, Ken Bechtol, Coach Dick Wells.

Tankmen Rebuild

Though hampered by a return of only five out of 16 of last year's squad, Zip tankmen finished fourth out of 11 teams entered in the Ohio Conference championship.

Facing the terrific rebuilding job was Dick Wells in his first year as head coach.

Some outstanding performances of the year saw sophomore Ted Malcolm from Akron Buchtel bring a new Ohio Conference record in the 100-yard butterfly event. He also took a Conference first in the 200-yard butterfly. In both these events Malcolm set new AU records.

For the second consecutive year Akron almost took the Ohio Conference diving championship with Pete Boggs, junior, placing second. However, Pete did capture the NCAA Mideast one-meter diving championship.

Coach Wells looks forward to a winning season next year as he will lose only one senior, Captain Gerry Smith.

Ted Malcolm and Gerry Smith show their butterfly form. Malcolm won the Ohio Conference championship in this event.

Pete Boggs shows the form which won him the NCAA championship.

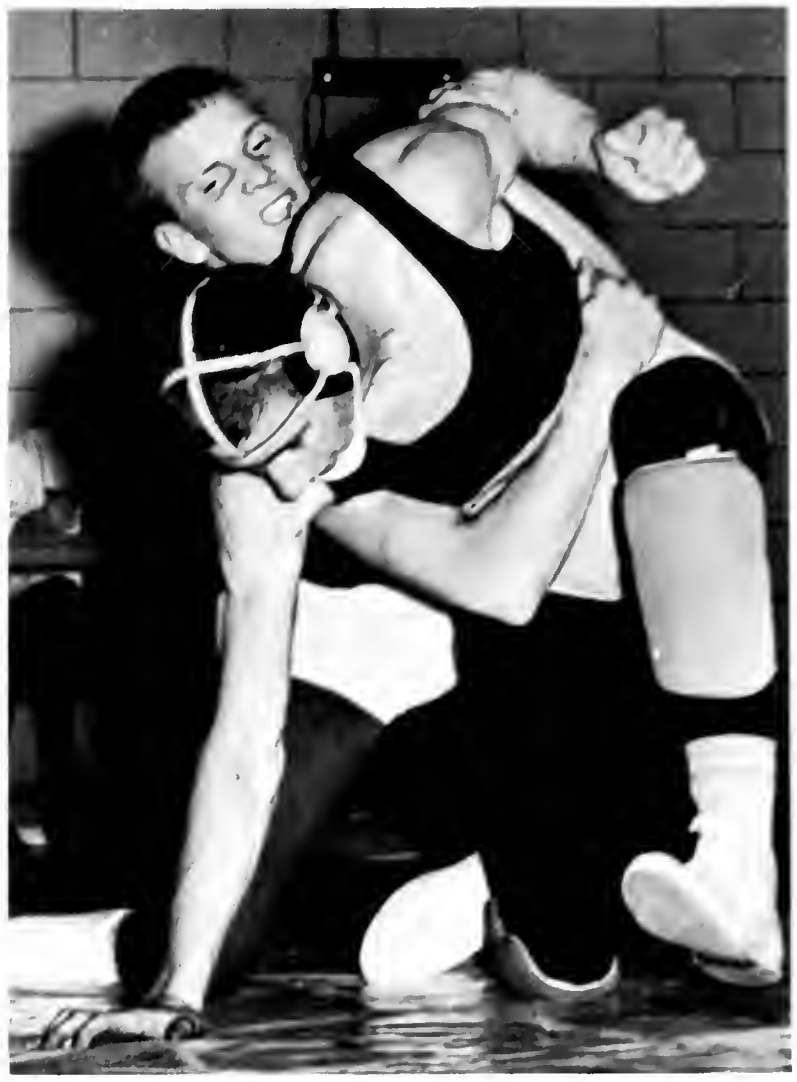
The defeat of defending wrestling champion Hiram, king of wrestling in the Ohio Conference for the last four years, highlighted the wrestling season this year.

For Coach Andy Maluke the season was a triumphant return to the helm of the Zip matmen, following a year's absence while in the active Air Force Reserve.

The only loss of the season came in the first match against Baldwin-Wallace, who later toppled Hiram from the throne as O. C. champion.

Out of 14 teams entered in the O. C. Tournament at Hiram in March the Zips grabbed fourth place, missing a tie for third place by only one point.

Several team members were outstanding. Sophomore Bill Wilfong from Barberton won the O. C. and NCAA regional crown in the 177-pound class. Jeff Daily, junior from Akron Buchtel, is the other Conference champion, taking the 147-pound title. Pete Gutherie, a sophomore from Solon, won the AAU 175-pound championship.



Brubach attempts an escape.

Piero scores for a take down.

Coach cooks up some final strategy . . .

A team that climbs five notches in its league standings every year doesn't take long to reach the top. That's why the Ohio Conference baseball pennant could well be waving on the Hilltop next May.

From thirteenth place in 1961 . . . to eighth in 1962 . . . to third in 1963—that's the story of rising Zip baseball fortunes.

But for the weather, Akron might have gone all the way to represent the Conference in the '63 NCAA tournament. The loss to Hiram came in a replay of a rained-out scoreless game.

Akron finished the season with a 14-7 record and superb team batting and fielding averages of .297 and .952.

Four-letter-men Tom Adolph and Bud Axline will be missed, but Coach Jim Cook has some outstanding youngsters—freshman outfielder Howard Schaitberger, who knocked in 16 runs in 20 games, and frosh pitcher Jim Barton, who struck out 72 batters in 44 innings, a team high.

. . . to make Ray Glinsky a Belinsky.

golfers write off title

Only a scorecard error prevented Coach Tony Laterza's surprising golfers from tying Denison for the Ohio Conference links title.

And somehow, Laterza couldn't get too angry with Malen Tusko, the junior who forgot to sign his card and thus cost the Zips a two-point penalty. For Tusko—who had played no varsity golf before this year—was a major reason the team finished with an 8-4-1 mark and an outstanding seventh-place finish in the 27-team Ohio Intercollegiate Tournament.

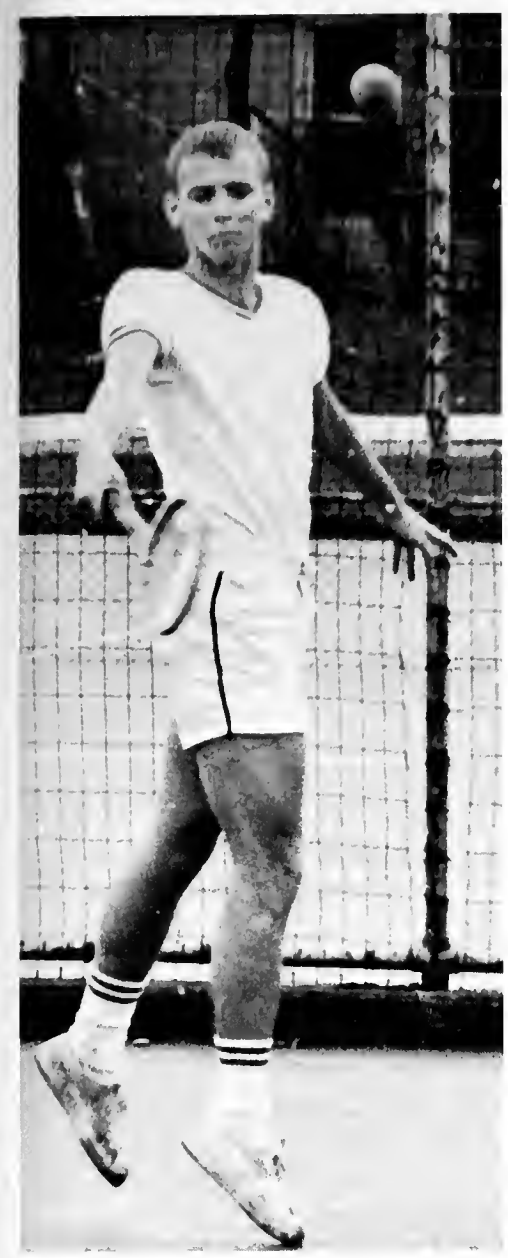
Tusko averaged 77, the team low, and earned 27 points for the season, second only to Laterza's lone returning letterman, Keith Burch.

Freshmen John Mess and Rich Wagner, two slammers from Norton High School, wrote fine first chapters to their collegiate careers, averaging 80 and 81, respectively.

Laterza also will be counting heavily next year on sophomores Barney Ellis and Junior Carroll, each of whom averaged 84. Burch is the only commencement casualty.

High point of the Zip season was the 12½-11½ upset of perennially rugged Oberlin.

Keith Burch shows team-leading form.



Jim McBride demonstrates backhand ballet.

netters turn fretters

From feast to near-famine in one year! Akron U tennis rose to unprecedented heights in 1962—when the Zip netters won a record nine of twelve matches. This year, loss of a key man, bad weather and practice scheduling problems combined to give Coach Bill Beyer an unexpected headache.

The team managed to salvage a winning season, 6-5, and finished even at 5-5 in Ohio Conference competition. But Coach Beyer—and most of his players—had expected something more after last year's fine showing.

Barring unforeseen tragedies such as this year's loss of outstanding singles man Dave Jones, 1964 prospects look brighter. There were no seniors on the squad this year, and Beyer expects Henry Brown, Gary Nixon, Bill Stevens, Jim McBride and Chuck Sear—his veterans—to shoulder a big load next season. Stevens and Sear led the team this year, each posting seven victories in ten matches.

Gary Nixon chases high hard one.

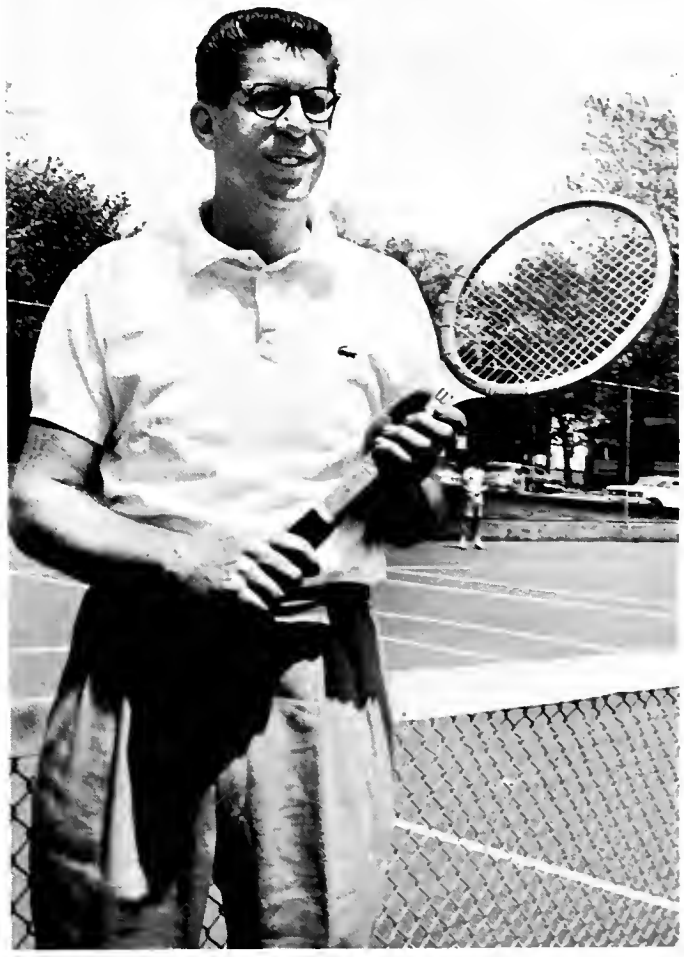
Coach Bill Beyer wasn't always smiling.



Hop, skip . . . and another record for Bill Heideman.

thinclads stretch streak

The only question remaining after Akron U's third consecutive undefeated track season: How could Coach Tom Evans have underestimated his talent so badly?

The Zip runners must not have been listening to Evans' pre-season moaning. "All" they did was stretch their dual meet victory string to 23, capture their third Ohio Conference championship, win their second straight NCAA Mideast Regional title and run away with the Ohio Conference Relays.

It couldn't have happened to a nicer pessimist than Coach Evans.

His "lack of depth" was not too apparent when the Zips doubled the score of second-place Ohio Wesleyan in the Conference Relays. Four meet records fell to Akronites.

Sophomore Dave Evans and senior Bill Heideman were Mister Bigs as the Blue and Gold blazed to victory in the OC Tournament. Evans accounted for 16¾ points with a record-setting 24 foot 3 inch broad jump, victory in the 220 yard dash and second place in the 100. Heideman chipped in with 12 points, including a first in the half mile.

Panhellenic Council

Presidents, rush chairmen, and Panhellenic representatives from each sorority form the 32 member Council which works toward promoting stronger group life in the member chapters, creating interfraternity friendliness, developing democratic spirit on campus, and making rules to achieve the finest interfraternity relationships. With the beginning of fall rush, Panhellenic sponsors an introduction to sorority life through the Mother-Daughter Tea. Continuing throughout the "rushing season" Panhellenic co-ordinates all sorority rush parties and other general activities. A major accomplishment this year of Panhellenic, in conjunction with the Interfraternity Council, was the donating of the proceeds from Songfest to the Summit County Council for the Retarded Children.

Lynn Brown
President

Interfraternity Council

Attaining control of Interfraternity relations with the advice and approval of the faculty this past year was I.F.C. Composing the council are three representatives from each of the nine campus fraternities, plus each fraternity president. I.F.C. activities included extended cooperation in rush, songfest, Greek Week, and the Blood Drive.

Newman is more than a "club;" it is a "movement," a mainstream of students, faculty, laity, and clergy working for a common goal—the development of a college graduate who has matured spiritually as well as intellectually. The words of John Henry Cardinal Newman in his *Idea of a University* provide the reasons for the existence of the Newman program. "Admit a God, and you introduce among the subjects of your knowledge, a fact encompassing, closing in upon, absorbing, every other fact conceivable. How can we investigate any part of any order of knowledge and stop short of that which enters into every order?"

The Newman Program is designed to bring God into the spiritual and temporal life of the Catholic students. As the Student Union is the center of the University campus, so the Newman Center is the heart of the religious and intellectual life of the Catholic student. The Sacrifice of the Mass, the sacraments of confession and communion are available daily. Classes in Theology, Philosophy, Scripture, and current events are taught by 8 priests and 2 laymen. A well rounded schedule of social and cultural events are provided to help form the "whole" man—to deepen the spiritual and to enrich the temporal and in this way make a lasting impact on both the individual and the society.

The new chaplain of Newman Club is Father John P. McDonough who has been past chaplain of the National Newman Alumni Association. He hopes to bring the spirit of Pope John XXIII to the University Campus.

Pete Bittinger, nominee for Newman Club President, campaigns for a few votes.

Radio Workshop

Station WAUP at 88.1 m.c., on your FM dial broadcasts from 6 p.m. to 10 p.m. every weekday night. WAUP provides a variety of educational and cultural programming plus an opportunity for students to learn how to operate radio mechanics. Some programs are given by faculty members, others are student produced. Mr. Lehrman of the English department presents a program of folk music and Mr. Bernard Weiner of the Art department broadcasts the show, "Art: One Man's Commentary." Alumni and Akron U news is also broadcast over WAUP. Other musical programs are student produced. "Broadway in FM," "Music from the Masters," "Concerto in FM," and an opera show, "Lyric Theatre," are samples. WAUP is starting a new modern music program, "Improvisions in FM."

WAUP has been operating since December 7, 1962. Dedication took place between April 1 and 5. The ceremony on Friday, April 5 featured two distinguished speakers, Mr. Andries J. Pot of Radio Nederland, and Mr. Arnold Michaelis, a TV producer.

The organization of the workshop includes three factions, the faculty advisory board, the workshop, and Mrs. Hardenstein, director of the workshop. Dr. Sandefur and the faculty members on the board supervise the station which is operated by the students in the radio workshop. The staff of the workshop includes about seventy students.

Scaling the heights.

Program Board

The Student Center Program Board was formed February 20, 1962 and adopted as its purpose the promotion of social, cultural, recreational and educational activities for the students and faculty of the University through the facilities of the Student Center.

The first full year on campus was a busy one for the Student Center Program Board. The beginning of the fall semester saw the debut of the Hilltop Highlites, a datebook which contained the University calendar and athletic schedules and space for assignments and personal reminders. The attractive blue and white cover became a frequent sight on campus.

Fall activities for the Student Center Program Board saw a pocket billiard league, chess tournament, modern jazz concert, a twist dance and rally for the Wittenberg football game, and a billiard exhibition by Willie Marconi. New freshman members were also added.

The spring semester was also jammed with Student Center Program Board activities, such as an open-house, a Dixieland concert, bridge tournament and individual pocket billiards tournament, and a very successful Las Vegas Night.

In addition Student Center Program Board presented a music appreciation hour every day and nine Hollywood movies on the S.C.P.B. Wednesday Night At the Movies.

Now, more than ever before, S.C.P.B. activities have made the Student Center the hub of The University of Akron and contributed much to the social and recreational opportunities of its students.

The "Pony" prevails at the "Tiger Twist."

"And it's that revolutionary new nail polish."

Impressions of The University of Akron as seen in water color divisionals is the *Tel-Buch* theme this year.

Innovations in the 1962-63 *Tel-Buch* include an extended faculty section, a section of classroom activities, and one on outstanding students. These students were chosen by recommendations from their department heads on the basis of outstanding work in their major field and prediction of success.

Tel-Buch co-editors are chosen in the spring by the Publications Board. The *Tel-Buch* is published in the fall. Mr. George Ball is the *Tel-Buch* adviser.

Student

Robert Berry, Adviser of Student Council, monitors elections.

Will the new registration process be changed? Does the bookstore operate on a profit basis? These are among the questions students asked a panel of University Administrators at a forum which highlighted this year's Student Council Week.

This was one of the efforts of this year's Student Council to help students solve and understand problems on the campus.

Student Council also serves as the coordinating body for all-campus activities such as Homecoming, May Day, and Casbah.

Members are chosen as representatives of their colleges, competing for membership as independent candidates or nominees of the two political parties. The election of the 1963-1964 council in March saw the emergence of a new party, EGO, standing for excellence in governmental organization. The new party took the majority of seats from ABC, the old party, which formerly controlled council.

Row 1: B. Vassalotti, J. LaRocca, M. Rozen, N. Yancura, President; T. Marsh, B. Zager, E. Thompson. *Row 2:* C. Lucchesi, P. Cook, P. Collins, S. Derringer, T. Cumbridge, F. Cumbridge, K. Kaufman, L. Kriston. *Row 3:* J. Simonetti, S. Kiltau, T. Mallo, D. Sabatino, M. Smith, K. Cotterman, S. Forrest. *Row 4:* E. Kaufman, L. Ceglie, M. Janovic, G. Lagios, J. Lance, R. Berry, Adviser.

Pam Cook and Sheila Forrest planned the annual Christmas party which this year feted the youngsters from the Children's Home.

Elections Day finds candidates parading in front of the Student Center and political parties blasting names over loud speakers.

Student Bar Association

Student Bar Assocaition Officers: W. Zavarello, President; P. Kenner, Vice-President; G. Clark, Treasurer; R. Ross, Secretary.

Enrollment in the College of Law is the only requirement for membership in the Student Bar Association. Activities this year included Law Day, Moot Court Competition, the annual formal "Solicitors' Swirl," and sponsorship of the Honors Convocation. Meetings are held monthly in the Student Center and included outstanding speakers in the field of law. The club counts 125 as members.

University Theatre

The University Theatre has a large number of active participants working towards membership. Through producing four plays per school year, all theatre participants have an opportunity to earn their membership points by performing in the individual plays, working behind the scenes on costumes, makeup, prompting, lighting effects, or publicity. Through this experience, members gain a working knowledge of the theatre.

Carolyn Tacke, freshman, paints scenery for the "Beaux Stratagem."

Dr. D. hopes somebody up there likes him.

Row 1: A. Strobel, P. Daum, B. Hicks, G. Cooper, G. Folden. *Row 2:* E. Thompson, T. Cumbridge, J. Root, W. Dremak, T. Lyttle, President. *Not pictured:* J. Sample. J. Dunlap, Adviser.

Women's League

Representing all day session women students, and promoting acquaintanceship and common welfare among these campus women, is Women's League. Among the activities supported and aided by Women's League this past year have been the annual University Christmas Tea, the Student-Faculty Campus Night, a Women's Banquet, a Senior Women's Breakfast, and several kaffee klatches. The actual 32 members of Women's League are elected as a governing body by the campus women. The Council consists of four elected officers, one representative from each sorority and three representatives of unaffiliated students. Also, one representative is chosen from each of the following groups: the Y.W. C.A., the W.A.A., the women's resident halls, and the entering fall freshman class. Additionally, two representatives of pre-clinical nurses entering in September are appointed by the President to attend the Women's League Council Meetings.

Women's League 1962 President, Theda Cumbridge, pours at the annual Christmas Tea.

accounting

Any student who is at least a sophomore and a major in accounting is eligible for membership in the Accounting Club. To carry out their objective of acquainting students with different aspects of accounting and the accounting world, this club made a field trip to the Haskins & Sells Accounting Firm, C.P.A., in Cleveland.

aiee-ire

The forty members of the AIEE-IRE meet once a month to hear speakers in their engineering fields from various industries and to take field trips to places of interest to Electrical Engineers. Requirements for membership include an interest in and pre-junior standing in the University's department of Electrical Engineering.

Row 1: D. Syroid, F. Schroeder, E. Stull, R. Dickerhoff, D. Robinson, Chairman; R. Ammon, R. Hull. *Row 2:* G. Perrine, J. Erdos, E. Reiser, J. Scheatzle, R. Ferrell, A. Berry, R. Rose, M. Zimer, L. a.s.c.e.

The University of Akron's chapter of the American Society of Civil Engineering requires that members be in upper college civil engineering and that they possess an average of 2.0. Meetings include monthly dinner-business meetings and bi-weekly films on engineering. The purpose of this club is to prepare students in civil engineering for entry into the profession by initiating personal contact opportunities and practicing principles of public relations. Meetings are held once a month for its twenty-one members.

a.s.m.e.

The American Society of Mechanical Engineering is open to any engineering student with 30 hours of engineering work. Meetings are held for its twenty-five members once each month to provide the latest information in the field of mechanical engineering. Other activities include joint dinner meetings with other societies, a spring picnic, and guiding High School students through their department during Engineer's Week.

Row 1: R. Peringer, Adviser; F. Smith, Chairman; E. Eilbeck, D. Price, C. Studenic, R. Mohler, M. Gill. *Row 2:* D. Tetchu, D. Wood, L. Robbins, S. Khalaf, J. Ferraro, D. Zak, S. Radcliffe, G. Chester. *Row 3:* D. Smith, H. Munson, W. Asper, N. Genis, S. Miller, L. Downing, C. Parrish, J. Ayers.

c.c.f., a.c.e.

The Campus Christian Fellowship is open to any student of The University of Akron who wishes to worship with and discuss the role of Christianity on the campus with its members. It sponsors discussion groups on special topics concerning the church, campus and the individual. It also sponsors delegations to conferences of the Ohio Association of Campus Christian Fellowships. Its social activities include a hayride, bowling parties, skating parties, a sledding party, a Christmas party, theater parties and picnics. This year for the first time the club put on a drama "The Terrible Meek" at several churches in the Akron area.

*

The manifold purpose of A.C.E. is directed toward working "for the education and well-being of children" in nursery through elementary school. A.C.E. membership is open to any nursery-elementary education major. Programs vary from the Annual fall Membership Tea, a combined A.C.E.-S.N.E.A. Student-Teacher Panel, an annual spring installation, to the Annual Christmas Party for needy children. A.C.E. also made Christmas Carol puzzles for the Children's Hospital.

Row 1: K. Kuhajda, K. I. Myers, President; J. Williams, D. Moucha. *Row 2:* C. Young, Chaplain Waite, Adviser; V. Algea. *Row 3:* C. Edwards, L. Lentz, T. Myers.

Row 1: H. Becker, Adviser; M. Cossin, P. McFarland, M. Lazor, President; J. Adams. *Row 2:* J. Trowbridge, R. Ardelian, F. Matthews, W. Wagstaff, H. Hartman, M. Keefer, A. Justine. *Row 3:* H. Shaw, J. Prear, D. Hatten, S. Snyder, G. Gay, C. Hahn, N. Sparks, D. Miller, C. Shady, B. Kutz, M. Snyder, B. Watts.

Row 1: M. Nugent, B. Webb, C. Lods, C. Volkmor. *Row 2:* S. Yezbak, G. Robinson, K. Holmquist, A. Wagstaff. *Row 3:* A. Reid, B. Fela, A. Mulligan.

home economics

To carry out the group's purpose, the Home Economics Club meets once every month, and sometimes every three weeks, to create an active interest in Home Economics. Several activities this club's 35 members participated in this year were a picnic for the new fall freshmen, monthly dinner meetings, and the ONEA State meeting in Cleveland. Members also sold "Patch-it Paks" in the Bookstore and served refreshments at the receptions following the plays in the University Theater.

Row 1: E. Lazor, B. Didyk, M. Vukelich. *Row 2:* R. Ford, J. Mallo, President; M. Bezbatchenko, Rev. Waite, Adviser.

eastern orthodox

The ten members comprising the Eastern Orthodox Club met the fourth Friday of every month at noon in the West Chestnut room. Several discussions and short films concerning religion and interfaith marriage topped the list of this club's activities.

finance

The Finance Club was organized last year on this campus and its purpose is to further members' interest and ideas in finance. Members meet monthly to meet Akron's business leaders or to discuss various aspects of business.

Row 1: W. Benson, President; M. Jacobs. *Row 2:* D. Moucha, B. Wollich, C. Reed.

elevator

In the 1960 *Tel-Buch* a new club appeared on campus, the "Losers Club." The losers were the bridge players of the *Tel-Buch* staff and the presidency revolved to the bridge loser of the week.

This year a new club also appears, the "Elevator Club." Its members do not play bridge because it is against the rules of the Student Center to play cards in offices. Members practice the art of going up and down. Meetings are informal and are held whenever there are matters to be discussed.

Row 1: J. Root, T. Lyttle, P. Ahern. *Row 2:* T. Cumbridge, J. Williams, L. Brown. *Not pictured:* M. Sedlak, L. Claborn, R. Moore.

Elefant, B. Mitchell, M. Janovic, President; D. Calkins, Adviser; A. Pattakou, P. Dirrig, J. Capotosta, D. Diamantis.

i. c. l.

Requirements for membership to the Internship for Community Leadership program are regular attendance at meetings, a 2.5 accumulative average, active participation in activities, and approval of the Office of Student Services. Its weekly luncheon meetings feature speakers dealing with problems of the community. Its purpose is to put students in contact with individual community leaders. Other activities included field trips, an Election Night party, and co-sponsorship of the Collegiate Model United Nations Assembly. Goals of the club are to introduce students to the basic theories of leadership and to provide an opportunity for students to observe specific public figures as they work to solve community problems and carry out the duties of their offices. Meetings are held once a week for the thirty members of this club.

international students

The International Students Club is open to all members of the University. Its purpose is to promote friendship and understanding between the representatives of other countries and the students, faculty and all citizens of the U.S. To achieve this, the club holds weekly luncheon meetings featuring slides, speakers and movies dealing with life in many different countries. In addition to its weekly meetings, the club sponsors tours of local industries, houses of worship, and museums. Social events such as a swimming party, bowling party and Christmas party add to the other activities of the club. The International Students club also assists with the presentation of the model United Nations Assembly. Members also attended a reception sponsored for the townspeople. Its meetings are held in the I.C.E. building.

Row 1: B. Rosberry, J. Donatelli, C. Goltz, President; A. Costillero, A. Elefant. *Row 2:* D. Barabas, B. Barnes, A. Kanakkanatt, A. Pattakou, T. Ang, W. Chung, I. Nazeni. *Row 3:* M. Klein, N. Patel, V. Kolpe, R. Bhakuni, L. Ming Gan, V. Ho, Mr. Berry, Adviser.

Row 1: T. Brooker, J. Parry, D. Parker, President; C. Bolnz, B. Moore, T. Shetzley, O. Hower, B. Whiddon. *Row 2:* K. MacDonald, A. Margolis, D. Kasse, R. Reed, H. Welling, W. Reed, J. Simonetti, R. Stoutt. *Row 3:* M. Iskowitz, D. Galloway, B. McCready, J. Gerringer, J. Fuller, T. Lammlein, D. Becker, Adviser; R. Ashton, B. Adams.

Industrial Management

The Industrial Management Club is directed toward fostering an interest in Industrial Management as a major field of study. The only requirements for membership are a sincere interest in the area of business and a 2.00 accumulative point average. Activities of this club vary from luncheon meetings to plant tours.

I-V Fellowship

The Inter-Varsity Christian Fellowship met twice weekly this year for Bible study sessions and discussion on Christian living. Highlights of this year's program included a weekend conference at Wayne State University and a conference at Camp Muskingum. This club numbers about fifteen and is open to any student interested in Bible study and Christian fellowship.

Row 1: L. Sojourner, C. Miller. *Row 2:* R. Kirk, B. Barnes. *Row 3:* D. Hamlen, Adviser; G. Abatso.

philosophy, marketing

The weekday meetings of the Philosophy Club are held to foster and maintain an interest in philosophy. Membership is open to any University of Akron student. Activities this past year have included presentations on philosophical problems by professors, both from Akron U and other universities.

*

An all time high in membership has fortified the achievements of the goal of the Marketing Club, to supplement textbook material with actual field information and problems. Among the speakers at club meetings have been representatives from Timken Roller Bearing, Roadway Express Trucking Company, IBM, Burroughs, and Munroe. Akron U's Marketing Club also participated in a joint meeting with Kent State's student marketing clubs and the Akron Area Chapter of the American Marketing Association. At this meeting "The Future Roles of Computers" was investigated by a panel of guest speakers.

Row 1: M. Klein, L. Bailey. *Row 2:* L. Long, J. Burgess, M. Bond. *Row 3:* L. LaFleur, Adviser; P. Byrne.

physical education, johnson

The Women's Physical Education Club requires that members have a minimum of ten hours in physical education courses, with at least a 2.5 accumulative average and two semesters work at the University. It promotes learning and proficiency in various types of sports by sponsoring and attending field days and sports competition. It requires a major or minor in the field of physical education. Its approximately 25 members meet twice a month.

*

Anyone having taken English I is eligible for membership in the Johnson Club. Meetings are held once a month to promote literary interest on campus and to hear literary lectures and hold discussions on literature. Its twenty-four members also met at other times to hear special lecturers and speakers on literature.

Row 1: B. Mory, L. Beason, B. Zeh, President; Mrs. Hull, Adviser. *Row 2:* M. Denholm, L. Sayre, C. Billhartz, M. Paolucci, S. Hanigofsky. *Row 3:* M. Jones, W. Dremak, F. Deryick, P. Campbell. *Not pictured:* T. Slough, R. Krill, W. Berry, M. Ream, E. Varian.

Row 1: Debbie Round, Frank Chaff, President. *Row 2:* Dr. Sherman, Adviser; Carl Smith, Dave Hiller.

political, secretarial science

The purpose of the political science club is to promote better understanding of the political structure of the United States. Its twenty-five members meet once a month for debates and discussions. Requirement for membership is that one be a political science major.

*

The Secretarial Science Club is composed of girls with an interest in secretarial science and the innovations and problems of this field. At its monthly meetings, speakers discuss specific areas of the secretarial sciences; the programs this year included speakers from Charmette finishing school and a representative of the National Secretaries Association. The club also held a Spring banquet honoring its adviser. Membership numbers fifteen.

Row 1: Dr. A. E. Misko, Adviser; T. Turnbaugh, C. Bognar, P. Collins, L. Claborn, President; B. Wolf, N. Rudgers, L. Barnhart, B. Didyk. *Row 2:* M. King, J. Whitmer, C. Christner, M. Buida, P. Darby, B. Graham, S. Weinstein, J. Santilli. *Row 3:* S. Fetter, H. Bycura, N. Dannenbring, K. Thompson, A. Lastocy, P. Evans, M. A. Myers, P. Phillips.

spanish

Any student enrolled in any of the offered Spanish classes at the University of Akron is eligible for membership in the Spanish Club. This year the club invited some of the Latin American visiting teachers at the University to a party in their honor. The club also held a party for its adviser, Dr. Internoscia, who is retiring this year. The purpose of this club is to provide the opportunity for students of Spanish to practice speaking the language, as well as to learn about those countries in which Spanish is spoken. The Club has approximately twenty to forty members.

s.n.e.a.

Membership to the S.N.E.A. is open to any student interested in either elementary or secondary education as a career. This year members attended regional meetings at colleges throughout the state, sponsored a glove-tree project for the Children's Home, participated in education ceremonies for the New College of Education building, sponsored an annual membership tea and ended the year with a banquet at the Akron City Club. Speakers are heard in the field of education at the meetings which are held monthly in the Buckeye rooms of the Student Center. Membership this year totaled over one hundred.

Row 1: J. McGuire, K. McCahan, M. Kaufman, President; K. Shively, J. LaRocca, Dr. Distad, Adviser; J. Smith. *Row 2:* S. Moats, B. Weissert, S. Fielder, J. Wilson, D. Snyder, K. Knight, S. Waxman. *Row 3:* M. Moore, C. Miller, B. Nixon, P. Gindlesberger, J. Drone, B. Baker, S. Young, J. Preer, B. McDonald, R. Falkenstein, M. Bell, P. White, J. Willis, M. Jubin, C. w.a.a.

The Women's Athletic Association is open to any woman who has an interest in athletics and has participated in fifty per cent of the games in one tournament; active membership is maintained as long as the member participates in at least one activity each school year. These activities include swimming, archery, badminton, volleyball, basketball, mixed bowling, ping pong, track events and softball.

Physical fitness and good sportsmanship are goals stressed by the club. Meetings are held twice a month, with special meetings called before important events.

y.w.c.a.

The Akron University chapter of the Young Women's Christian Association is open to any University of Akron woman interested in joining in its activities. The club exists to be of service to the community; some of its projects include the donation of a Thanksgiving basket to a needy family and the sponsoring of a Christmas party for convalescing children at Children's Hospital. Its meetings are held twice a month in the Student Center. Its membership numbers approximately forty-five.

Row 1: L. Lane, N. Carosella, B. Lammlein, President; C. Shay, J. Brockett, C. Lucchesi. *Row 2:* L. Meadows, J. Smart, K. Hartman, D. Baltayan. *Row 3:* A. Peterson, L. Ohlinger, F. Parker, B. young democrats, republicans

The Young Democrats club is devoted to promoting an interest in the Democratic party among students at the University of Akron. The club sponsors prominent members of the Democratic Party as speakers at luncheons, and encourages its members to participate in political debates and rallies. Its thirty members meet twice monthly for luncheon meetings.

*

The purpose of the Young Republican Club is to promote the principals of the Republican party and to aid and support the Republican candidates in city, state, and national elections. Meetings are held twice a month for the club's one hundred forty-five members.

Alpha Delta Pi

The women of Beta Tau chapter of Alpha Delta Pi celebrated their twenty-fifth year on the campus this year. Begun in 1921 as Sigma Delta Theta, a local sorority, the chapter became affiliated in 1938 with Alpha Delta Pi. Because of the shortage of housing during the 1940's, Beta Tau members were obligated to use the first floor of the Phi Kappa Tau house, forcing the fraternity men to the second floor. Today the ADPi's have their own home on Buchtel Avenue, opened each year to the students and faculty at their Circus Tea. Other annual social events include a Founders' Day Program, a Mother-Daughter Banquet, and two dinner-dances. At the Spring Dance a "King of

Diamonds" is announced and the winner is presented a trophy. When a sister becomes pinned or engaged the chapter serenades her with the sweetheart song "I Love the Pin." A new custom has been added this year—a very successful Father-Daughter Banquet. A new silver tea service, given to the chapter by the alumnae was used at the Christmas Tea for the foreign students on the Hilltop. The ADPi's also entertained at the Old Folks Home with Christmas carols. The chapter stresses both campus and community leadership. Beta Tau members are very proud of the Dorothy Shaw award, given by the national sorority, to one of their members for her outstanding leadership.

Alpha Gamma Delta

Founded nationally in 1904, Omega chapter of Alpha Gamma Delta was installed on the Hilltop during the 1920's. Among their outstanding alumnae are Mrs. Russell DeYoung and Mrs. Cyrill Jones. Each year the alumnae present four awards to chapter members. Achievement awards are given for excellence in scholarship and campus activities and honors are also presented to the outstanding senior and outstanding pledge. Within the chapter a candlelight ceremony marks pinnings and engagements. At the annual Christmas formal, an Alpha Gamma Delta sweetheart is announced. Other annual events include a June Formal, Founders' Day Banquet and Paddle Dinner, to which the fathers are invited. At this time the little sis's present their paddles to their big sis's. Traditionally the Mothers' Club cooks spread for the chapter before Thanksgiving and Christmas vacation. On March 17 Alpha Gams open their home to the student body for a St. Patrick's Day Tea. Omega chapter, along with other area Alpha Gamma Delta chapters, attended International Reunion Day at Kent this fall. A luncheon followed by workshops provided the background for a day of fun. With the help of Phi Delta Theta Fraternity, the Alpha Gams entertained retarded children at Christmas. Santa Claus was on hand to distribute gifts to the children.

Delta Pi chapter of Alpha Kappa Alpha is one of the newest sororities on campus. Formerly known as the Ivyettes the AKA's were officially installed on the Hilltop, April 15, 1961, when 10 charter members were initiated. The national sorority was founded in 1906 by Ethel Hedgeman Tyle on the Howard University campus. Beginning with 15 charter members the sorority has grown to a membership of 25,000. Today there are 108 undergraduate chapters and 180 graduate chapters throughout the United States. Since its installation on campus the AKA's have held a scholarship and installation banquet, followed by a successful rush. The new pledges rewarded their model active, hoping to make this an annual award. Each year alumnae reward the most outstanding girl scholasticaly with a scholarship. Besides their annual Founders' Day celebration, the active chapter entertains the alumnae twice a year. Christmas vacation found the AKA's in Detroit, Michigan, for Boule, the meeting of all chapters. This gathering is held every 18 months. In addition the chapter attended their annual regional meeting held in Flint, Michigan, this past year. To help in community work the AKA's visit local rest homes, presenting a musical program. They also distributed baskets of food and covered dishes to the patients. Presently meeting in the Student Center the AKA's are looking forward to the day when they will have a permanent sorority house on the campus.

Smiling AKA's show they're pleased with their new pledge class.

Camera-shy card players . . . all but one.

At Greek Week skits, the AKA's do a take-off on Greek mythology.

Delta Gamma

Sandy Banyar
Fall President

Shirlee Stewart
Spring President

Eta, the oldest existing chapter of Delta Gamma, was founded on the University campus March 15, 1879. Their first home was an apartment in Curtis Cottage. Later, during the fire which burned down the first Buchtel Hall, the DG's calmly went on with their meeting, ignoring the smoke and fire. It is with this same determination that the DG's pursue their goals today. Each November the Lone Stars and Delta Gams sponsor the Hobo Hop, giving all proceeds to the Summit County Home for the Blind. Once a year the members gather at the Home to help with spring house cleaning, and at Christmas they entertain the patients with carols. For the past several months the Delta Gams have been reading to a blind student. Social events this year have included the annual "Let's Go To Florida" open house, held the day before spring recess; the Golddiggers spring formal, a Christmas formal, and an international tea for the foreign students. Within the chapter five awards are given annually. Honors go to an outstanding senior, outstanding pledge and to a sophomore, junior, and pledge who have displayed outstanding scholastic achievement. A new tradition has been added at the Delta Gamma house this year. A senior bench was placed in the living room. Any unlucky underclassman found sitting on the bench is obliged to polish it for 15 minutes. The members of Eta chapter are proud of their outstanding alumna, Miss Caroline Pardee, secretary to President recently pledged $15,000 to the University, in memory of her father, Judge W. E. Pardee, to provide a practice courtroom in the new building for the Colleges of Business Administration and Law.

Nancy Stocker, a DG, is one of AU's strutting Zippettes.

Delta Zeta

One of the newest sororities on the campus, Delta Zeta, was founded nationally in 1902. Theta Zeta colony was begun on the Hilltop in May, 1962. With the help of a Delta Zeta traveling secretary rush was held and 50 girls pledged. Throughout the summer the pledges worked to prepare fall rush and to organize the colony so they would be prepared to assume the duties of being installed as a chapter. A home was purchased at 201 Spicer Street and completely refurnished and redecorated. On November 10 the girls moved into their new chapter house and the chapter was officially installed on campus. With the help of the Kent State chapter, Kappa Alpha, 25 girls were initiated into Theta Zeta chapter. A banquet was given in their honor by the Akron Alumnae Association on November 11, and an open house showed their new home for the first time. Already the chapter has held a Dream Girl Formal, Awards and Founders' Day Banquet, big-little sis Christmas party and a Mother-Daughter Banquet. They hope to make these annual events. A Delta Zeta open house was held during Greek Week. Within the chapter awards are given to the Dream Girl, outstanding pledge, highest scholarship and most improved scholarship. The Dream Girl Ceremony is held when a member becomes pinned or engaged. The DZ's are looking forward to many successful years on the Hilltop.

Lambda chapter of Kappa Kappa Gamma was founded in 1879 on the University's campus, making it the oldest sorority at AU. With the help of alumnae and chapter members the chapter has grown to its present size. Outstanding alumnae include Miss Frances McGovern, Past Chairman of the Public Utilities Commission of Ohio and Mrs. Alfred Herberich and Mrs. John Denison, both of whom opened their homes this summer for the University Freshman Receptions. Beginning this year Lambda has planned an extensive cultural program. The members will be studying a particular country, delving into its political organization, customs, music, literature, and art. To begin the program Mr. Alvin Larson showed his slides of New Zealand to the chapter.

Included among awards which are given to outstanding Lambda members are "Kappa of the Month," a yearly activities key, and scholastic keys to girls who have excelled in the areas. The Jane Pesar Award is given each year to the girl who best exemplifies the ideals of a Kappa woman. This award was begun in memory of Jane Pesar, a Kappa who died while attending The University of Akron. The recipient wears the sorority crest on a chain and her name is listed on a special sorority plaque. One of the highlights of the Kappa social year is the Christmas Tea planned by the pledge class. Open to the University's faculty and student body, it is always held the day before Christmas recess. Other annual events include the Spring and Winter formals, a square dance, two scholarship dinners and a senior banquet.

Phi Mu's go oriental for a fall rush party.

Omicron chapter of Phi Mu began the year by celebrating their fiftieth anniversary on campus with a dinner and dance in the Sheraton Ballroom. At this time three of the original twelve charter members recalled the first years on campus, when Phi Mu boasted the only sorority house. Today, the old Spicer mansion is Phi Mu's house. Here at the chapter house are held the annual Father-Daughter dinner, Pledge Parents' dinner, and the chapter's philanthropic project—the King of Hearts Tea. Each fraternity nominates a candidate and the one receiving the most votes in the form of money becomes King of Hearts. All proceeds go to the Akron Beacon Journal Charity Fund.

Many awards are given each year to outstanding members of the chapter. Each month a girl is selected as Phi Mu of the Month. For her contributions to Omicron she wears a silver bracelet which rotates among the members. Awards are also given each year to an outstanding senior and pledge. Among all the traditions of Phi Mu the passing of the candle is probably the most exciting. A lighted candle is passed from sister to sister, and the one who blows it out has recently been pinned or engaged. After the girl has revealed her secret by blowing out the candle, the members sing the Phi Mu Sweetheart song to her. The Phi Mu's, looking forward to another fifty years on campus, closed the school year with their annual Mother-Daughter Luncheon at the Firestone Country Club.

The Phi Mu's are proud of Elaine Baker, an army R.O.T.C. sponsor.

SDT's perform in the Greek Week skits.

The newest sorority on campus is Sigma Delta Tau. They were founded nationally at Cornell University on March 24, 1917. The local pledge colony was established December 6, 1962, on the Hilltop. Formerly they were a local sorority, Delta Pi Iota. With the help of the Ohio State chapter of SDT and local Delta Pi Iota alumnae a successful rush culminated with pledging and the establishment of a colony. The new pledges are looking forward to the time when they will be installed as a national chapter. Presently they hold their meetings in the Student Center but are planning a new sorority house for next year. They have held a picnic and party in honor of their pledging and colonization.

Formerly known as Chi Lambda Phi, Sigma chapter of Theta Phi Alpha was installed on the University campus in 1931. The national sorority, founded in 1912, last year celebrated its Golden Jubilee in Cleveland. Elected at that time to honorary membership was Mrs. Kathryn Granahan, Treasurer of the United States, and Maria von Trapp of the Trapp Family Singers. Miss Trapp was also awarded the Sienna Medal, an honor previously received by Loretta Young. The Theta Phi Alpha girls have also been busy with their philanthropic projects. At Christmas time chapter members entertained at the Children's Home. They also supplied baskets of food for several needy families during the holidays. Annual social events include the Sweetie-Pie Open House. Each fraternity nominates a candidate and at the all campus open house the Campus Sweetie Pie is announced. Each year the mayor and councilmen are invited to a spread at the chapter house. The Theta Phi's traditionally honor their newly pinned or engaged sisters at the White Rose Formal. These girls are presented with a dozen white roses, the sorority flower, and are serenaded by their sisters. Within the chapter awards are given to outstanding members. At the annual Founders' Day banquet honors are given to members who excell in service and scholarship. At this time the Senior Service award is given to an outstanding senior. Rounding out the year's activities a Mother-Daughter Communion Breakfast was held in May.

Zeta Tau Alpha

Zeta Tau Alpha was founded nationally in 1898 at Longwood College in Virginia. Beta Xi chapter was installed on The University of Akron campus in 1929. Annual social events include a spring and Christmas formal, the Sweetheart Dance, sponsored by the pledges; square dances, and swim parties. An annual Gingerie Open House is held every spring. This summer found Beta Xi members at the National Convention in Hot Springs, Arkansas. The philanthropy of Zetas is helping Cerebral Palsy children. Beta Xi members open their home to the parents of retarded children for their monthly meetings. Within the chapter many awards are presented. A bracelet is given each month to an outstanding pledge. The name of the most outstanding pledge of the year is entered on a sorority plaque. Traditionally, newly pinned or engaged girls must bring five pounds of chocolates to the house to announce their engagement.

The Zeta's have been remodeling their chapter house this past year. To show their gratitude for the help given by the alumnae an Appreciation Tea was held in their honor.

Alpha Epsilon Pi

Formerly known as Phi Kappa Rho, Theta Deuteron chapter of Alpha Epsilon Pi was founded on the University's campus, December 14, 1941. Among its outstanding alumni are Professor William Beyer, Professor Leonard Sweet, and Bernard Rosen, a member of the University Board of Directors. Due to the efforts of two loyal alumni, Harvey Leff and Kenny Koller, the AEPi's hope to expand their chapter house this summer. It is hoped that next fall, 30 men will be able to live in the house. In the community the brothers are active workers in the yearly Jewish Welfare Fund Drive. The donations are sent to Israel and to European countries where Jewish people are in need of help. Twice a year Theta Deuteron chapter gathers at the Akron Jewish Center to work for the day. Last year a backstop for the baseball field was built with their help. Social events include an active and alumni Thanksgiving Day breakfast and football game and an all campus open house. The National Bagel Day Open House was begun by Theta Deuteron chapter and next year may become a yearly event for all AEPi chapters. At the annual Founders' Day Banquet, four awards are presented. A scholarship and athletic award is given and honors are bestowed on the outstanding pledge. The A. H. Alpern Memorial Award is presented for fraternalism, leadership, scholarship and a civic mindedness.

"Oh say can you see?"

A rushee gladly accepts his bid from Floyd Shepherd, President of Alpha Phi Alpha.

Alpha Phi Alpha, the newest fraternity, has grown in membership and leadership since its establishment on the Hilltop in 1957. Three years ago a graduate chapter of Alpha Phi Alpha was established in Akron. The brothers presented a humanitarian plaque to Dr. Ralph Bunche this year. Dr. Bunche was a Town and Gown speaker during the winter. The plaque read: "for his outstanding contribution to humanity both at home and in foreign policy; for his contribution to the Negro people on the whole; for his contribution to the United Nations in its striving for world wide peace." The plaque was given by both the graduate and undergraduate chapter. The men of Alpha Tau chapter also participated in a scholarship program at South High School in April. Honored were three South graduating seniors and an Alpha Phi Alpha member. The brothers are proud that one of their members was elected Assistant Regional Vice President of Alpha Phi Alpha, the undergraduate governing body. Social events this year included a winter formal. At this time an Alpha Phi Alpha queen and her court were presented. Activation is traditionally held on the Sunday following Pledge Week. This year the Regional President attended initiation.

Lambda Chi Alpha was founded nationally in 1909. Ten years later the local fraternity, Sigma Beta, became the Gamma Alpha chapter of Lambda Chi Alpha on the Hilltop. Outstanding alumni include Kenneth Cochrane, William Mavrides, and Dr. Thomas Sumner, all University faculty members; Fritz Nagy, a member of the All-American basketball team, and Charles Williams, elected to the All-American soccer team. Next year the chapter is looking forward to moving into a new house. To help the brothers reach their goal, the Lambda Chi Mothers' Club sponsored a concert by the "Four Preps" in May. Other social events included the annual spring and winter formals, active-alumni picnic, a big-little brother party, Woodchoppers' Brawl, and the Crescent Queen Contest. An annual Nurses Skit Night gives area student nurses an opportunity to compete for honors. Within the chapter a scholarship banquet is held each year. Recognition buttons are presented to outstanding actives. At the winter Founders' Day Banquet six awards are given to chapter members. Honors go to an outstanding pledge and a pledge who has shown scholastic achievement. Awards are also given to active members for leaderships, fraternalism, scholarship and athletics. In the community the brothers of Lambda Chi Alpha held a Christmas caroling party for charity. They also helped the Goodwill Industry.

Phi Delta Theta was founded at Miami University in 1848. Along with two other fraternities, Beta Theta Pi and Sigma Chi, also founded at Miami, they formed the Triad. This group has done much to push the fraternity system. The local Phi Delta Theta chapter was established on the Hilltop in 1875. During World War I the chapter became a local, Zeta Alpha Epsilon. Phi Delta Theta was later refounded on campus in 1924. Since then their fraternity house has burned down twice. The present chapter house was built during the 1930's.

Outstanding alumni include Ed Garrigan, State Senator, Verlin Jenkins, Alumni representative on the University Athletic Committee, and E. C. McCormick, insurance and trucking company executive. Traditional events include a Love Feast, held on December 6. to commemorate the founding of the national fraternity. At the Founders' Day Banquet in March outstanding members are honored. Awards are given for top scholarship, most improved scholarship, Phi of the Year, Top Pledge and a Pledge scholarship of the Year. Social events included a spring and New Year's Eve Dance. All-Phi Show, and the Good Ship Phi open house. Shekeia week finds co-eds honorary pledges. This week of pledge work is culminated by their honorary activation into the fraternity. To celebrate pinnings a dinner is held for newly pinned co-eds, followed by a short ceremony and the presentation of a corsage of white carnations, the fraternity flower.

Oh, you live here.

Phi Sigma Kappa

Phi Sigma Kappa was founded at the University of Massachusetts on March 15, 1873. The Phi Sig's appeared on the Hilltop in 1942 when a local fraternity, Alpha Sigma Omicron, was nationalized. Among their outstanding alumni are two faculty members, Dan Salden and Dean Richard Hansford. Dr. Sherman, Head of the Political Science Department, is faculty adviser. To aid their philanthropic projects, the Phi Sigs and Delta Zetas contributed food and clothing to a needy family during the Christmas season. Annual social events include a spring formal, alumni sponsored Christmas Party and an annual Founders' Day Banquet.

Founded on January 18, 1882 on The University of Akron campus, Lone Star claims the distinction of being the oldest, existing, local fraternity in the United States. The men of PiKE claim such distinguished alumni as Hezzelton Simmons, past President of the University, for whom Simmons Hall was named; Charles Jahant, a member of the Board of the University and Vice-President and co-founder of General Tire and Rubber Company; Parke Crisp, named to the All-American football team in 1918; and Harry Schrank, Chairman of the University Board of Directors and President of Seiberling Rubber Company. To support their philanthropic project the Lone Stars, with the help of Delta Gamma, hold a Hobo Hop in November. All the proceeds are given to the Summit County Home for the Blind. Annual social events include the Hoity Toity Tea Open House, an activation banquet, two formals, and many house parties and hayrides. Within the chapter three awards are given annually. These honors are presented to the member with the highest scholastic average, to the most improved scholastic average and to the outstanding pledge. A campus tradition has grown around the Lone Star bell. A large, cast iron bell, its familiar gong is heard at pep rallies, football and basketball games and political parties.

On September 19, 1948, Chi Gamma colony was installed as Beta Rho chapter of Tau Kappa Epsilon at the University of Akron. Since its installation, Beta Rho has continued to grow steadily in numbers and in campus standing. Beta Rho has had many distinguished graduates, including James Kopp who was elected to the position of Top Teke in the country last year. Distinguished faculty members include Dr. William Stevens, Assistant Professor of English, Dr. Alfred Johnson, Associate Professor of Education, and the late Dr. Howard Evans, former Dean of the College of Education. Members of the community include James Tarson, President of Tarson Realty.

Beta Rho's biggest campus event is its sponsorship of an annual independent-sorority swim meet. Tekequacade, as the event is called, is held each year two weeks before mid-term examinations. Each group competes for trophies for each event and for the over-all tekequacade trophy. The social calendar at the fraternity house, 166 Fir Hill, is crowded with the usual assortment of parties and get-togethers. The three events which highlight the social year are the annual Halloween-Hay-Ride, the spring formal and the winter formal. Following the pinning of one of the fraters, the young lady is serenaded by the men of the fraternity and presented with a dozen red carnations, the fraternity flower.

A white colonial house, built by Harvey Firestone, founder of the Firestone Tire and Rubber Company, is the home of Beta Lambda chapter of Theta Chi. Originally known as Chi Theta Tau, a local fraternity, they became affiliated in 1942 with Theta Chi. Outstanding alumni include Hollis Allen, prominent Akron lawyer; Russell De Young, President of Goodyear; Harry van Berg, Judge of the Akron Municipal Court; and Robert Berry, Adviser of Men at the University. In the past the alumni have redecorated the house and have presented a baby grand piano to the chapter. Besides an annual Founders' Day Banquet; Corral, the annual meeting of Theta Chi in this region was held in Akron this year. Other social events include a yearly Hobeaux Arts Ball and Southern Hospitality Open House, hayrides, desserts, house parties and two formal dances. The men of Theta Chi are known particularly for their tradition of serenading the new sorority pledges on the night of pledging. They are serenaded by torchlight with the Theta Chi Sweetheart Song, and each new pledge is given a red carnation, the fraternity flower. The men of Theta Chi are very proud of Miss Pearl Marie Yount. their candidate, who was chosen as sweetheart of Region Six of Theta Chi.

Service to the University and Community, scholarship, and leadership are the prerequisites for membership in Pierian, senior women's honor society.

This year Pierian members conducted the women's elections and sold Campus Pacs, the proceeds of which were put into a scholarship award given to an outstanding senior woman. Other activities included ushering for the Honors Convocation, Baccalaureate and Commencement.

With the aid of Deans and Department Heads of the University, Pierian prepared a booklist of suggested outside reading to broaden the scope of the college student. Dr. Auburn spoke at the literary seminar held in May.

Omicron Delta Kappa

Twice during the school year Omicron Delta Kappa extends the opportunity of membership to outstanding men of exemplary character, scholarship and leadership.

Membership is limited to juniors and seniors in the upper one-third of their class. These men must exhibit outstanding leadership in at least two diverse fields. The privilege of wearing the O.D.K. key is also offered to various faculty members and community leaders.

The founders of O.D.K. formulated the principle that leadership of exceptional versatility should be recognized and that representative men in all phases of college life should cooperate in worthwhile endeavors.

Nick Yancura

alpha lambda delta

Alpha Lambda Delta, freshman women's honorary, recognizes scholastic attainment during the freshman year of college and encourages academic achievement among freshman women.

To be eligible for membership, a woman must attain a 3.5 quality point ratio for either the first semester or the first year in college with a minimum load of 15 hours the first semester or 30 hours the first year.

alpha chi sigma

Alpha Chi Sigma, chemistry honorary, holds monthly meetings at the home of Dr. Thomas Sumner. Luncheons and parties round out the activities of Alpha Chi Sigma, professional chemistry fraternity. Tapping takes place twice annually and members are required to be majoring in chemistry and to have completed three semesters of chemistry maintaining at least a 2.00 average.

Wiley, M. Kaufman.

kappa delta pi

The national education honorary, Kappa Delta Pi, was organized to give fellowship and encourage leadership in education.

Prospective members are notified by letter after the approval of the membership committee and the Dean of the College of Education. To be eligible for membership in Kappa Delta Pi, a student must have a 3.25 overall average, outstanding leadership ability, and must have completed professional courses in education. Activities for this year included regular meetings and various luncheons for members, alumni, and faculty.

Row 1: W. Stevens, H. Prinzo, J. Hadley, G. Eberhardt, R. Reed, R. Moore, K. Bechtol. *Row 2:* J. Daily, R. Parker, P. Krichbaum, D. Cabell, T. Powers, D. Ruddock, L. Carver, D. Oxford. *Row 3:* T. beta delta psi

At the beginning of each semester junior and senior business majors meeting certain academic requirements are eligible for membership in Beta Delta Psi, the scholastic honorary for the College of Business Administration.

Activities for this year included a Kaffee Klatch held in November and the publication of a news letter to the business school alumni. Members of Beta Delta Psi also attended a dinner in May and a joint picnic with business faculty members. Meetings are held twice annually for the planning of activities and election of officers.

Row 1: H. Suarez, W. Oldham. J. Shoemaker, F. Phillips. Row 2: M. Ream, J. Berentz, G. Gay, C. Blair, D. Salden, P. Klomp, D. Louthan, M. Cox, P. Tussing. *Row 3:* S. Pierce, C. Pitts, L. phi alpha theta

A vital interest in history, a 2.75 scholastic average and 12 semester hours in the field are the requirements for Phi Alpha Theta, history honorary. This is a national group and Dr. Riede is adviser for the organization. Regular meetings are held.

Row 1: E. Chaney, K. Bechtol, President; D. Norman. *Row 2:* H. Oswald, L. Schmardebeck, K. Dressler, A. Richards, Adviser. *Not pictured:* D. Auvil, N. Kreps, J. Brooker, G. Abraham, T. Ashton, F. Botz, D. Chapman, R. Hagstrom, L. Handler, K. Kraus, R. Limbach, J. Taylor, D. White.

phi eta sigma

The national freshman men's scholastic honorary, Phi Eta Sigma, tapped 13 men this year. The activities in which they participated consisted of publishing a pamphlet entitled "Hints on How to Study," made available to all freshmen; and offering a guide service during Orientation Week. Two initiation meetings were held in October and April.

To be eligible for membership, a freshman must earn an average of 3.5 for either a minimum of 12 hours in the first semester or 24 hours in the first two semesters.

Row 1: Linda Laatsch, J. Greene, J. Johns, S. Hill. *Row 2:* M. Lang, L. Mallo, S. Haake, M. Kaufman. *Row 3:* K. Dressler, J. Abercrombie, L. Schmardebeck. *Not pictured:* J. Burgess, L. Fabre, J. McKelvy, S. Pierce, M. Sack, A. Weidman, G. Bauer, D. Marr.

phi sigma alpha

High scholarship among students in the College of Liberal Arts is the aim of Phi Sigma Alpha, liberal arts honorary.

At the annual dinner held in April, eligible students were initiated. The guest speaker for this event was Dr. Norman P. Auburn. Juniors having completed 77 hours with a 3.5 overall average, and seniors having completed 108 hours with a 3.25 overall average are eligible for membership.

Each year Phi Sigma Alpha awards $50 prizes to the sophomore and junior maintaining the highest academic rating of their respective classes. A scholarship of $400 for a full-time liberal arts junior or senior was given to Anne Zsilli, a junior majoring in history. An average of 3.0 is necessary to be eligible for this award.

phi sigma society

To promote active interest in biological research and to provide for the exchange of new information is the goal of Phi Sigma Society.

Completion of 16 hours of biology with a 3.0 average and completion of a substantial research and experimental project are the requirements for admission.

This year Phi Sigma sponsored various biological speakers, field trips and research projects. Meetings are held once a month and pledging takes place twice a year.

Row 1: J. McKelvy, President; M. Drew, M. Murty, C. Gauder. *Row 2:* K. Cotterman, L. Mollin, P. Gist, M. Moore, J. Traul, J. Boynton. *Row 3:* C. Schmardebeck, M. Rozen, K. Traul, L. Sutter, C. Spallino, J. Abercrombie, R. Lewellen, J. Wuchter, T. Coffman. *Not pictured:* J. Klein, C. Bauer, K. Brown, B. Burke, G. Cooper, R. Curley, J. Fresno, B. Jones, B. Sharp.

phi sigma tau

A new honorary was established on campus this year, Phi Sigma Tau philosophy honorary.

Undergraduate students are eligible for membership if they have completed three semesters and rank in the upper 35% of their class. Requirements for admission also include completion of two courses in philosophy maintaining a certain academic grade.

Meetings are held on the third Friday of each month and at present there are two initiated members of Phi Sigma Tau.

Row 1: L. Bailey, M. Hood, J. Burgess. *Row 2:* M. Bond, Dr. Lafleur, Adviser; Dr. Clements, Adviser. *Not pictured:* L. Baker, G. Folden, R. Harvey, M. Klein, R. Root.

pi epsilon delta

To further the interest in and progress of educational theatre at The University of Akron is the goal of chapter 76 of Pi Epsilon Delta, (National Collegiate Players). A Junior, outstanding in his participation in the University Theatre productions, may be voted into Players. Dr. James Dunlap is the faculty adviser of this group.

Row 1: S. Donahue, Dr. Dunlap, Adviser; C. Spallino, President. *Row 2:* G. Folden, G. Dick, R. Hicks, P. Daum, J. Sample. *Not pictured:* T. Cumbridge, J. Root, J. Root.

Row 1: A. Tucker, Adviser; T. Kruelski, E. Campbell. *Row 2:* L. Claborn, I. Shriver, J. Putnam. *Not pictured:* L. Butcher, M. Sedlak. L. Williams.

pi omega pi

A combined meeting with the Akron Area Business Teachers Association and a tea for high school seniors interested in business education were the two main activities of Pi Omega Pi, the national honorary for students in business education.

Members must have a superior rating in the work of their major field and an above average overall rating.

pi kappa delta

Ohio Delta chapter of Pi Kappa Delta, national speech honorary, recognizes outstanding students in the line of forensics and debate.

A 2.0 accumulative average and participation in eight intercollegiate oratorical contests enables a student to be eligible for membership in this organization.

Highlighting the list of activities for Pi Kappa Delta was the National Convention held at the University of Southern Illinois in Cardondale, Ill. Ten students and two faculty members attended. Debate tournaments and individual contest at colleges throughout Ohio kept members quite busy.

Row 1: M. Sedlak, P. McFarland, H. Collins, T. Cumbridge. *Row 2:* J. Auston, Adviser; V. Illiof, M. Rizopolus, R. Sandefur, Adviser. *Row 3:* J. Spalding, F. Kovac, D. Salden.

sigma tau

Practicality, sociability and high scholarship are the prerequisites for membership in Sigma Tau, national engineering honorary.

Meetings are held monthly and each year Sigma Tau awards a scholarship medal to the sophomore having earned the highest quality point ratio as a freshman pursuing an engineering curriculum. Tapping takes place in both Fall and Spring semesters.

Row 1: R. Dickerhoff, J. Monteith, F. Smith, J. Whitemyer. *Row 2:* D. Zak, C. Robbins, L. Robbins, D. Warder. *Row 3:* D. Robinson, E. Davis, President; J. Ferraro, P. Postak, J. Ayers. *Row 4:* K. Shumaker, G. Dodrill, E. Eilbeck, E. Hamlen, Adviser; D. Syroid. *Not pictured:* B. Reynolds, R. Rose, T. Ballas, G. Chester, D. Fetchu, W. Gostlin, L. Kiessling, S. Miller, E. Reiser, R. Sonoff.

tau kappa phi

Tau Kappa Phi, home economics honorary, sponsored a dinner for alumni at which three new members were tapped. In order to be initiated, a 2.5 overall and 3.0 average in home economics courses are required.

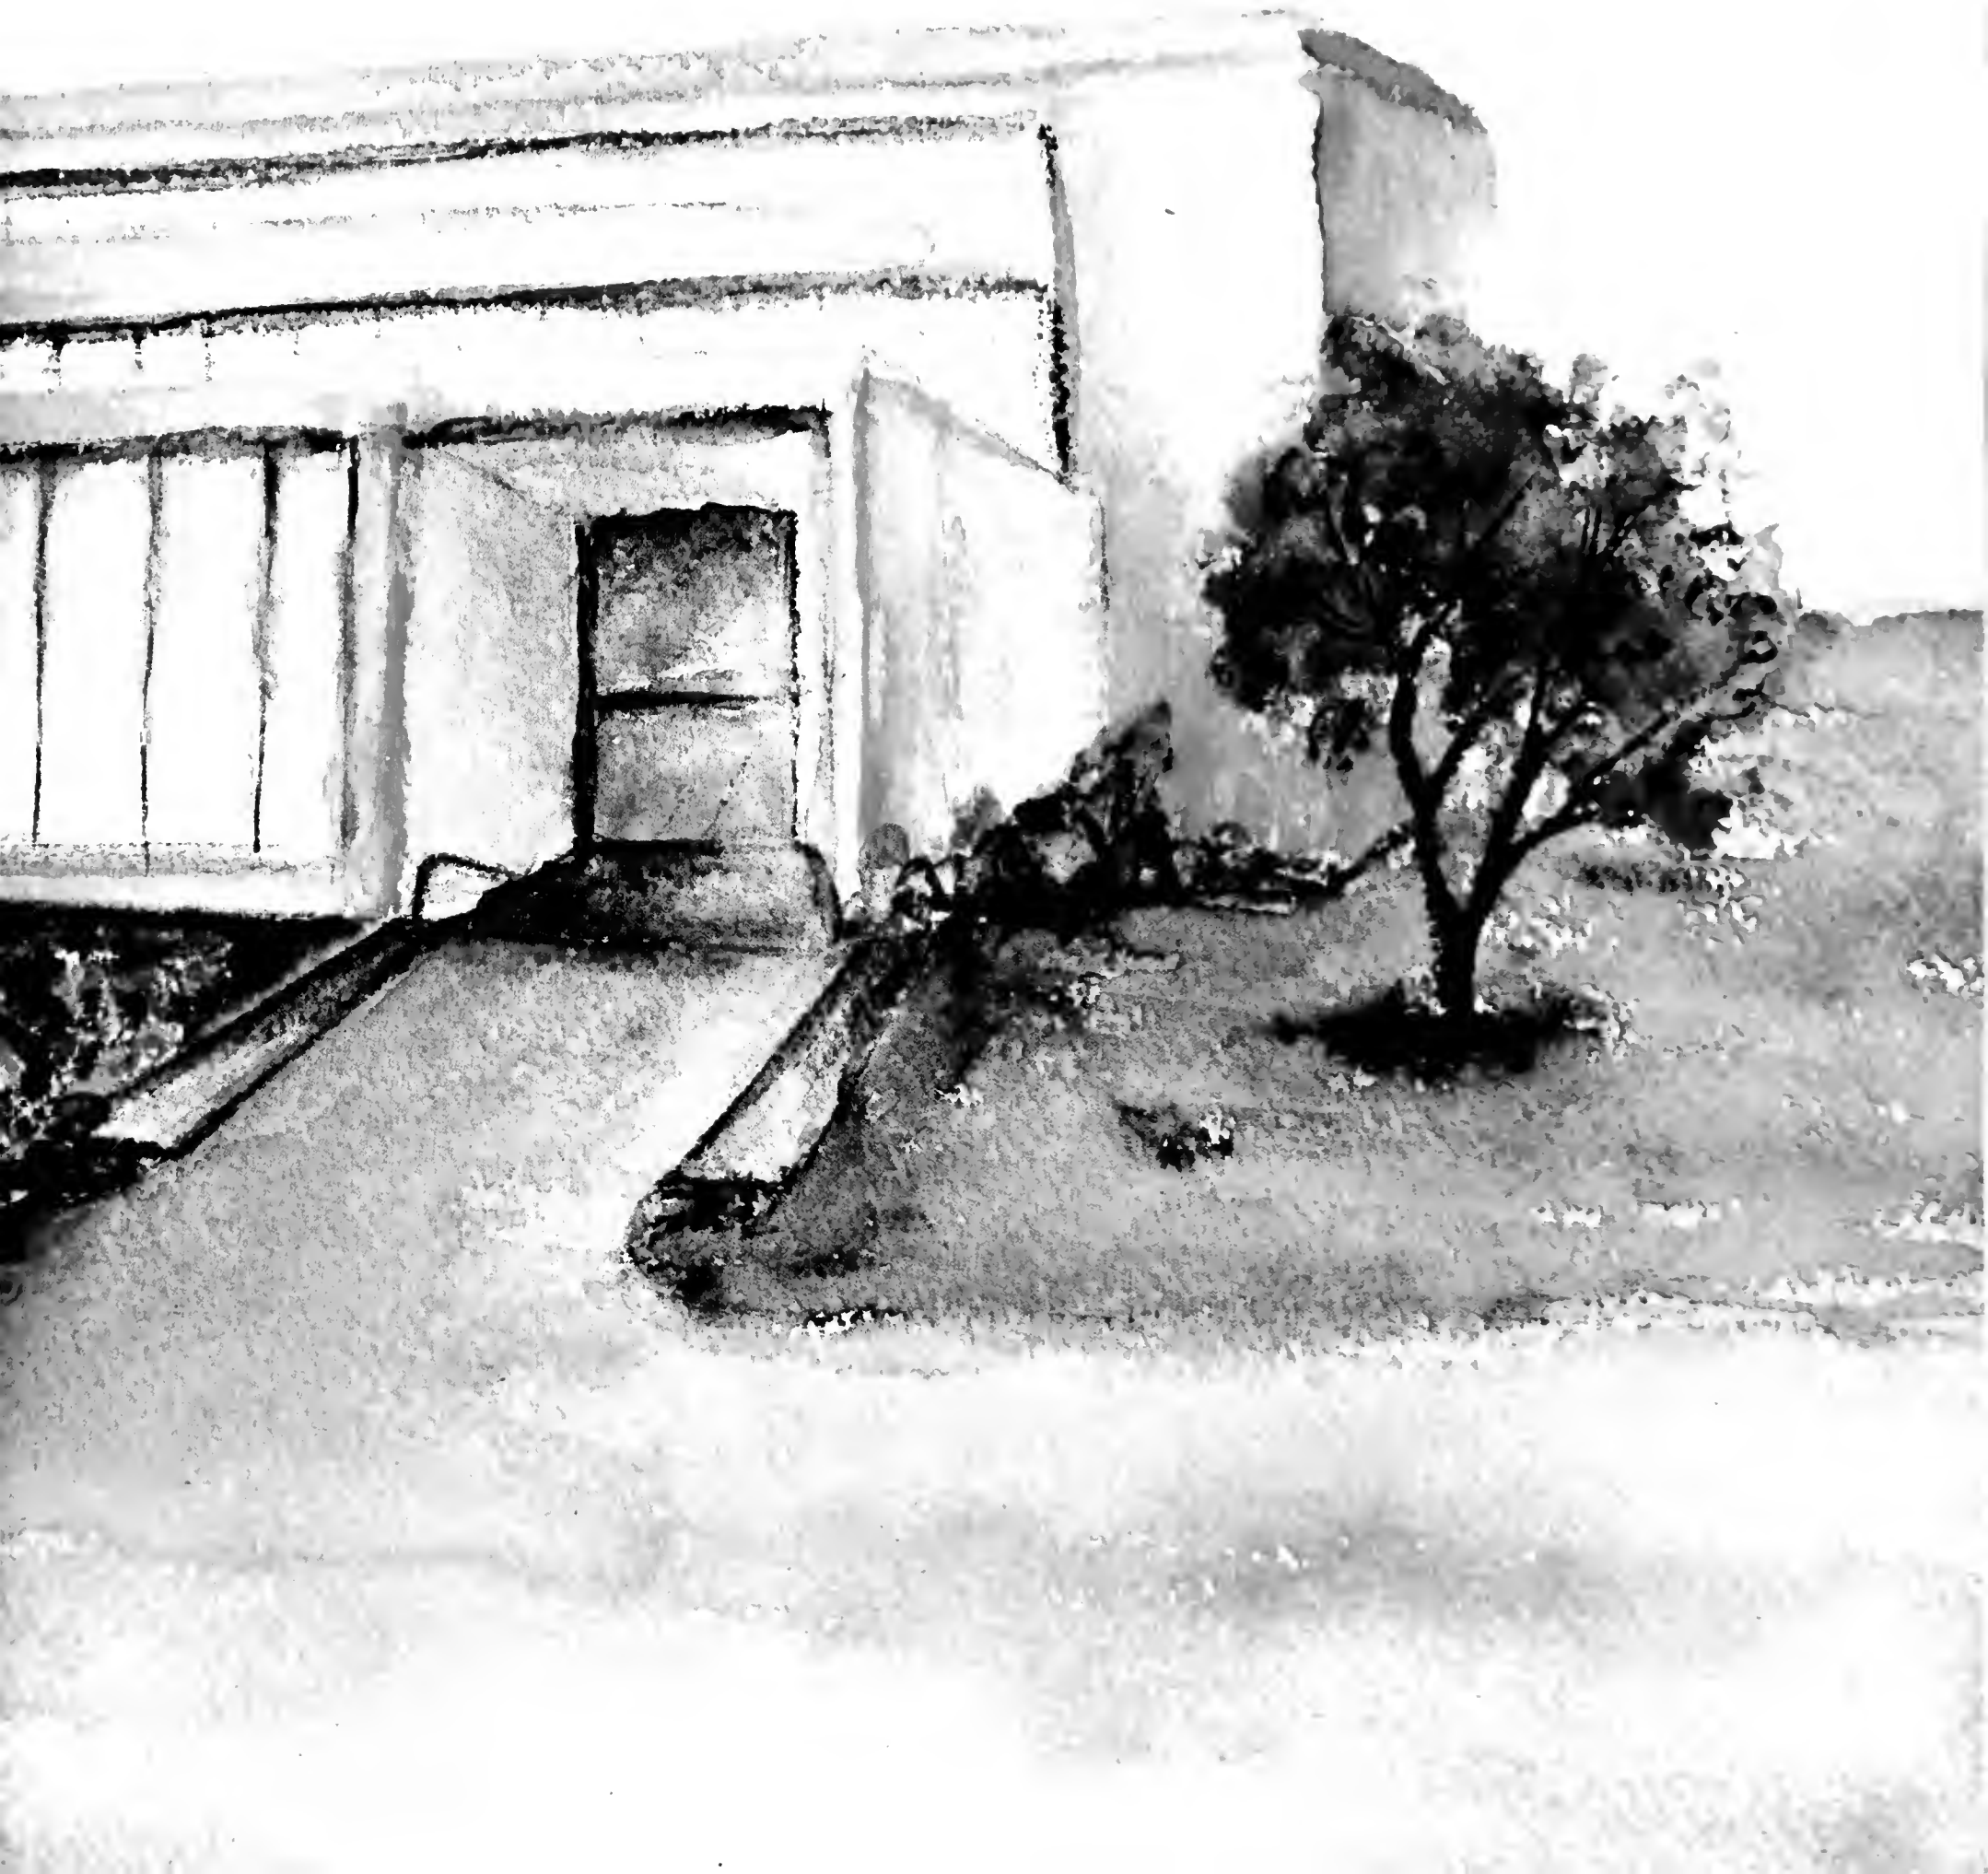
Row 1: M. Arnold, C. Volkmor. *Row 2:* K. Barclay, B. Hamman. *Not pictured:* Y. Cade, M. Griffith, K. Lux.

pi sigma alpha

Six new members were initiated into Pi Sigma Alpha, political science honorary dedicated to stimulating interest and scholarship in political science.

Members must have completed 12 hours of political science courses with a 3.0 overall average. Pi Sigma Alpha has neither regular meetings nor activities as it is strictly an honorary society.

Row 1: Dr. King, Adviser; L. Laatsch, T. Cumbridge. *Row 2:* A. DeCasper, Dr. Sherman, Adviser. *Not pictured:* G. Glinsek, S. Bordash, D. Hiller, J. Papp.



The Student ...

... Royalty

Tel-Buch Queen

jackie shaw

Queen Jackie

Well-suited to royalty . . .

Jackie Shaw, a pert and freckle-faced beauty, is the 1963 *Tel-Buch* queen. She is a junior, majoring in home economics education. At the University she is a member of Delta Gamma social sorority and the home ec club. She has served on May Day and Greek Week committees. Jackie is an avid sports enthusiast—her favorites being swimming and water skiing.

Linda Boswick

linda boswick

Linda is a junior with a major in modern languages and hopes to teach French and Spanish on the high school level. At The University of Akron Linda has been recently elected to Student Council and is a member of the Spanish Club and the Young Republicans Club. Linda is recording secretary and was social chairman of Kappa Kappa Gamma social sorority.

Tel-Buch Attendants

cheryl lucchesi

Although only a freshman, Cheryl has taken a great interest in campus activities. She has been elected to her second year of Student Council, is an officer of YWCA, and works on the *Tel-Buch* and *Buchtelite* staffs. Cheryl is an elementary education major and a member of Alpha Delta Pi social sorority.

King

king bob

bob lawry

Sailing is the favorite pastime of Bob Lawry, *Tel-Buch* King. Bob enjoys sailing because "it is an opportunity for the rare combination of high level competition and casual enjoyment." He has been an Ohio champion for several years and took second place in the Great Lakes competition and the World Meet.

Bob is Vice-president-elect of Student Council and has served as President of Phi Kappa Tau fraternity. This spring he was tapped for Omicron Delta Kappa, men's honorary, and awarded Who's Who in American Colleges and Universities. Bob is also Resident Hall Adviser of Men's Dorm II and has been a Freshman Counselor and delegate to IFC.

Queen Jeanette

Homecoming Queen

jeanette putnik

The 1962 Homecoming Queen is Jeanette Putnik, a senior majoring in Elementary Education. Jeanette is an Army Sponsor and the '62-'63 Sweetheart of Phi Delta Theta social fraternity. She was on the Junior Class Board, was co-chairman of committees for May Day, Greek Week and Songfest, and is a member of SNEA. Jeanette has been assistant rush chairman and corresponding secretary of Alpha Delta Pi social sorority.

OUTSTANDING STUDENTS

Dan looks through the one-way-mirror at students participating in a sociology experiment.

ken dressler

Winner of the Alpha Chi Sigma Freshman Chemistry Award in 1961 is Ken Dressler. As a junior he is already a member of two honoraries—Phi Eta Sigma, freshman men's honorary, and Phi Sigma Alpha, Liberal Arts honorary.

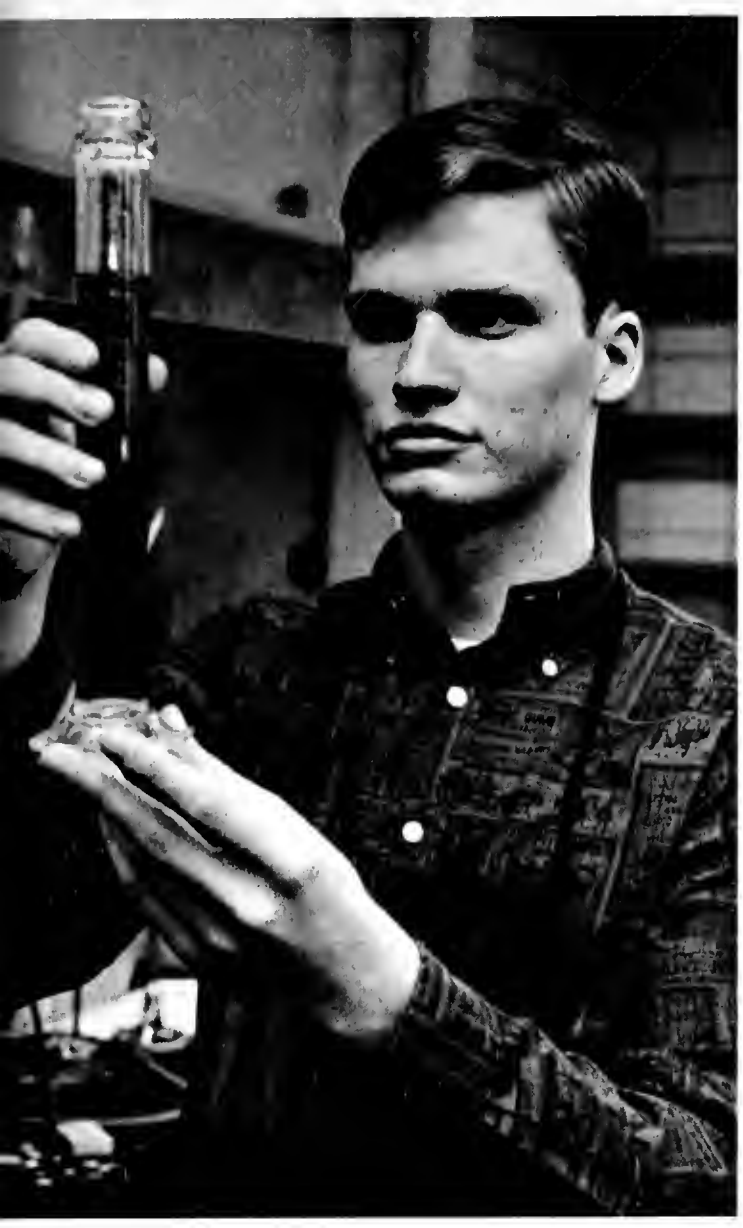
Ken is majoring in chemistry and minoring in mathematics. He plans to do graduate work in some phase of chemistry, perhaps theoretical. He may stay at the University of Akron another year to get an extra math degree.

dan roth

Dan Roth, a senior majoring in sociology, spends a good deal of his time working with Recovery, Inc. Sponsored by the North Springfield United Presbyterian Church, this group aids mental health patients who have been released from the hospital to adjust to normal living again. This includes visiting shut-ins and both ministerial and medical assistance. Dan also works with counseling in the hospital situation.

On campus Dan is a member of the Sociology Club, the Philosophy Club, and University Singers. Dan was originally a music major and both he and his wife, Joanne, are working part time as soloists for various church groups.

Dan hopes to take graduate work at Western Reserve University and perhaps get a degree in geriatrics. He wants to work with medical-sociological diseases, especially dealing with the problems of old people. Dan is looking forward to the six more years of study this will require.



Ken Dressler poses with a graduated cylinder. Fifteen minutes later an explosion in the chemistry lab disintegrated his shirt.

Biomedical engineering is the field Ken Shumaker plans to pursue in graduate study. Ken is a senior in the college of engineering.

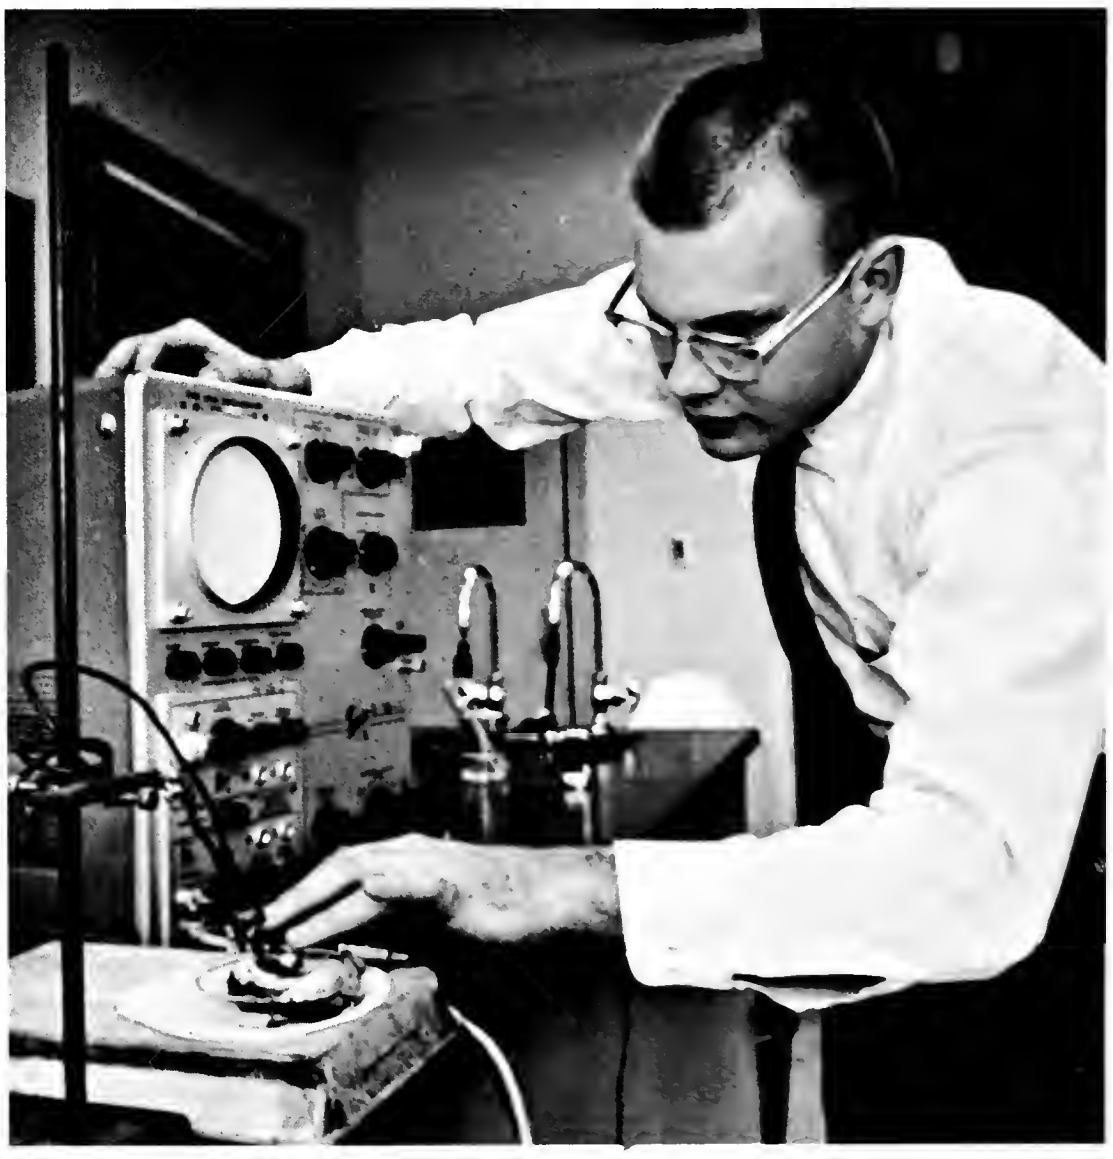
This year he has been taking an elective course in physiology in which he applies his engineering knowledge to do electrocardiograms of frogs. Regarding frogs, electrocardiograms, and electives he says:

"Engineers don't have electives. I didn't know what the word meant until I was a junior. Also we're on a half-semester basis, which doesn't allow you to take extra courses. Finally this semester I took physiology and an extra math course. I met the frogs in physiology and started taking electrocardiograms of the little devils. While giving demonstrations of this I noticed a morbid fascination in people when they see this little frog in a bucket, laid open with an electrode on its heart."

While taking this physiology course Ken decided to do research and graduate study in some biological area because he has always had an interest in medicine. In biomedical engineering Ken will be developing modern medical machines such as the heart-lung machine.

Ken is a member of Sigma Tau, engineering honorary; American Institute of Electrical Engineers, Lone Star social fraternity, and Newman Club. He has been on several scholarships while at the University. His co-op engineering entailed working on military defense projects for IBM in Owego, New York.

ken shumaker



In taking an electrocardiogram Ken cuts a frog open, places an electrode on its heart, and watches on the electrocardiograph for something to happen.

Painting and designing the Kappa Kappa Gamma and Phi Kappa Tau May float kept Sherry busy this spring.

sherry monday

Sherry Monday is a sophomore art major and the divisional page editor for this year's *Tel-Buch*. During the 1963-1964 academic year Sherry plans to study in France. As a member of Kappa Kappa Gamma sorority Sherry designed theme party decorations and invitations. She is from Upper Montclair, New Jersey and lives in the Women's Residence Hall. She has more roommates than anybody else in the dorm, because every week she draws nebishes with her reminders for the week.

This year, she was doubly honored for her beauty, being selected as the winner of the "Glamour Magazine" contest and being chosen as Crescent Queen of Lambda Chi Alpha fraternity.

yvonne cade

As a senior majoring in home economics, Yvonne Cade has been one of the most active students at The University of Akron. Yvonne is a member of Tau Kappa Phi, the home economics honorary. She represented her sorority, Alpha Kappa Alpha, in the Panhellenic Council for two years and was a member of University Singers two years. She was President of Alpha Kappa Alpha two years, Vice-president of the Home Economics Club, a member of the 1962 May Court, and Outstanding Greek nominee from her sorority. She was chairman and commentator of the 1962 Style Show.

Yvonne spends her summers as food service supervisor at City Hospital. She has worked on costumes for the Akron Shakespeare Festival and for University Theatre productions. Her church, Prince of Peace Baptist Church, gave her a scholarship as Outstanding Youth.

Yvonne plans to get a degree in dietetics and teach in high school. She hopes to eventually get a Masters in textiles and clothing and work in some phase of fashion design.

"While visions of fashion design ran through her head."

bill dinkins

Cover artist for this year's *Tel-Buch* is Bill Dinkins. Another design project he has completed is a large flow chart for Wonder Bread Company of Akron. This plywood chart describes bread processes to tourists at the Bakery.

His favorite hobby is designing Christmas cards. Last Christmas he printed 200 cards and sold them to his Phi Kappa Tau fraternity brothers.

At The University of Akron he has been co-chairman of publicity for Casbah and co-chairman of booklets and dance decorations for Greek Week. He has designed covers for Casbah, May Day, and the Fine Arts Festival programs.

A package cover for cookies won Bill a merit award in Ohio for design entry in Saint Regis National Design Contest.

Bill plans to teach school or become a Commercial Artist.

Bill poses here with a statue, one of his works.

Arlette aims for a Ph.D.

arlette elefant

"If I don't have the misfortune of getting married," quips Arlette Elefant, "I would like to get a Ph.D. in French and Spanish." Arlette, who has lived in the United States only for the past four years, is a junior majoring in French and Spanish.

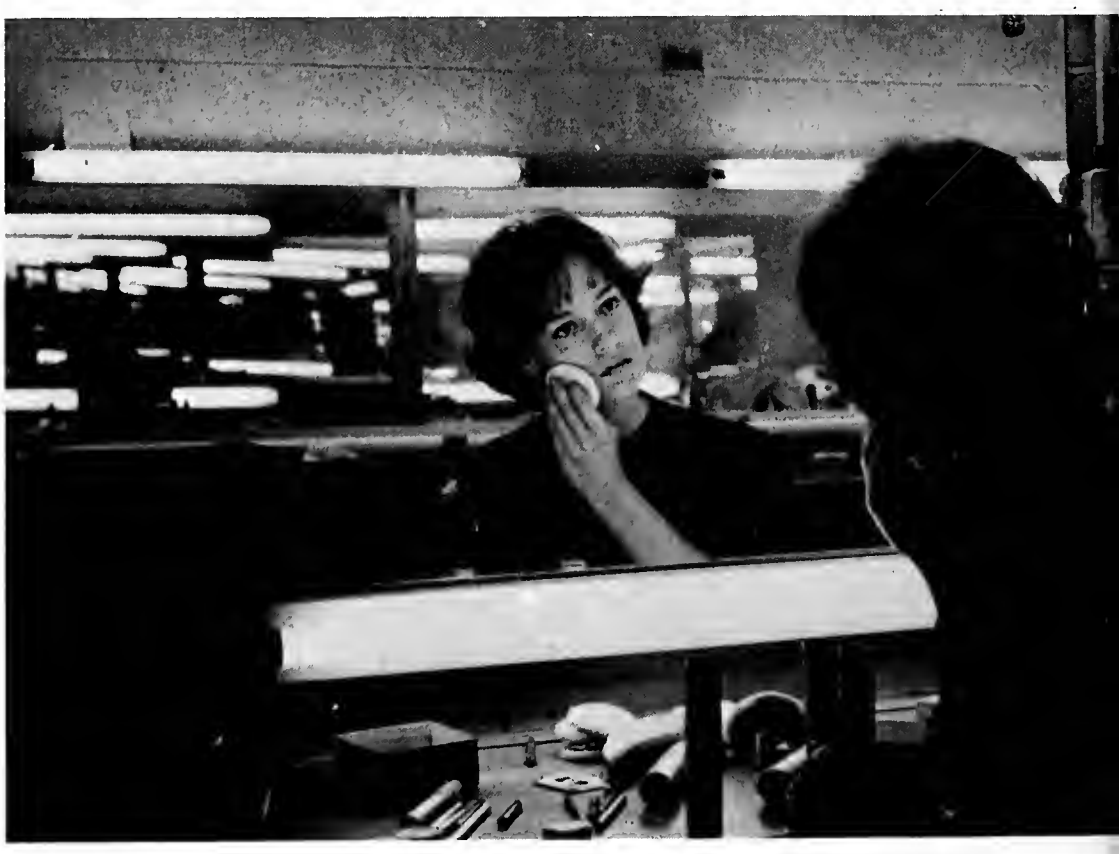
She was born in the French-speaking part of Belgium, where she lived for seven years. She then moved to Venezuela, where she spent nine years.

Arlette is very active in campus activities, being an officer of the U.N. Club, Spanish Club, and Alpha Gamma Delta social sorority. In the Spring of '63 she worked with City Prosecutor Arthur Snell for Internship for Community Leadership.

Representing The University of Akron, Arlette has spoken to Rotary Club, Jaycees, and other service organizations about foreign scholarship. Ed Kaufman and Arlette represent the University at monthly meetings of the Ohio Collegiate Council on World Affairs.

ellen varian

Ellen Varian received the Best Actress award for her role in *The Lark* in 1963.



Ambassadors

linda laatsch

Linda Laatsch, a junior majoring in political science, traveled in the summer of 1963 as The University of Akron's College Ambassador to Iran. Her college activities and honors are many. She is 1963 President of Women's League, President of Pi Sigma Alpha, Secretary and Editor of ICL, Second Vice-President of Theta Phi Alpha social sorority, Secretary of Newman Club, member of Alpha Lambda Delta, Fine Arts Editor of the *Tel-Buch,* Secretary of Political Science Club. She was a member of WAA Board and was listed in Who's Who.

Remember—only 44 pounds, girls!

A woman with many interests and tremendous ambition aptly describes Ellen Varian, a senior majoring in English and interested in dramatics. Students at the University probably know Ellen for her performances in the University Theatre. This year she starred in *The Lark* as Joan of Arc. Ellen says that the roles she has most enjoyed playing are Eliza in *Pygmalion,* Emily in *Our Town,* and Belle in *Ah, Wilderness.* At the University of Wisconsin, where Ellen spent her junior year, she received the top award for both leading and supporting roles. She was selected by her director at Wisconsin to audition for Elia Kazan at Lincoln Center. Ellen loves to write poetry and short stories.

She is also quite interested in music—pops, musical comedy, and classical. To earn spending money during high school and college, Ellen did musical comedy routines and dramatic readings for such varied groups as Rotary Clubs, Akron Art Institute, and Women's City Club. This year she gave a Christmas program of dramatic readings for her former high school faculty. Ellen has sung classical music with the University Orchestra, having studied voice for five years.

In the summer of '63 Ellen participated in the Experiment For International Living. She lived with a family in Switzerland for a month and spent another month touring Northern Europe.

Ellen plans to get a Master's degree in Speech and to teach in college.

theda cumbridge

A June graduate majoring in speech, Theda Cumbridge represented Akron as Community Ambassador to West Pakistan in the Summer of 1963. At The University of Akron she was President of Pierian, 1962 President of Women's League, recipient of the 1963 Senior Woman in Speech award, Secretary of Pi Sigma Alpha, Head Resident of Orr Residence Hall, a member of Pi Epsilon Delta and Pi Kappa Delta honoraries, Pledge Trainer of Phi Mu social sorority, Secretary of the Junior Class, and Ashton Speaking Contest prize winner. She was active in the Radio Workshop and ICL and was listed in Who's Who.

outstanding greek woman

Sandra Banyar was named Outstanding Greek Woman for 1963 at the Panhellenic-IFC Greek Week Dance. Sandra has served as president of Panhellenic Council, Delta Gamma sorority, and vice-president of Pierian and Women's League. Majoring in English in the College of Liberal Arts Sandra has maintained a 3.09 accumulative average.

outstanding greek man

Roger Read was selected as this year's Outstanding Greek Man. An Industrial Management major with a 2.97 accumulative average, Roger has served as a Cadet Commanding Officer in Advanced Army ROTC, president of the 1963 Senior Class and of Phi Delta Theta Fraternity, was a three letter award recipient in Cross Country, and vice-president of Omicron Delta Kappa.

President Auburn accepts the Senior Class gift from Don Sabatino, gift chairman.

Sandy Banyar receives her award as Outstanding Senior Woman from Women's League Vice-President, Linda Dangel.

The Student ...

...Seniors

Rick Fuller and Nancy Stocker seem to be enjoying the Senior Prom.

Seniors had a luncheon on the campus lawn on "Senior Day."

The Akron Tower Motor Inn was the scene of the Senior Prom, which was well attended.

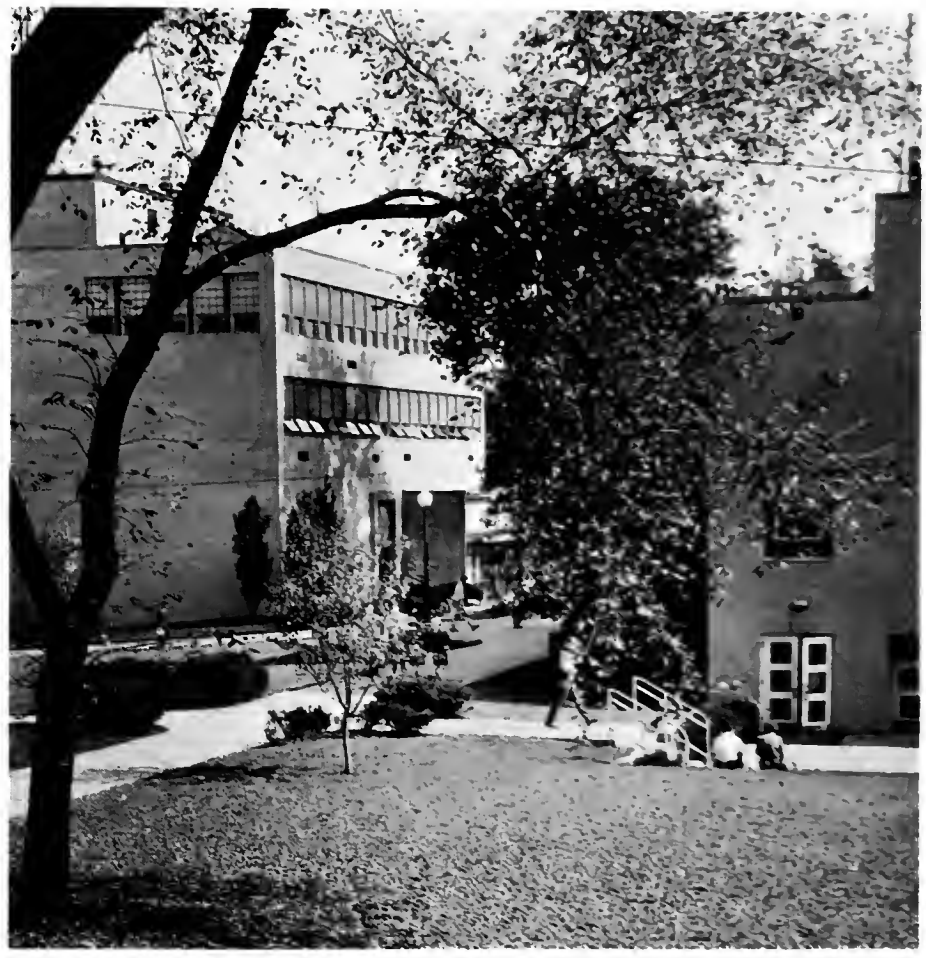
The 1963 Tel-Buch has been produced by Wm. J. Keller Inc. of Buffalo, New York, utilizing the offset lithographic process.

The paper used throughout the book is 80# Poseidon with the exception of the divider pages which are 80# Saxony.


The cover with a drawing done by Bill Dinkins, has been produced by Smithcraft Covers. The divider pages are the work of Sherry Monday. All Senior and Greek pictures were done by O'Neil's Photography Studio and all other photography was produced by Mr. Lewis Tobias.
